Petition

To: the Council of the City of Kawartha Lakes, 26 Francis Street, Lindsay, ON K9V 5R8.

I/We the undersigned, petition the Council of the City of Kawartha Lakes as follows:

Would like Mill Street, Lakewood Cres up to Marina Drive and River Park Drive resurfaced with Asphalt. They have been just filling the pots holes on these roads for years and this is not acceptable solution and feel it is total waste of money. The money spent on this activity would be better spent on resurfacing the roads. Pot holes affect the vehicles travelling on this road, ie Needing Alignment done after hitting these pot holes, damage to tires. Also several safety issues as the cars are swerving to miss pot holes and could possibly hit the many other vehicles and walkers on this road. There has been a new housing development just completed on Lakewood Cres with 48 units causing a lot more vehicle traffic and walkers.
