Hello,

I received a letter regarding Municipal Law Enforcement and Licensing yesterday on April 9th regarding short-term rental. I understand that this is created for safe and respectful use of short rental properties, but I am wondering why it is sent too late. I called the associated person, and I was told it might take up to 3 months in some cases but considering that we are in high season, and I have spent lots money to make sure that everything is in place, sending this kind of letter late makes trouble for people like me who put their property for short-rental. I believe this is a mutual interest for property owners as well as City of Kawartha Lakes since it attracts tourists and revenue for local businesses.

It's very unfair to receive this letter late and I am very disappointed, it should have been sent much earlier. I was told by city staff that they sent it on January, but I never ever received any letter. I received it yesterday on April 9th! My property was listed last year as short-term rental so they could have sent it to all people who listed their property as short-term rental last year regardless of if they want to list it this year or not.

I am looking forward to speaking with you and share my concerns.

Sincerely,
Siamak Shirzad
