Background:

On November 19, 2019 Council endorsed the “Building Stronger Communities – 10 Year Housing & Homelessness Plan” for 2020-2029.

The Housing & Homelessness (HHP) is consistent with legislation, Ontario Regulations and the provincial Housing Policy Statement, and:

- Identifies current and future housing needs;
- Sets out objectives and targets (goals) relating to housing needs;
- Proposes actions to meet the goals; and,
- Establishes a process to measure and report progress towards meeting the goals.

Each year, by June 30th, an annual report on progress of the plan must be made available to the Ministry and to the public. The report will provide details on the measures taken to meet the objectives of the plan.

Rationale:

This is the first annual report of the refreshed HHP, highlighting 2021 progress, and is included as Attachment A. This attached report satisfies the Province’s reporting requirements.

Alignment to Strategic Priorities

This report aligns with the Strategic Priority of an Exceptional Quality of Life, and specifically the goal of Improving the health and well-being of residents.
