Dear [REDACTED]:

Re: Realty Services Application – Request to Build a Dock on City-Owned Road Allowance Known as Hazel Street (Close to [REDACTED])
Our File No.: L17-18-RS[REDACTED]

We are writing further to a letter sent in 2019 in which we advised that The City of Kawartha Lakes would preserve the option to construct a dock within your vacant dock space until December 31, 2023.

The Dock Encroachment Policy was reviewed by Council on November 16, 2021 and it was decided that only existing structures would be permitted to remain on the Hazel Street road allowance, and the City will not enter into Dock License Agreements for new structures. Accordingly, the option to construct a dock within your vacant space has now expired and is no longer an option for the future.

Should you not agree with this decision you are able to make a deputation directly to Council. Please note that deputations are scheduled through the Clerk's office and delegations are limited to a time period of not more than five (5) minutes inclusive of all speakers. The application form and additional information on this process can be found on the City of Kawartha Lakes website: <https://www.kawarthalakes.ca/en/municipal-services/speak-before-council.aspx>. The Clerk's office can be reached by telephone at: 705-324-9411 ext. 1341 or by e-mail: clerks@kawarthalakes.ca.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

The Corporation of the City of Kawartha Lakes
