I found the Municipal Heritage Committee Report online about their meeting regarding the Heritage designation for 1011 Portage Road. I felt I should have been notified and I was not. I felt Emily Turner has made comments regarding my own comments and I feel some of them are not valid and I would like to address them. I feel the report says it was the owners were consulted. I am not in agreement with the comments made, the fact that I was not invited and I was not able to answer any questions. I feel the report was then given to the Councilors and the Mayor. I was not given an opportunity to comment. Considering the councilors and the mayor voted on the Heritage designation, I feel it is more fair if I am given an opportunity to address the comments. We have been at this location for 12 years so we have learned a lot about it and we would love to offer this information.

Please attach any additional supporting documents you wish to provide and submit with this completed form.

Have you discussed this matter with City Staff?

☒ Yes

☐ No

If yes, Which department and staff member(s) have you spoken to?

What action are you hoping will result from your presentation/deputation? *

I had told Emily Turner, I was disappointed I was not informed. She apologized for not informing me. I am hoping if I present the councilors and the mayor can hear updates on the comments. An example is calling it an Inn when it has not been one for 22 years. Another example is saying it is a commercial property when it is a combined commercial and residential. I feel we have devoted 12 years of our lives to this property and we want to express updates on it.
