Project Title: Studying the feasibility of a net-zero cultural centre in
Kawartha Lakes, Ontario
Application Number: DFC-23-0229

Dear Mayor Doug Elmslie and Members of Council:

On behalf of the Green Municipal Fund (GMF) Council and FCM's Executive Committee, I would like to congratulate the City of Kawartha Lakes on its successful funding application for the above-noted initiative.

It is my pleasure to confirm that the City of Kawartha Lakes has been approved for a grant in the amount of up to \$100,000.

In the near future, Sylvie Fontaine will contact the City of Kawartha Lakes to finalize the agreement for this funding. FCM's obligation to fund the above-noted initiative will only become binding once the agreement is signed.

FCM, in partnership with the Government of Canada, oversees public announcements regarding GMF-supported initiatives. Until our media relations team (media@fcm.ca) contacts the lead applicant or municipality to facilitate a media announcement, discussion of the application or the funding must remain private, except if reporting to municipal council. We kindly ask you to refrain from statements or any public form of communication related to the status of the application or funding until a media announcement led by FCM and the Government of Canada is complete.
