<b>Re:</b>	Parking Solutions on Mary Street West, Lindsay, in front of Caessant Care

#### Recommendation

**That** the Memorandum from Councillor McDonald, **Regarding Parking Solutions on Mary Street West in front of Caessant Care**, be received; and

**That** Staff be directed to investigate the feasibility of prohibiting parking in front of Caessant Care Mary Street West and report back by Q2, 2024.

#### Rationale

There have been many complaints from residents regarding safety concerns on Mary Street West in front of Caessant Care Nursing Home.

There are two retirement homes in close proximity to one another on Mary Street West situated on an “S” turn. Many residents, visitors and staff park along this section of road creating congestion and safety issues for local school bus traffic, as well as local Bus Route traffic are impacted creating traffic congestion.

There are alternative options of parking available at the rear of Caessant Care for staff and visitors that should be utilized as a solution to this issue.
