

## Council Memorandum

<b>Date:</b>	May 9, 2023
<b>To:</b>	Committee of the Whole
<b>From:</b>	Councillor Yeo
<b>Re:</b>	Drainage Easement on Greenwood Road at Rush Lake

### Recommendation

**That** the Memorandum from Councillor Yeo, **regarding the review of a Drainage Easement on Greenwood Road at Rush Lake**, be received;

**That** Staff report back on the flooding area and determine where drainage easements could be established. That the report note whether a drainage study would be required; and

**That** this recommendation be forwarded to Council for consideration at the next Regular Council Meeting.

### Rationale

Every spring, Greenwood Road is washed out and properties along this road flood at Rush Lake. The Residents have attempted to remediate the drainage issue within the area but it is simply too much for the few that want to help while others only add to the problem.

Staff should continue to communicate with those affected in the flooding area in order to determine where drainage easements could be established.
