**Petition**

To: the Council of the City of Kawartha Lakes, 26 Francis Street, Lindsay, ON K9V 5R8.

I/We the undersigned, petition the Council of the City of Kawartha Lakes as follows:

**STOP Short term rentals from turning our residential neighborhood into commercialized nightly motels!**

City of Kawartha Lakes needs to consider to enforce their own zoning by-laws and not allow short term rentals in Residentially zoned areas. Follow the example of Collingwood. Collingwood and Blue Mountain area permit short term rentals only in Tourist Commercial (CT) and Tourist Accommodation (CA) Zones. Short-term rentals are not permitted in Residential Zones. (see attached Letter)
