Chief Administrative Officer: _____

Background:

At the Council Meeting of May 18, 2021 Council adopted the following resolution:

CR2021-239

Moved By Councillor Elmslie

Seconded By Councillor Veale

That the Land Management Committee be renamed the Land Management Team and all by-laws, policies, management directives and standard operating procedures of the City of Kawartha Lakes referencing the Land Management Committee be amended, accordingly; and

That Councillors Elmslie and Veale be appointed to work with the current Land Management Team to review Land Management Council Policy CP2018-007, and provide any recommended changes to that Policy by Q4, 2021.

Carried

This report addresses that direction.

Rationale:

As required by CR2021-239, all documents have been updated to amend the name from Land Management Committee to Land Management Team.

The Manager – Realty Services and Councillors Elmslie and Veale reviewed the Land Management Policy (Appendix A) to determine if any further amendments should be recommended. No further amendments are being recommended at this time, although the Councillors did request that the Land Management Team Agenda be circulated to Council a minimum of two weeks prior to the meeting, as opposed to one week. This change has been reflected in the draft Land Management Team Management Directive (Appendix B), which will be reviewed/approved by the CAO following Council's consideration of this Report.
