

Council Memorandum

Date:	June 7, 2022
To:	Council
From:	Mayor Letham
Re:	Cambridge and William Street Turn Lanes

Recommendation

That the Memorandum from Mayor Letham, **regarding Cambridge and William Street Turn Lanes, in Lindsay**, be received;

That the permanent turn lanes be applied to the top coat of asphalt from Cambridge and William onto Russell and from Cambridge onto Kent;

That the turn lanes be returned to the original configuration (two lanes each way) and the maximum number of parking spaces on Cambridge and William be restored; and

That these recommendations be brought forward to Council for consideration at the next Regular Council Meeting.

Rationale & Background

Downtown businesses are requesting leaving as many existing parking spaces on Cambridge Street as possible and that the turn lanes be restored to their original configuration, which have worked for many years. It is requested that the permanent lanes be painted once the top coat is installed.
