**Deputant One:**

Darryl James

**Deputant Two:**

First Name, Last Name

**Please provide details of the matter to which you wish to speak: \***

I wish to review past data and current evidence that was presented and witnessed by myself and others about how ATVs access through Lindsay should be removed with no ATV access on any City streets in Lindsay.

I wish to discuss the importance of further safety reviews along with further assessments and implementation of how complaints and ATV trail and road infractions will be monitored, and managed before implementing any of the current routes or moving away from the current ATV pilot program. This Pilot program needs more time to be reviewed and assessed.

I wish to better understand why a local Association is able to generate income on a publicly owned trail, and road system without any sort of upfront rental fee, and any additional fees for damage like any other publicly owned asset within the City of Kawartha Lakes that is used by an Association.

Please attach any additional supporting documents you wish to provide and submit with this completed form.

**Have you discussed this matter with City Staff?**

Yes

No

**If yes, Which department and staff member(s) have you spoken to?**

**What action are you hoping will result from your presentation/deputation? \***

To remove the ATV route through Lindsay.

To continue the ATV pilot program for at least another two to four years to continue to assess infractions, complaints and safety issues.

To reassess and review City policy on how local Associations use publicly funded assets to make a profit without any sort of rental fee.

**How would you like to complete your deputation? \***
