

## Council Memorandum

<b>Date:</b>	June 7, 2022
<b>To:</b>	Council
<b>From:</b>	Deputy Mayor Richardson
<b>Re:</b>	Community Safety Zone on Highway 7A

### Recommendation

**That** the Memorandum from Councillor Richardson, **regarding a Community Safety Zone on Highway 7A**, be received;

**That** Council support the creation of a Community Safety Zone on Highway 7A through Bethany;

**That** Council support the extent of the Community Safety Zone as determined by the designee in the application to MTO; and

**That** these recommendations be brought forward to Council for consideration at the next Regular Council Meeting.

### Rationale & Background

I have been working with staff to prepare an application requesting that the Ministry of Transportation Ontario (MTO) implement traffic calming measures on the Provincial Highway 7A through Bethany, being a Highway in MTO jurisdiction.

In response, an MTO representative advised that the Municipality could apply for the creation of a Community Safety Zone on a road within MTO jurisdiction. This application requires support from Council.
