Subject: Keep ATVs off Lindsay's roads

Please do your due diligence, and undertake a safety analysis for putting OFF ROAD vehicles ON LINDSAYS ROADS. Why should Lindsay residents have to put up with 20 km/h off-road vehicles on our streets, and then (through our taxes) have to pay the increased insurance premiums once accident lawsuits start building up?

We have been misled and lied to enough. Do what is right, please!

Don Hughes
