

## Council Memorandum

<b>Date:</b>	May 9, 2023
<b>To:</b>	Council
<b>From:</b>	Councillor Perry
<b>Re:</b>	Repair of Plow Damage on Potts Shore Road

### Recommendation

**That** the Memorandum from Councillor Perry regarding **Repair of Plow Damage on Potts Shore Road** be received;

**That** staff review conditions of Potts Shore Road and perform any necessary local repairs and maintenance required as a result of the 2022-2023 winter plow damage;

**That** staff include as a decision unit in the 2024 budget the reconstruction/resurfacing of Potts Shore Road for consideration; and

**That** this recommendation be forwarded to Council for consideration at the next Regular Council meeting.

### Rationale

Potts Shore Road is approximately 1km long with some 20 residences. Residents of Potts Shore Road have been requesting repair of their road since 2018 due to documented plow damage each season. As a short term solution, I request that staff review and complete necessary repair work as needed this year. As a long term solution I request that the road be added as a decision unit in the 2024 budget for repaving/resurfacing.
