## **Background:**

The Kawartha Lakes Parks Advisory Committee was established in January 2019 to replace the former Lindsay Parks Advisory Committee to advise on significant park developments across the municipality, as well as trail system development. This includes the development of park policy, and promoting and maintaining communication with the public on park property needs and projects.

The updated Terms of Reference (2018) for the Kawartha Lakes Parks Advisory Committee stipulates that an annual report be written to Council by the end of Q1 each calendar year in line with the Committee's achievements from the previous year and to present their work plan for the upcoming year.

## **Rationale:**

In 2023 the Kawartha Lakes Parks Advisory Committee participated in the following:

- The Committee held four meetings throughout 2023 as per our approved Terms of Reference.
- Received updates on major projects including Bobcaygeon Beach Park, Garnet Graham Park, Trails Master Plan, Active Transportation Plan, and I.C.I.P (Investing in Canada's Infrastructure) projects, and Memorial Park in Lindsay.
- Received updates on various community parks, including plans for future work and community involvement.
- Requests for Council support for opportunities for Off Leash Dog Runs, consideration of Winter Use of Parks, and new parkland in Bethany.
- Discussed the process for new parks and trails within new developments.
- Reviewed new trail connections such as Riverview Nayoro Loop, Jennings Creek Loop, and at Wilson Fields.
- Discussed development plans for Pioneer Park in Lindsay, and Juniper Park in Fenelon Falls.
- Discussed planning for soccer field and pickle ball court expansions.
- Reviewed what the Wilson Estate Fund is and how it impacts Lindsay parks.

In the upcoming year the Committee will continue with the following:

- Discuss major parks developments and continued maintenance of existing parks.
- Provide a forum for citizens, user groups, and community agencies to raise issues and concerns regarding municipal parks.
- Continue to provide advice and guidance to City Council, through the Community Services Department, on matters pertaining to policies, development, conservation, active transportation, practices and programs related to municipal parks as required.

### **Other Alternatives Considered:**

No other alternatives are recommended.

### **Alignment to Strategic Priorities:**
