

Council Memorandum

Date:	February 7, 2023
To:	Committee of the Whole
From:	Councillor Smeaton
Re:	Traffic Calming on King Street between Lindsay Street and Logie Street

Recommendation

That the Memorandum from Councillor Smeaton, **regarding Traffic Calming on King Street in Lindsay**, be received;

That staff report back with options, recommendations as well as budget implications by Q3, 2023; and

That this Memorandum be brought forward for consideration at the next Regular Council Meeting.

Rationale

This road is used as a major artery at all times of day to get from downtown Lindsay to Highway 36. There is currently only one stop sign between Lindsay Street and Highway 36. Residents and Kawartha Lakes Police Services agree that there is a major safety concern in terms of speeding on this stretch of road. This safety concern may be alleviated by applying different traffic calming methods.
