Petition

To: the Council of the City of Kawartha Lakes, 26 Francis Street, Lindsay, ON K9V 5R8.

I/We the undersigned, petition the Council of the City of Kawartha Lakes as follows:

With many vehicles travelling Long Beach Road well in excess of the posted speed limit, the lives of our most vulnerable people are at unnecessary risk, I will be bringing to Council a request to get Long Beach Rd designated as a Community Safety Zone. In May 2017, Ontario's Highway Traffic Act was amended to introduce the use of ASE (Automated Speed Enforcement) in municipalities to address ongoing issues with speeding in School Zones and Community Safety Zones, however the risks are much higher which is why we would like to see the speed reduced to 30 km/h. ASE is designed to slow drivers down and keep our neighbourhoods safe, so we would like to have ASE implemented on Long Beach Road once it is designated a community safety zone.
