

Council Memorandum

Date:	June 6, 2023
To:	Committee of the Whole
From:	Councillor Ashmore & Councillor Warren
Re:	Including the Dunsford Nature Trail in the Active Transportation Plan

Recommendation

That the Memorandum from Councillor Ashmore and Councillor Warren, **regarding Including the Dunsford Nature Trail in the Active Transportation Plan**, be received;

That the inclusion of the Dunsford Nature Trail in the Active Transportation Plan be considered for the City of Kawartha Lakes; and

That this Memorandum be forwarded to Council for consideration at the next Regular Council Meeting.

Rationale

The Dunsford Nature Trail is located between Heights Road and the village of Dunsford.

For many years, the trail has been an integral part of the community with people enjoying its natural amenities as a walking trail. In the winter, it is also used as a snowmobile trail. In the past few years, it has received minimal maintenance and, as a result, the trail has fallen into a state of disrepair.

In order for the Dunsford Nature Trail to be operational and sustainable, it must be brought back to a safe standard. It is therefore recommended that the Dunsford Nature Trail be considered in the Active Transportation Plan.
