Subject: ATV Bylaw CKL

Hello everyone,

As you know, the bylaw to approve ATV on routes in the city goes before you on Tuesday March 22, 2022.

This is your last chance to reverse all of the falsehoods Pat Dunn & the Orv Committee has spread over the last 18 months.

It's also a time for some of you to throw out his lobbying and pressure he exhorted on you to change your vote when you initially voted against allowing ATVs on the streets of Lindsay. As you may recall a majority of residents who respond the City survey said they didn't want ATV on the streets of Lindsay. No matter how Pat Dunn might slice and dice the numbers a full 66% said no to ATV on Lindsay Streets. These are people who voted for many of you and their mandate to you was absolutely clear that we the residents of Lindsay don't want ATVs on Lindsay Streets. ,

Furthermore, all of the experts, Health Unit, Police, Municipal Works, Insurance Dept. etc recommended against allowing ATV on the streets of Lindsay.

With the voice of the residents and the experts referenced above how can you justifiably move forward with the bylaw you are about to consider.

Council also committed to undertaking a **detailed safety and risk assessment** be done before moving forward. The only way to stop it is for you to **defer the vote until a safety review is done!** Please see the video on the following link: <https://youtu.be/Yiqoe1dE5Rs>

So how are you going to stop the poor decision made last October and December?

Council passed the motion to approve the Lindsay Route. Council would not be able to reject the by-law amendments without first rescinding Motion **CR2021-505** which requires 2/3 vote to put the motion back before Council. Which one of you has the courage and respect of the resident of Lindsay to put a motion forward to rescind Motion CR2021-505. Are 6 of you willing to stand up for will of the residents of CKL

By doing this , CC2022-03.14.1.1 would have to be struck down until a **detailed safety and risk assessment** was done.

It's time to respect the residents of the City of Kawartha Lakes and not pander to a special interest group like KATVA.
