

Council Memorandum

Date:	June 7, 2022
To:	Council
From:	Councillor Yeo
Re:	Speed Concerns on Kawartha Lakes Road 45 in Sebright

Recommendation

That the Memorandum from Councillor Yeo, **regarding Speed Concerns on Kawartha Lakes Road 45 in Sebright**, be received;

That Staff investigate the 60KM zone through Sebright and determine whether an all way stop is warranted at the intersection of Kawartha Lakes Road 45 and Kawartha Lakes Road 6;

That Staff report their findings to Council by the end of Q3, 2022; and

That these recommendations be brought forward to Council for consideration at the next Regular Council Meeting.

Rationale & Background

There has been an increase in speed complaints through Sebright on Kawartha Lakes Road 45 and concerns regarding stopped school busses. In an effort to increase community safety, I feel that a traffic control investigation is warranted.
