No

If yes, Which department and staff member(s) have you spoken to?

What action are you hoping will result from your presentation/deputation? *

To provide an update and request staff revise the report to indicate an Entrance permit was submitted on June 4 and it was In Review status and is now in Awaiting Consultation status.

Also, this is a pre existing driveway and entrance has been there 150+ years, and there is plenty of space contrary to what is mentioned in the staff report.

There is a water distribution line that is outside the driveway and entrance area, contrary to the staff report.

Also, we were informed by consultant Lindsay the Easement is with CKL lawyer and will be paid for by CKL and essements prepared by CKL. This should be reflected in the report as this email was a couple of weeks ago.

We are requesting given the above that staff and Council recommend approval of our rezoning application to residential so we can proceed with improvements such as connecting to a water source so we can have a toilet and running water for a sink.

Thank you
