(a) establish a drainage board;

(b) delegate to the drainage board any of the council's powers and duties under the *Drainage Act*, except for its power to make by-laws and resolutions; and

(c) require the drainage board to exercise the council's powers and duties with respect to any matter under the *Drainage Act* in which the council is required by law to hold hearings or afford an opportunity to be heard. 2000, c. 43, s. 6 (1).

As the Kawartha Lakes Drainage Board does not have authority to make resolutions, or pass by-laws this report is presented to Council to confirm the recommendations made at the December 9th 2021 Drainage Board meeting.
