

Council Memorandum

Date:	June 7, 2022
To:	Council
From:	Councillor Dunn
Re:	Speed Bumps on Riverview Road in Lindsay

Recommendation

That the Memorandum from Councillor Dunn **regarding Speed Bumps on Riverview Road in Lindsay**, be received;

That Staff install in stock temporary speed bumps on Riverview Road;

That Staff prepare a report on the feasibility of installing permanent speed bumps on Riverview Road;

That this report be brought forward as part of the 2023 budget as a decision unit; and

That these recommendations be brought forward to Council for consideration at the next Regular Council Meeting.

Rationale

Speeding on Riverview Road in Lindsay has been an ongoing issue and previous attempts to resolve this issue, through increased enforcement, has had mixed results. The City currently has temporary speed bumps in it's inventory, so they can be installed while staff look into the feasibility of permanent solutions. Riverview Road is also scheduled for reconstruction in the near future.
