Please provide details of the matter to which you wish to speak: *

As a climate change consultant, I have analyzed the economic and emissions benefits of heat pumps over gas heating systems for gas expansion communities in Ontario. I will share the results of this analysis, highlighting the economic savings that are possible when choosing heat pumps over gas and other fueled heating systems in gas expansion communities.

This is an update of an analysis performed for the Ontario Clean Air Alliance which can be found here: <https://www.cleanairalliance.org/electrifying-ontarios-gas-heated-homes-by-installing-air-source-heat-pumps/>

Please attach any additional supporting documents you wish to provide and submit with this completed form.
