No

If yes, Which department and staff member(s) have you spoken to?

What action are you hoping will result from your presentation/deputation? *

Hoping to stop the current building model of 22 Units. Would like to see the original model that was presented at a public meeting in the town of Bobcaygeon in 2022 of the 15 unit complex, designed in a town house format, with 30 parking spaces. This was originally presented as an affordable housing project, for people in need with mild mental health conditions at a 100% capacity. The new design is being listed as mixed market project. It has sacrificed parking to maximize on profit.

How would you like to complete your deputation? *
