

Council Memorandum

Date:	June 6, 2023
To:	Committee of the Whole
From:	Councillor Perry
Re:	Limited Service Agreement for Gillis Street

Recommendation

That the Memorandum from Councillor Perry regarding, a **Limited Service Agreement for Gillis Street** be received;

That Staff provide a Limited Service Agreement for Gillis Street;

That all residents of Gillis Street must sign the Limited Service Agreement in order to have it take effect; and

That this recommendation be forwarded to Council for consideration at the next Regular Council Meeting.

Rationale

Gillis Street is a private road that has existed with decades of usage by the public. Grading and snow removal have been provided for over 60 years. In Resolution CR2012-474 (2021), Council directed staff to put in place a temporary Limited Services Agreement and a standard Limited Service Agreement be entered into by May 2022 with the understanding that the ownership issue be resolved by the residents. This has not occurred but I believe that all of the residents now express an interest in signing a Limited Service Agreement.
