Please provide details of the matter to which you wish to speak: *

Purchasing the road allowance that runs along the South and West sides of 7 Thomas Street, Pontypool.

Please attach any additional supporting documents you wish to provide and submit with this completed form.

Have you discussed this matter with City Staff?

Yes

No

If yes, Which department and staff member(s) have you spoken to?

What action are you hoping will result from your presentation/deputation? *

Reconsideration into the efficacy of future development of the road allowance between Thomas Street and Amelia Street. Re-evaluation of the Cost / Benefit analysis of maintaining this section of land as a potential road allowance / the costs of future development of this land into a roadway will show the cost to do so far exceeds any potential benefit to the Pontypool community considering the proximity of this land to an existing Hydro One Corridor, Biodiverse Habits currently in existence and the practicality of road development on this section of land (even if future additional housing in the area is dramatically increased).

Alternatively, if council is not yet in a position to sell this land after reconsideration of the above has been completed, additional consideration is requested to allowing a First Right of Refusal to the sale of this land in future to the deeded owners of 7 Thomas Street, Pontypool, noting the proximity of this land to their existing premises.

How would you like to complete your deputation? *
