Richard Holy, Director of Development Services (Presenting)

#### 3.1.1 Public Meeting

The Chair requested staff to advise on the manner of giving notice for the proposed Zoning By-law Amendment. He also asked staff to briefly describe the proposal and summarize the correspondence, if any, received to date.

Mr. Holy presented on behalf of the report writer (Mr. Harding) and confirmed that the required notice was given in accordance with the Planning Act and circulated

to each owner of land within 500 metres, and that a sign was posted on the subject property. He summarized the application, explaining that it proposes to sever land containing a dwelling and re-add it to an abutting vacant lot to correct an inadvertent merger of title. Approximately 40.43 hectares of agricultural and rural land is to be retained. As a condition of provisional consent, the severed and benefiting lands are to be rezoned to a residential zone to recognize the consolidated residential lot to be created and introduce provisions to recognize the placement of existing buildings. The retained agricultural land is also to be rezoned to recognize the deficient lot frontage created as a result of the lot line adjustment. The application is consistent with the Provincial Policy Statement, conforms to the Growth Plan for the Greater Golden Horseshoe and the Kawartha Lakes Official Plan. Mr. Holy summarized the comments received to date, as detailed in the report, noting that subsequent to the writing of the report that no additional comments were received. Staff are recommending that the application be referred to Council for approval.

The Chair inquired if the applicant wished to speak to the application.
