

Council Memorandum

Date:	November 7, 2023
To:	Committee of the Whole
From:	Councillor Perry
Re:	Interim Restoration of Snow Plowing – Lakeview Park Road

Recommendation

That the Memorandum from Councillor Perry, Regarding **Interim Restoration of Snow Plowing – Lakeview Park Road** be received;

That the Department of Public Works resume snow plowing of Lakeview Park Road for the 2023-24 winter season, to provide time for a Limited Services Agreement (LSA) to be executed with residents; and

That this recommendation be brought forward for consideration at the next Regular Council Meeting.

Rationale

The City has been plowing Lakeview Park Road for approximately 50 years. Lakeview Park Road is less than one kilometre in length with some 20 full-time residents. In late January of this year, residents of Lakeview Park Road received notice that snow plowing was being stopped following an altercation with a resident on the road. Residents were subsequently informed that an LSA would be required in order for snow ploughing to be restored. Issues of ownership, inter alia, of the road have arisen and resolution/negotiation of the LSA is ongoing. The resident involved in the altercation has been spoken to by residents. Winter is fast approaching.
