Petition

To: the Council of the City of Kawartha Lakes, 26 Francis Street, Lindsay, ON K9V 5R8. I/We the undersigned, petition the Council of the City of Kawartha Lakes as follows:

BACKGROUND: The section of **Kilarney Bay Road north of Glenarm Road** has over the years deteriorate significantly and is constantly being patched. Holes vary in size from extremely large ones to small potholes. Some sections of the road are covered in road patch work for a significant distance reaching from one side of the road to the other. Even traveling this road at well below the posted speed limits has/is causing undue wear and tear on my and my neighbors vehicles. On Jul 13, 2023 I received a response to my concerns about the road condition "**Engineering recently released the new five year plan that will take effect in 2023.** https://www.kawarthalakes.ca/en/living-here/construction-roadwork-and-closures.aspx?_mid_=23669 **Kilarney Bay Rd is on this list and is tentatively scheduled for 2027.** It is important to know however, that this list is a **living document and roads can be bumped and added to the list as priorities arise**. In order to try and have your road bumped up, **you will have to go through the petition process as this is a council decision**". **Currently Kilarney Bay road is 83 on that list out of 106 Rural Resurfacing projects.**

The individuals who have signed this Petition are **requesting that the City or Kawartha Lakes Councillors review the 5 year plan and expedite the complete paving of Kilarney Bay Road well before 2024.**
