Good morning Sarah.

I am contacting you in regards to the Separate School Board school bus pickup points on the North and South sides of Peace Road.

We are requesting that this item be added to the agenda for discussion at the next Council meeting under item 5.4 for discussion and consideration.

We are requesting that these areas be ploughed and cleared of snow in order to provide a safe parking area for parents dropping off and picking up children in the morning and evening.

At present after large accumulations of snow it is impossible for parents to avoid encroaching on live lanes of traffic on Peace Road when picking up their children.

Sincerely,

Allan Boys
