Wylie Rd. is north of Kirkfield, in the Carden Alvar. A short portion of the road is assumed and the remainder to Alvar Rd. is unassumed. The unassumed portion is in exceptionally bad condition, making it difficult to traverse. Wylie Rd has international visitors, as well as, scientists, students, photographers and naturalists working there. People from all over Ontario, visit Wylie Rd. The road needs to be graded. Wylie Rd is also a premier trail for access by "other-abled" individuals. However, in the current state, accessibility is being seriously hindered. The benefit to the City of Kawartha lakes comes from visitors buying gas, visiting restaurants and staying in local accommodations. Please provide limited seasonal service (grading) to the unassumed section of Wylie Road.

Please attach any additional supporting documents you wish to provide and submit with this completed form.
