Subject: Proclamation

I am wondering if we are able to get a proclamation this year for November 6 2017

Good morning my name is Tiffany Kummer. I am requesting a proclamation for November 6 2017 for crps rsd send them this: Whereas: Complex Regional Pain Syndrome (CRPS), also known as Reflex Sympathetic Dystrophy (RSD) is a nerve disorder that causes chronic pain,

Whereas: the symptoms of CRPS/RSD are often described as burning that is out of proportion to the severity of the initial injury and can include extreme sensitivity to the touch and swelling

Whereas: While CRPS/RSD was first identified during the Civil War, it remains a poorly understood condition. There is no cure

Whereas: The National Institute of Neurological Disorders and Stroke and other institutes of the National Institutes of Health support research relating to CRPS/RSD

Whereas: Members of the CRPS/RSD community will be spreading awareness in November

Whereas: On Nov.6, 2017, members of the CRPS/RSD community will be celebrating the third-annual Color The World Orange day to spread awareness of this poorly understood pain disorder.

Thanks Tiffany Kummer
