Schedule 'A' to By-law No. 2022-***

The Corporation of the City of Kawartha Lakes

Amendment No. 61 To The Official Plan – The Town of Lindsay

Part A – The Preamble

A. Purpose

The purpose of the official plan amendment is to re-designate the property from the 'Parks and Open Space' designation and the undesignated lands to the 'Residential' designation on Schedule 'A' of the Town of Lindsay Official Plan. The land is also subject to applications for zoning by-law amendment and draft plan of subdivision.

The effect of the change would permit a residential plan of subdivision on the property, to be developed comprehensively with the abutting property to the west, and consisting of 3 blocks, with one block containing the forty-five (45) residential units. A plan of common element condominium will create the internal road network, allow for services and utilities, visitor parking spaces, and amenity space.

B. Location

The subject land has a lot area of approximately 0.55 hectares and is located on the north and west side of Logie Street, opposite Maguire Street, in the former Town of Lindsay. The subject property is located in a residential and commercial area with single detached and townhouse dwellings to the east, vacant and commercial lands to the south, and a community park to the north. The subject property is currently vacant. The combined area of this property and the abutting property are approximately 1.46 hectares.

The property is legally described as Part of Lot 18, Concession 6, geographic Township of Ops and Block 74, Registered Plan 57M-797, former Town of Lindsay, now City of Kawartha Lakes and identified as Vacant Land on Logie Street.

C. Basis

Council has enacted this official plan amendment in response to an application submitted by KLM Planning Partners Inc. on behalf of Lepha Properties Inc. and The City of Kawartha Lakes to permit the creation of a residential plan of subdivision including the entire property and abutting property, consisting of three (3) blocks, with one (1) block containing the forty-five (45) residential units. It is intended that the proposed development will also include a plan of common element condominium to create the internal road network, allow for services and utilities, visitor parking spaces, and amenity space.

The land is designated 'Parks and Open Space' and 'undesignated' as shown on Schedule 'A' of the Town of Lindsay Official Plan. The land is also subject to

applications for zoning by-law amendment and draft plan of subdivision. The development will be subject to site plan approval and individual lot creation will be facilitated by lifting of part lot control. The development will be registered by way of parcels of tied land (POTLs).

The proposed use and amendment to the Town of Lindsay Official Plan are justified and represent good planning for the following reasons:

1. The proposed development conforms to relevant provincial policy documents being the Growth Plan for the Greater Golden Horseshoe and is consistent with the Provincial Policy Statement.
2. The proposed development conforms to the goals and objectives of the “Residential” designation as set out in the Town of Lindsay Official Plan.
3. The proposed site concept is compatible and integrates well with the surrounding area.
4. The applicant has submitted background reports to demonstrate the appropriateness of the proposed development with respect to servicing and the protection of the environment and the Kawartha Region Conservation Authority is satisfied with the Environmental Impact Study.
