Petition

OFFICE OF THE CITY CLERK

To: the Council of the City of Kawartha Lakes, 26 Francis Street, Lindsay, ON <sup>K0W 5B8</sup>  
I/We the undersigned, petition the Council of the City of Kawartha Lakes as follows:

Concerning the prolonged absence of sewer systems on WYCHWOOD CRESCENT, which has persisted for a long period of time, especially considering that many surrounding streets (Ellice Street, Murray Street, West Street S., etc.), and to the best of my knowledge, Langton Public School and Extencicare Fenelon Court Long-Term Care Home on WYCHWOOD CRESCENT, already having such infrastructure in place.

The deteriorating road conditions and frequent flooding due to inadequate drainage have posed safety risks for residents, visitors, and passing motorists. This longstanding issue not only compromises the quality of life in our neighborhood but also undermines property values and community well-being.

With the original petition in place for road replacement, we urge the proper attention and necessary action to install sewer systems on WYCHWOOD CRESCENT, addressing this long-overdue infrastructure need.

Thank you for addressing this crucial issue promptly!
