Kawartha Lakes is committed to complying with the Accessibility for Ontarians with Disabilities Act (AODA) in order to create a barrier-free Ontario. We are committed to the four core principles of dignity, independence, integration and equal opportunity. We support the full inclusion of persons as set out in the Canadian Charter of Rights and Freedoms and the AODA. If this document is required in an alternate format, please contact accessibility@kawarthalakes.ca.

Mayor Message – 2025 Budget

Dear Residents of Kawartha Lakes,

I'm pleased to present our 2025 Budget, a balanced approach that upholds our commitment to **community safety, well-being, and sustainable growth**. This budget responsibly addresses our strategic priorities as we continue to grow, ensuring Kawartha Lakes remains a welcoming, resilient, and supportive community for all.

This year, under the Strong Mayor powers, I established a Budget Committee to ensure Councillors had the opportunity to provide input from start to finish. Many thanks to Committee members for thoughtfully addressing the needs of all constituents and working with Council to create a budget that serves our entire community.

The 2025 Budget prioritizes **emergency services** with key investments in police personnel to respond to increased call levels; four new Paramedics and the design of a new Paramedics headquarters and fleet centre for enhanced care across the municipality. The Fire Service will gain a dedicated role for emergency preparedness and a District Chief of Volunteer Operations to ensure 24/7 community coverage.

Well-being is at the heart of our priorities, and everyone deserves a safe place to live. We are investing \$15 million this year to begin construction on 65 new affordable housing units in Fenelon Falls and Minden, aligned with our Housing Pledge. Our commitment to housing and social services remains strong, with funding directed towards organizations supporting vulnerable residents, expanded childcare spaces, and the Integrated Wellness Hub, set to open in 2025, offering comprehensive support for those dealing with mental health, addictions and homelessness.

Growth benefits all residents, and we have invested funds from developers and property owners in the Capital Budget, at an unprecedented \$128 million. These funds support essential repairs, such as the restoration of the historic Old Gaol Museum, Oakwood and Lindsay library branches, and Coronation Hall, to name a few. Alongside modernization projects, we are investing in infrastructure upgrades and expansionary projects for roads and bridges to accommodate our increased traffic and service needs.

We have also embraced **digital modernization** to make services more efficient and accessible. Our investments in technology will ensure that Kawartha Lakes continues to work smarter to serve our community better.

In summary, this budget sets out a total increase of 7.2% prior to budget deliberations—comprised of a 3.5% general tax levy increase, a 2.2% levy for city-wide policing, and a 1.5% infrastructure levy. I'm proud of our city's progress, and I'm confident that this budget will pave the way for a stronger, more connected Kawartha Lakes.

Sincerely,

Doug Elmslie,
Mayor of Kawartha Lakes

Opportunity • Community • Naturally

Background

Highlights and Assumptions of the 2025 Budget

The City of Kawartha Lakes 2025 budget targeted a 4.5% tax increase as per the Long Term Financial Plan (LTFP). However, the Mayor's budget is proposing a 7.2% tax increase comprising 3.5% for general operations, 2.2% to address unanticipated pressures in police services, and 1.5% for continued support of the dedicated capital levy

Council endorsed the 2022 Long Term Financial Plan as the guiding strategy, however, it is increasingly challenging to maintain the 4.5% target. The municipality is impacted by the global economy and the impacts of a post Covid pricing market. Therefore, staff will bring forward an updated LTFP in 2025 that is reflective of current priorities and revenue and expenditure assumptions to build a financially sustainable plan.

Budget Committee:

The Budget Committee met over the months of August, September and October; and they endorsed the 2025 Budget to the Mayor mid October.

Presentation to Council:

Once the budget was endorsed by the Budget Committee, it was presented to the Mayor. The Mayor presents the Budget to Council and amendments to the Mayor's Recommended Budget may occur. Throughout the year the Finance Executive and Senior Management teams provide governance over expenditures to monitor the budget and expectations of all stakeholders.

Priorities and Highlights

Keeping Taxes Affordable

This budget is designed to address significant inflation, growth pressures, new legislation, rising borrowing costs, staffing needs, and an unpredictable global economy—all while keeping taxes as affordable as possible.

Enhancing Community Safety and Emergency Services

Our Police Services are experiencing higher demand, adding \$3.3 million to the tax levy, largely due to returning to pre-pandemic call volumes and serving a growing population. Investments in Paramedic and Fire Services ensure that our expanding community remains safe and well-protected.

Investment in Health and Well-Being

We are dedicating \$15 million toward 65 new affordable housing units, fulfilling 10% of our Housing Pledge. The creation of a seven-day Integrated Wellness Hub will support those facing mental health challenges, addictions, homelessness, and food insecurity. We're also expanding childcare access by aiming for 200 additional licensed spaces in 2025 and addressing gaps in primary healthcare with funding for after-hours clinics, nurse practitioners, and family doctor recruitment.

Growth Benefits All

New development across Kawartha Lakes has expanded the tax base by over \$255 million in 2024, generating \$2.7 million in tax revenue. Future projects, including single-family, high-density, and commercial developments, are expected to bring in an estimated tax revenue of \$3 million in 2025. As of now, we're on track to meet two-thirds of our 2024 housing target of 542 new units, with even stronger projections for 2025.

Unprecedented Capital Budget for a Growing Community

We are committed to maintaining existing facilities while using development charges to fund new facilities for our expanding population. Our \$128 million Capital Budget is a record investment, covering facilities, roads, bridges, and more to meet the needs of our growing community. Details are in the Capital Budget section.

Impact to Property Owners

The 2025 budget originally targeted a 4.5% increase in alignment with the Long-Term Financial Plan (LTFP). However, the Mayor's proposal includes a 7.2% tax increase comprising 3.5% for general operations, 2.2% to address unanticipated pressures in police services, and 1.5% for continued support of the dedicated capital levy. For property owners, this translates to an annual tax increase of about \$170 based on a home assessed at \$264,000.

Looking Ahead

The 2022 LTFP remains our strategic guide, though global economic shifts and post-pandemic market impacts make the 4.5% target more challenging to meet. A refreshed LTFP, reflecting current priorities and revised fiscal, will be introduced in 2025 to build a sustainable long-term financial plan.

Municipal Property Assessment Corporation (MPAC)

The Ontario government has continued the postponement of a province-wide property assessment update that has been paused since 2021. As a result, the MPAC updates remain on hold and property assessments for the 2025 taxation year will continue to be based on the fully phased-in January 1, 2016 values.

The City has included an estimate of \$3 million supplemental tax revenue from growth, which depends on the rate of building completion. Staff will continue to monitor and measure the City's growth with our partner MPAC.

Capital Budget

The 2025 Capital budget will see an investment of approximately \$128 million. This includes \$68.5 million investment in the state of good repair assets, and \$59.8 million in expansionary projects.

A total investment of \$52.4 million (41%) is being made in the road network through capital programs such as Bridges and Culverts, Urban/Rural Reconstruction, Urban/Arterial Resurfacing, Rural Resurfacing, Gravel Resurfacing, and Lifecycle Management

The City's road network spans a total of 2,791 km, primarily within a rural setting, with areas of urban and semi-urban development.

According to the 2021 Roads Needs Study (RNS), the City's existing road network had an average structural adequacy rating of 71.5%. This was an improvement of 6% from the 2016 RNS rating of 67.5%. The Roads Needs Study is performed every five years, with the next study expected for 2026. With the above-noted investment in the annual roads capital program, the City will continue to improve the health of the road network beyond the 71.5% adequacy rating, addressing and prioritizing critical needs and maintaining the roads in a state of good repair.

The City commenced the 2024 Capital Budget process with a tax-supported capital deferral list of approximately \$87 Million and has been working on a plan to phase out the deferral list within the next three years.

The 2025 Budget builds on the plan and invests \$27.2 Million in deferred projects.

Forecasted Elimination of 2024 Deferred Tax-Supported Capital Needs

Year	Expenditure (2025\$)	Share of Total	Comments
2024	22,934,000	22.82%	Included in Approved 2024 Tax-Supported Capital Budget
2025	27,082,000	26.95%	Included in Proposed 2025 Tax-Supported Capital Budget
2026	32,233,000	32.08%	Included in long-term capital forecast
2027	18,238,000	18.15%	Included in long-term capital forecast
Total	100,487,000	100.00%	

History

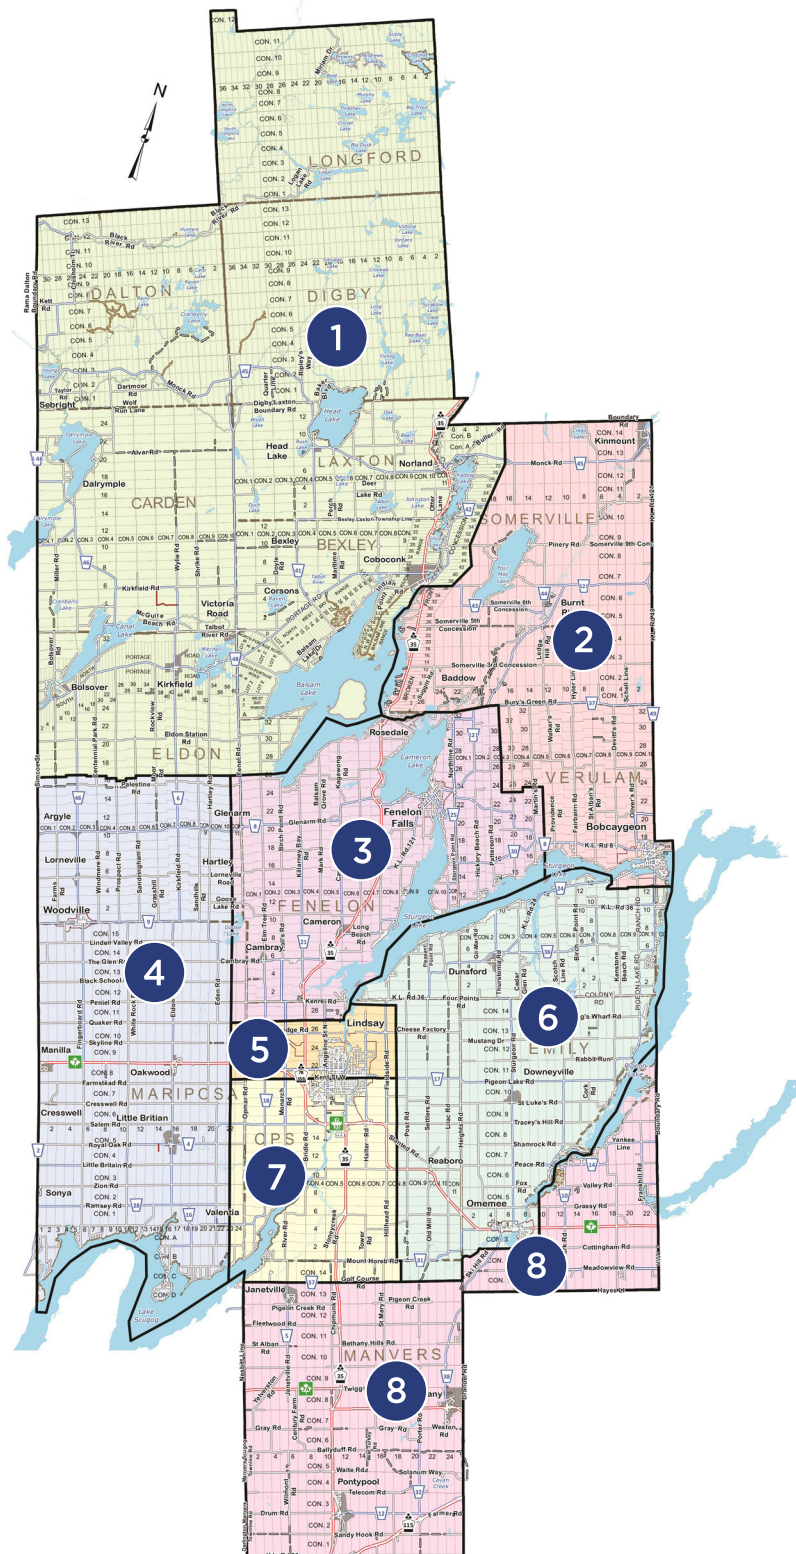

The City of Kawartha Lakes was established in 2001 after the amalgamation of all the municipalities in the former Victoria County. Kawartha Lakes is the second largest single-tier municipality in Ontario by geography and boasts many unique communities, abundant green spaces, and a strong agricultural heritage.

Located only 90 minutes from Toronto, Kawartha Lakes offers cottage country charm coupled with the vibrancy of a growing and welcoming region. With over 250 lakes and rivers winding through its towns, trails and farmland, there are many opportunities for exploration.

As its population continues to grow, Kawartha Lakes is evolving into something bigger – a place of opportunity. Its culture complements its economy and today it is seeing more growth than ever before.

We are committed to our Vision of ‘thriving and growing communities within a healthy and natural environment’.

Ward Map

2025 Budget Guiding Principles

These four principles outline the foundation for the work of staff:

- **Fiscally Responsible** – We are focused on delivering core services by managing our finances with the highest level of responsibility to ensure every dollar is spent wisely, prioritized for maximum community benefit and accounted for with full transparency. We think broadly to balance the needs of our rural and urban communities, working proactively and innovating to keep services affordable for a sound financial future.
- **Open and Transparent** – We operate in an open, accessible and transparent manner and continue to enhance how we inform, engage and listen to residents and community partners. Performance measures ensure we stay on track and remain accountable for results
- **Partner and Collaborate** – We work to strengthen relationships with all community partners to collaborate on projects and services. We support innovation, look for opportunities to advance common goals and work with all levels of government to maximize ‘one taxpayer’ investments.
- **Service Excellence** – We serve Kawartha Lakes with pride, seeking to understand and meet the needs of those we serve within our available resources. We are committed to accessible, timely, knowledgeable, courteous, fair and equitable service. We value feedback and use what we learn to Make it Better.

Community engagement

Strategic Priorities

The 2024-2027 Kawartha Lakes Strategic Plan is the municipality's roadmap, which outlines the priorities for the coming years.

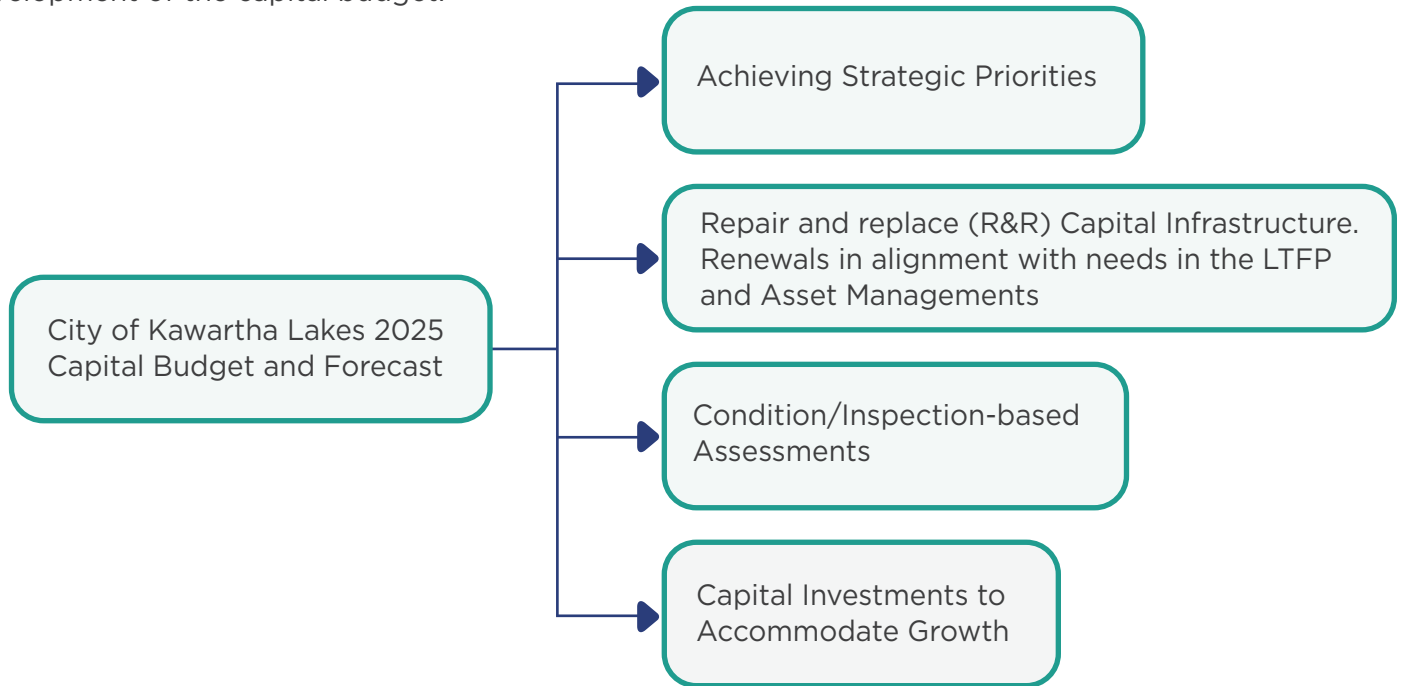

Several goals and actions have been outlined in each of the four Strategic Priority Areas:

Supporting this work are the corporate values of Accountability, Respect and Teamwork.

For the complete Strategic Plan, please visit www.kawarthalakes.ca/strategicplan.

Following the principles and priorities above, the City creates its capital budget strategy to guide investments to ensure residents' needs are being met. Below are the outcomes that guide the development of the capital budget:

Note: Capital Investments to Address Growth - At the time of this 2025 Capital Budget, studies are underway to determine the servicing needs associated with the growth impacts. Therefore, the three to five-year long-term plan may be subject to change once these costs are identified and quantified.

Corporate Planning Hierarchy

2025 Budget Process

1

Budget preparation

The Budget Committee takes direction from the Mayor, and hears from staff, Boards and Agencies of Council about their requirements.

2

Draft Budget presented to Mayor

The Budget Committee prepares a draft Budget for the Mayor to review and comment on.

3

Public input

Public input on the draft budget is welcome at an evening meeting. Education on the budget is provided.

4

Council deliberation

Mayor presents the Budget to Council for deliberation. The Mayor can veto Council's amendments during a defined period of time.

5

Mayor's veto period

Once the Mayor's period to veto any amendments has passed, the Budget as adopted by Council is final.

6

Final budget published

Mayor's Budget Book published.

Demographics

Kawartha Lakes Population

(as per Statistics Canada Population 2021 and 2016 censuses and chart)

The City is currently working to plan for the Provincial growth target of approximately 100,000 residents by the year 2031.

In 2021, the enumerated population of Kawartha Lakes (City), was 79,247, which represents **an increase of 5.1% from 2016**. This compares to the provincial average of 5.8% and the national average of 5.2%.

Provincial population rank:

National population rank:

of 4,831.

The land area of Kawartha Lakes (City) is **3,033.66 square kilometres** and the population density was **26.1 people per square kilometre**.

In 2021, there were **32,708 private dwellings** occupied in Kawartha Lakes (City), which represent **an increase of 5.2%** from 2016.

Growth Statistics

(as per City of Kawartha Lakes Building Department)

Number of Permits Issued in Kawartha Lakes

Permits	2023	5 year average (2018-2022)	+/- vs. 5 year average
New Dwellings and Replacement Dwellings	312	285	9.47%
Residential (all other types)	447	474	(5.74)%
Commercial	49	50	(2.78)%
Industrial	20	13	58.73%
Institutional	37	39	(5.61)%
Agricultural	58	71	(18.77)%

Dollar Value of Construction in Kawartha Lakes (in millions)

Permits	2023	5 year average (2018-2022)	+/- vs. 5 year average
New Dwellings and Replacement Dwellings	142.1	126	12.78%
Residential (all other types)	30.7	29.3	4.78%
Commercial	22.8	4.8	375.00%
Industrial	12.7	11.8	7.63%
Institutional	4.7	14.5	(67.59)%
Agricultural	8.1	7.5	8.00%

Dwelling Type	2023
Singles (cottages included)	227
Semis	2
Towns	29
Apartments	0
Additional Residential Units (ARUs)	34
Total	292

Economic Profile

With an **expected growth of 117,000 people and 39,000 jobs by 2051**, Kawartha Lakes, located just 90 minutes northeast of Toronto, offers a variety of beautiful communities, 250 lakes and rivers, and dozens of charming towns that are nestled along 600 km of trails. **Kawartha Lakes is an exceptional place for the diverse mix of over 7,513 businesses that have established themselves and call it home.**

Kawartha Lakes boasts a robust labour force, supported by Fleming College Frost Campus with access to the Centre for Advancement of Water and Wastewater Technologies (CAWT) and the Centre for Innovative Aquaculture Production (CIAP). Additionally, the municipality benefits from the nearby Fleming College Sutherland and Haliburton Campuses, Trent University, Durham College, Ontario Tech University, and key industries such as agriculture, manufacturing, tourism, innovation, and culture, making it ripe with opportunity.

Population

(source: Economic analysis)

2021: **79,247**
2051: **117,000**

Median employment income:

Kawartha Lakes **\$41,373**
Ontario **\$43,942**

Participation rate:

Kawartha Lakes **57.7%**
Ontario **66%**

Statistics:

Top 5 sectors by industry (source: economic analysis)

Top 5 sectors by occupation (source: economic analysis)

Median age:

(source: Economic analysis)

Kawartha Lakes **49 years old**
Ontario **41 years old**

Unemployment rate:

Kawartha Lakes **5%**
Ontario **5.4%**

Number of jobs (2022):

27,675 (increase 1,124 between 2012-2022)

There are approximately **50% more workers in Kawartha Lakes** across industries and occupations compared to available jobs within the City of Kawartha Lakes.

This surplus of labour suggests that Kawartha Lakes provides a significant amount of labour to external communities to fulfill labour demands.

Number of businesses

(June 2023):

Total: **7,513**
1-9 employees: **1,703**
10-49 employees: **407**
50+ employees: **68**
Those without employees: **5,335**
Of businesses with at least one employee, **78.2%** had fewer than 10 employees.

Our Facilities:

Plans Relating to Growth

The City develops plans and completes reports and studies to improve and support the Kawartha Lakes community. These documents provide staff with specific goals and actions to achieve those goals.

All the following plans have also been reviewed and help inform the Budget. For a copy of each of the plans, please visit www.kawarthalakes.ca/plans.

Official Plan

The Official Plan identifies new housing, industry, building and retail that can be developed, identifies protected lands and assists in development of roads, watermains, sewers, parks and schools. The Official Plan also includes secondary plans for Bobcaygeon, Fenelon Falls, Lindsay, Omemee and Woodville.

Master Fire Plan

The Master Fire Plan for Kawartha Lakes Fire Rescue Service (KLFRS) reviews and identifies current and probable community fire risks and needs over the next 10 years. The plan examines and researches all aspects of KLFRS operations including planning, fire prevention, training and education, communications, apparatus and equipment, maintenance, human resources, station suitability (accommodations) and locations, budgets and large-scale emergency preparedness.

Lindsay Transit Master Plan

The Lindsay Transit Master Plan reviews and identifies improvements to service reliability and accessibility, expand transit's reach within the City where supported by a sound business case and identify alternatives to improve upon the existing routes and route network design. A 10 year transit asset management plan was also developed.

Public Library Strategic Plan

The Public Library Strategic Plan provides a road map to address the Library service requirements of residents by providing direction regarding facilities, services, programs, technology, staffing and resources to continue to meet future needs.

Municipal Accessibility Master Plan

The Municipal Accessibility Master Plan addresses the accessibility of services to help improve inclusion across the City benefiting all residents, visitors and employees.

Roads Depot Master Plan

The Roads Depot Master Plan reviews the current network design of Roads and Fleet Maintenance Depots and assesses their ability to meet the growing demand efficiently and effectively for services and legislative requirements over the next twenty-five years.

Housing and Homelessness Plan

The Housing and Homelessness Plan established priorities for housing and homelessness services based on targeted consultations and research. The Plan addresses the current and future housing needs.

2025 Capital Budget Overview

Expansionary and State-of-Good-Repair

A capital budget is a plan focused on investing in constructing new or maintaining existing infrastructure and assets in a state of good repair, to provide services to our residents for their safe use and enjoyment. The budget is used as financial communication of stakeholders' decision making on future strategy, priorities and constraints faced by the municipality. It is also used as a tool to help guide and manage the City's finances to align investment decisions with objectives, and with the needs of residents. This is subject to change depending on the economic environment, financial constraints and change of stakeholder priorities. The municipality is required by provincial law to balance its budget on an annual basis through adequate funding for operating and capital expenditures.

Capital projects consist of two categories:

Expansionary

Investment in new or existing capital assets that will benefit future and current residents of the City of Kawartha Lakes due to an increase in population size. For example, increased road network capacity that will benefit service delivery to current and future population.

State-of-Good-Repair

Investment in existing capital assets to maintain the current functionality, condition, life span and/or use. For example, rehabilitation of an existing pool to ensure it meets current standards and provides reliable service for the public to use.

Process Involved in Capital Budgeting

Gathering of Information and developing Budget Strategy: The current capital process begins where the prior cycle ends. Several components are considered:

- Council and legislation determine service levels
- Service strategies and asset management plans translate service levels into state-of-good-repair capital needs
- Service master plans and development charge studies translate service levels into growth-related capital needs
- Capital budgets implement long-term financial plans on an annual basis

During the year, organizational stakeholders gather critical information based on data driven evidence for needs assessment. This informs the capital budgeting cycle. Finance Executive and the Senior Management Team review the information derived from the components listed above and this information informs the annual capital budget strategy.

Update Long Term Financial Plan (LTFP): After gathering critical information and developing a budget strategy recommendation, an updated interim Long Term Financial Plan is presented to Council to ensure strategy and asset investments are aligned within the financial strategic direction. This step is historically completed in quarter 2 of the fiscal year prior to the development of the budget. In 2024, this has been done in alignment with the 2025 Capital Budget timelines. Long term financial plans match forecasted capital needs with financing strategies.

Deliver Strategy and Financial Plan: Finance Executive, Corporate Assets and stakeholders across the organization turn attention to delivering the strategy set in a financial plan. Project costing, budget, forecast development and project submissions including high level business cases are completed during this stage. This process requires intensive collaborative effort with constant feedback to ensure the budget allows departments to deliver on the City's commitments to residents while ensuring the plan is adhering to the guidance set in the strategy. Finance Executive oversees this work.

Capital Budget Trend

Tax-Supported Capital Budget Totals for 2018-2025

Asset Management Plan

In 2022, the City completed and approved the Asset Management Plan (AMP) for Core Assets. That plan assessed the state of the City’s core assets (state of infrastructure for roads, storm and water wastewater assets), how the City manages those core assets (life cycle strategies), how well those actions are working (service levels) and how much it will cost to maintain these core assets to provide City services (capital investment planning, forecasting, risk and funding gaps). The plan was prepared and adopted in accordance with Ontario Regulation 588/17, Asset Management Planning for Municipal Infrastructure (O. Reg. 588/17).

The City’s Asset Management Plan informed the development of this draft capital budget by identifying state of good repair capital investment needs based on asset condition and age, service levels, required lifecycle treatments and risk-criticality and priority measures. In June 2024, the City extended the Asset Management Plan to non-core assets such as facilities, landfills and parks. In June 2025 the City must submit a comprehensive Asset Management Plan to the Province.

2025 Significant Project Highlights

1. City Hall Campus Block Site Beautification

The City Hall Campus Block includes the Olde Gaol property, People Services Building and City Hall. This project will improve parking and traffic flow, provide pedestrian paths of travel, create an outdoor ceremony space and wedding ceremony/rental space and create green space buffers. The front entrance to City Hall will be given a better identity and wayfinding signage will be improved. This project aims to provide cohesion for the block as a whole through design to integrate the three properties.

Strategic Priority Alignment:

An Exceptional Quality of Life

- Maintain community hubs such as parks, buildings and active spaces for social, healthy interactions

Good Government

- Ensure municipal assets are well maintained and well managed

Timeline:

Step 1: Construction

(Spring 2025 to Fall 2025)

**Total Budget Requested:
\$510,000**

**Total Budget Requested 2025:
\$510,000**

Capital Financing:

Funding Source	2025
Debenture	\$124,000
Asset Management Reserve	\$386,000

2. New Affordable Housing — Murray Street Project, Fenelon Falls

This affordable housing project on Murray Street in Fenelon Falls features a 2-storey, 30-unit wood-frame building with 16 one-bedroom units (4 barrier free), 12 two-bedroom units and 2 three-bedroom units. The building will also feature a laundry room, a common area with a kitchen and service areas, and parking. This Kawartha Lakes-Haliburton Housing (KLH) project is a private public partnership with generous support from multiple municipal governments.

Timeline:

Step 1: Construction

(August 2024 to expected occupancy in December 2025)

Strategic Priority Alignment:

An Exceptional Quality of Life — Increase affordable and attainable housing

- Meet the targets outlined in our Municipal Housing Pledge
- Encourage intensification, and providing the full continuum of housing types, including ownership and purpose-built rentals

Construction site of 70 Murray Street, Fenelon Falls

3. Lindsay Trail System – Jennings Creek Development Area

This trail section is a major component in the initiative to connect Lindsay through a multi-use trail system (Lindsay Loop). This growth-related project will see the development of a formalized, natural trail within the woodlot area along Jennings Creek to connect Angeline St. N. to the Victoria Rail Trail Corridor (VRTC) and across the creek into Springdale Gardens.

Timeline:

Step 1: Prepare Request for Tender (RFT)

(February 2025 to March 2025)

Step 2: Release RFT, evaluate submissions, award project

(March 2025 to July 2025)

Step 3: Commence construction

(July 2025 to January 2026)

Step 4: Complete construction

(January 2026)

Strategic Priority Alignment:

A Healthy Environment

- Protect and preserve natural areas including greenspaces, waterways, parks, trails and farmland

An Exceptional Quality of Life

- Expand trails and active transportation to promote physical activity and a healthy lifestyle

**Total Budget Requested:
\$537,000**

**Total Budget Requested 2025:
\$537,000**

Capital Financing:

Funding Source	2025
DC Reserve	483,300
Asset Management Reserve	53,700

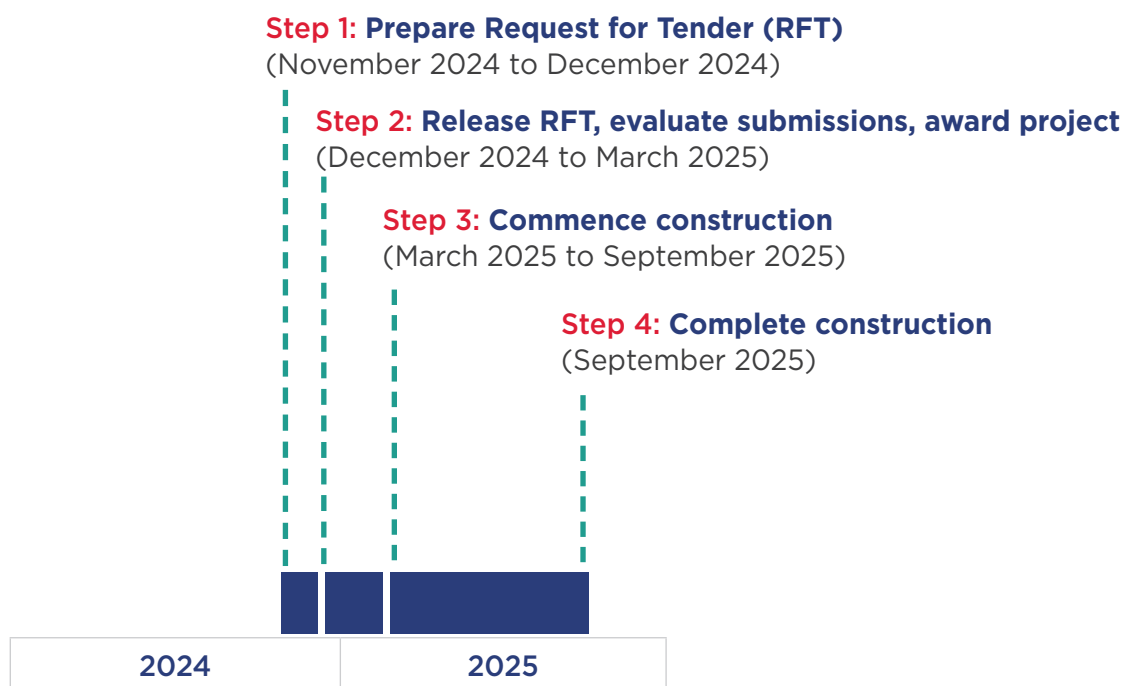

4. Omemee Arena Ice Pad System

This refurbishment project is to modernize the community centre using eco-friendly materials and energy-efficient design to minimize environmental impact. The infrastructure within the Emily-Omemee Community Centre, including the arena pad, boards and plant components, are well beyond the expected lifecycle and need to be replaced. Accessibility elements within this facility are also lacking and/or non-existent. Where possible this project will introduce or upgrade amenities to a more modern state, with accessibility and environmental efficiency in the forefront. This project has been given early-start approval.

Strategic Priority Alignment:

-  **Good Government**
 - Ensure municipal assets are well maintained and well managed
-  **A Vibrant and Growing Economy**
 - Promote Kawartha Lakes as a tourism destination
-  **An Exceptional Quality of Life**
 - Maintain community hubs such as parks, buildings and active spaces for social, healthy interactions

Timeline:

Total Budget Requested:
\$2,900,000

Total Budget Requested 2025:
\$2,900,000

Capital Financing:

Funding Source	2025
Debenture	2,900,000

5. Asphalt Resurfacing – City of Kawartha Lakes (CKL) Road 38

CKL Road 38 (Ski Hill Road) from Highway 7 to Highway 7A will receive asphalt resurfacing as part of the Urban/Arterial Resurfacing program in the 5-Year Roads Plan.

Strategic Priority Alignment:

Good Government

- Ensure municipal assets are well maintained and well managed
- Secure and advocate for provincial and federal government funding for municipal infrastructure and service delivery needs, and critical community infrastructure and project investments

A Vibrant and Growing Economy

- Optimize existing transportation infrastructure (roads, bridges, parking) while adopting and encouraging new transportation support infrastructure (cycling, EV chargers, ride share programs)

Timeline:

Step 1: Mobilization and Preparation

(May 15, 2025 to June 2, 2025)

Step 2: Full Depth Reclamation with Expanded Asphalt Stabilization

(June 2, 2025 to July 1, 2025)

Step 3: Surface Asphalt Placement

(July 1, 2025 to July 22, 2025)

Step 4: Restoration

(July 22, 2025 to August 5, 2025)

Total Budget Requested:
\$5,156,000

Total Budget Requested
2025: \$5,156,000

Capital Financing:

Funding Source	2025
Asset Management Reserve	403,000
Other Municipality/Owner	2,578,000
Haul Routes Reserve	1,100,000
CCBF Grant	1,075,000

6. Road Widening – Colborne Street West, Lindsay

Colborne Street West from Highway 35 to Charles Street will increase to 4 lanes including dedicated turn lanes at the intersections with Highway 35, McKay Avenue, and St. Joseph Road. This growth-related road upgrade was identified in the Transportation Master Plan and Development Charge Study for road widening and underground infrastructure upgrades.

Timeline:

Step 1: Tender/Request for Quotation (RFQ)
(January 1, 2025 to January 31, 2025)

Total Budget Requested:
\$6,200,000

Total Budget Requested 2025:
\$6,200,000

Strategic Priority Alignment:

Good Government

- Ensure municipal assets are well maintained and well managed

A Vibrant and Growing Economy

- Optimize existing transportation infrastructure (roads, bridges, parking) while adopting and encouraging new transportation support infrastructure (cycling, EV chargers, ride share programs)

Capital Financing:

Funding Source	2025
DC Reserve	4,960,000
Debenture	1,240,000

7. New Affordable Housing – Gull River Project, Minden

The Gull River affordable housing project in Minden is a two-storey new build of 35 residential units, 11 one-bedroom and 24 two-bedroom units in six six-plexes. This Kawartha Lakes-Haliburton Housing (KLH) project is a private public partnership with generous support from multiple municipal governments.

Timeline:

- Final site plan approval has been granted and a full building permit is imminent
- Construction start dependent on tender results and qualification for CMHC Affordable Housing Fund forgivable loan and low-cost financing

Strategic Priority Alignment:

An Exceptional Quality of Life – Increase affordable and attainable housing

- Meet the targets outlined in our Municipal Housing Pledge
- Encourage intensification, and providing the full continuum of housing types, including ownership and purpose-built rentals

8. Fire Service – Platform Aerial Truck

The Platform Aerial Truck provides an aerial ladder device that is mechanically operated and extendable and is designed to provide vertical reach for rapid response, ventilation, extinguishment and rescue operations. As identified in the Fire Master Plan and the Fire Modernization Review, the platform aerial truck is required to replace a recently retired unit. The aerial unit is critical for emergency response.

Timeline:

Step 1: Request for Information (RFI) or Request for Proposal (RFP)

(January 2025, end December 2025)

Strategic Priority Alignment:

Good Government

- Ensure municipal assets are well maintained and well managed

Total Budget Requested:
\$2,488,000

Total Budget Requested 2025:
\$2,488,000

Capital Financing:

Funding Source	2025
Debenture	2,488,000

9. Paramedic Service Headquarters and Fleet Centre

The Paramedic Service Headquarters and Fleet Centre will consolidate 7 of the existing 11 paramedic stations as well as serving as a backup facility for Police and Fire dispatch. The new facility will significantly enhance operational efficiency and provide the capacity needed to meet the projected long-term demand for ambulance services.

Strategic Priority Alignment:

A Vibrant and Growing Economy

- Improve and expand critical and transformational infrastructure

An Exceptional Quality of Life

- Support and expand innovative emergency service programs

Timeline:

Total Budget Requested:
\$50,000,000

Total Budget Requested 2025:
\$21,500,000

Capital Financing:

Funding Source	2025
DC Reserve	7,525,000
Debenture	13,402,500
Capital Contingency Reserve	572,500
Community Paramedic LTC Grant	200,000

10. Lake Dalrymple Bridge Replacement

The Lake Dalrymple Bridge located on Kirkfield Road north of Brechin Road is in need of replacement as per structural assessment.

Strategic Priority Alignment:

Good Government

- Ensure municipal assets are well maintained and well managed

A Vibrant and Growing Economy

- Optimize existing transportation infrastructure (roads, bridge, parking) while adopting and encouraging new transportation support infrastructure (cycling, EV chargers, ride share programs)

Timeline:

Step 1: Mobilization and Preparation

(May 1, 2025 to May 15, 2025)

Step 2: Road Works

(May 15, 2025 to July 15, 2025)

Step 3: Bridge Removal

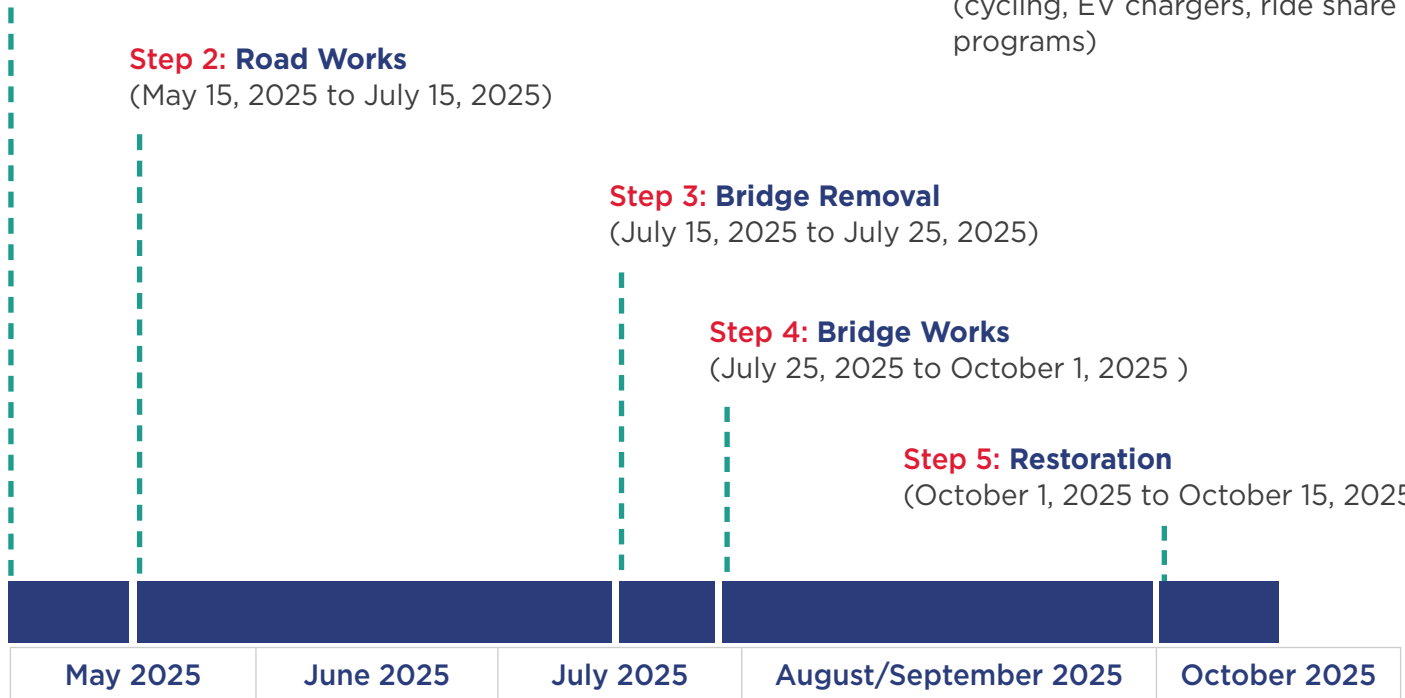

(July 15, 2025 to July 25, 2025)

Step 4: Bridge Works

(July 25, 2025 to October 1, 2025)

Step 5: Restoration

(October 1, 2025 to October 15, 2025)

Total Budget Requested:
\$4,760,000

Total Budget Requested 2025:
\$4,760,000

Capital Financing:

Funding Source	2025
Debenture	4,760,000

11. Resurfacing of City of Kawartha Lakes (CKL) Road 41

Replacement of culverts, ditching, base repair and resurfacing of CKL Road 41 from CKL Road 48 to CKL Road 45. This road has been identified as requiring a high frequency of maintenance so resurfacing is required.

Strategic Priority Alignment:

Good Government

- Ensure municipal assets are well maintained and well managed
- Secure and advocate for provincial and federal government funding for municipal infrastructure and service delivery needs, and critical community infrastructure and project investments

A Vibrant and Growing Economy

- Optimize existing transportation infrastructure (roads, bridges, parking) while adopting and encouraging new transportation support infrastructure (cycling, EV chargers, ride share programs)

Timeline:

Step 1: Prepwork

(May 2025 to June 2025)

Step 2: Resurfacing

(June 2025 to September 2025)

Total Budget Requested:
\$1,400,000

Total Budget Requested 2025:
\$700,000

Capital Financing:

Funding Source	2025
Asset Management Reserve	280,000
OCIF Grant	420,000

12. Somerville Landfill

The Somerville Landfill’s current active cell is expected to reach its operational capacity in 2026. A new cell is required to be constructed in 2025 to provide new capacity for continued landfill operations at this site.

Timeline:

Step 1: Construction

(June 2025 to September 2025)

Step 2: Contract Administration, Inspection and Staff Time

(June 2025 to September 2025)

Step 3: Contingency

(June 2025 to September 2025)

Total Budget Requested:
\$1,800,000.00

Total Budget Requested 2025:
\$1,800,000.00

Capital Financing:

Funding Source	2025
Debenture	\$1,800,000

Strategic Priority Alignment:

A Healthy Environment

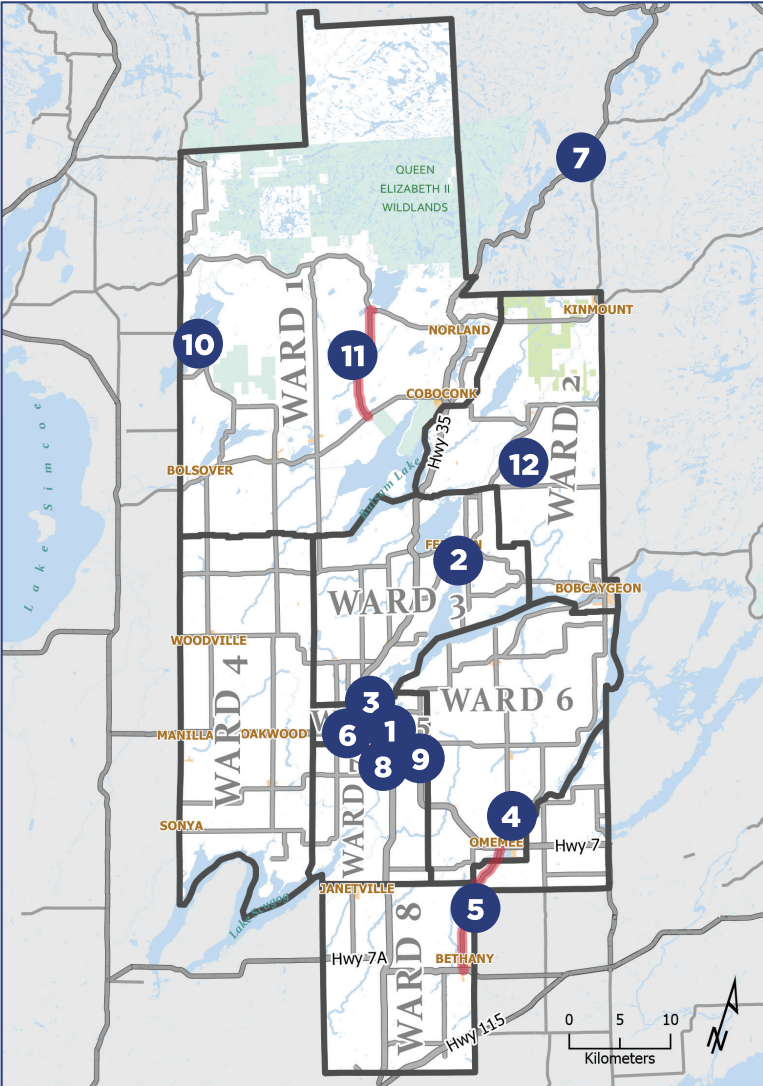

- Increase waste diversion and resource recovery

Good Government

- Ensure municipal assets are well maintained and well managed

2025 Significant Project Map

Project Name

- 1 City Hall Campus Block Site Beautification
- 2 New Affordable Housing - Murray Street Project, Fenelon Falls
- 3 Lindsay Trail System - Jennings Creek Development Area
- 4 Omemee Arena Ice Pad System
- 5 Asphalt Resurfacing - CKL Road 38
- 6 Road Widening - Colborne Street West, Lindsay
- 7 New Affordable Housing - Gull River Project, Minden
- 8 Fire Service - Platform Aerial Truck
- 9 Paramedic Service Headquarters and Fleet Centre
- 10 Lake Dalrymple Bridge Replacement
- 11 Resurfacing of CKL Road 41
- 12 Somerville Landfill

Financing Sources

Reserves and Reserve Funds are established through resolution of council, City By-Law or as a result of statute or legislation to provide funding flexibility, manage operations uncertainty, operations uncertainty, and ensure long term financial stability for the City. They play a key role in the municipality's finances and provide a strong indicator of our financial health.

The municipality's long term financial planning principle is to review the financial position of the Reserves and Reserve Funds on a regular basis to ensure appropriate levels and financial sustainability to support the Asset Management Plan. Staff will continue to inform and report to Council regularly on the adequacy of the municipality's Reserves and Reserve Funds.

Council continues to build capital sustainability to fund the annual capital budget through the dedicated capital levy. This dedicated capital levy is financed by cumulative tax increases of 1.5% per annum from 2022 to 2031.

Financing Sources Breakdown

Financing Sources Descriptions:

Tax Supported Reserves

Tax Supported Reserves are used to fund the renewal of existing assets of City-owned infrastructure or to acquire new assets for which growth funding sources are not available. Project examples include facilities, roads, parks assets, and replacement of fleet vehicles and equipment. These reserves are primarily funded by property taxes collected by the municipality from taxpayers of Kawartha Lakes.

These reserves are built up by the transfer of tax dollars through the Operating Budget.

The reserves that make up the tax supported category for the scope of capital budget financing are the following:

- Asset Management Reserve
- Fleet Reserves
- Capital Contingency Reserve

Reserve Funds

Water/Wastewater Rate Supported

These reserves are funded by user fees charged for the consumption of water and wastewater services. They are used to fund the renewal of capital assets such as water treatment plants, wastewater treatment plants, pumping stations, reservoirs, watermains and sanitary sewers.

Cash in Lieu of Parkland

This reserve funds the purchase of new parkland, park amenities and the revitalization of existing park assets. This revenue is collected from new development and is prescribed in its use is prescribed by the Planning Act.

Development Charges

Development charges are fees levied on development to recover the costs of growth-related capital needs. The Development Charges Reserve Fund is governed by legislation, and monies in can be spent only on eligible growth-related capital needs.

Other Reserves and Reserve Funds

Other reserves have sources of financing for specific purposes that were established to aid in financial stability for the municipality. Some reserves that fall into this category include:

- Tax Rate Stabilization
- Winter Control Stabilization

Canada Community Building Fund (CCBF)

This is a federal grant that trickles down to municipalities. The CCBF provides predictable, long-term, stable funding for Canadian municipalities to help build and revitalize public infrastructure while creating jobs and long-term prosperity.

There is flexibility for the municipality to select how this funding is allocated based upon 19 project categories: Public transit, wastewater infrastructure, drinking water, solid waste management, community energy systems, local roads and bridges, capacity building, highways, local and regional airports, short-line rail, short sea-shipping, disaster mitigation, broadband and connectivity, brownfield redevelopment, culture, tourism, sports, recreation and fire halls.

Other Financing Sources

There are financing sources provided by external parties that are either obligatory or discretionary. These revenue streams are provided due to legislative or contractual obligations. These include grants and recoveries.

2025 Tax Supported Capital Budget

Proposed 2025 Tax-Supported Capital Expenditure

Total 2025 Capital Expenditure: **\$127,596,000**

Proposed 2025 Tax-Supported Capital Financing

Total 2025 Capital Financing: **\$127,596,000**

9992501 Supplementary Information for Multiyear Capital Projects

Ongoing and new multiyear capital projects, collected into a single program to ensure consistent project numbering and effective project monitoring over time.

JDE ID	Project	Scope, Source and or Rationale
953230301	Olde Gaol Museum Envelope	Restoration of stone, brick, chimney, stairs etc.; multiyear 2023-2032 for \$4,000,000 total.
938240101	Paramedic Headquarters and Fleet Centre	Consolidation and expansion of facility space as per Paramedic Master Plan; multiyear 2024-2026 for \$50,000,000 total.
953240113	Oakwood Library Envelope	Restoration of brick, stairs and other facility envelope elements; multiyear 2024-2025 for \$520,000 total.
950240125	Centennial Trailer Park Roads, Electrical Systems and Docks	Construction of roadways, upgrade of electrical systems, replacement of docks; multiyear 2024-2026 for \$760,000 total.
953250116	Omeme Service Centre and Coronation Hall Envelope	Restoration of the facility's envelope with attention given to heritage features; multiyear 2025-2026 for \$920,000 total.
953250117	Fenelon Falls Library	Renovation and upgrade of library interior; multiyear 2025-2026 for \$600,000 total.
938250209	Ambulances (6)	Clustered replacement resetting asset lifecycles to address supply chain delays; multiyear 2025-2026 for \$1,920,000 total.
938250210	Ambulance and Equipment (1)	Growth-related acquisition aligned with clustered replacement strategy; multiyear 2025-2026 for \$570,000 total.
910250120	Murray St. Housing (Fenelon Falls)	Construction of social housing as per Housing Master Plan; multiyear 2025-2026 for \$12,200,000 total.
910250121	Highway 35 Housing (Minden)	Construction of social housing as per Housing Master Plan; multiyear 2025-2026 for \$17,000,000 total.
983250425	CKL Rd. 41 - CKL Rd. 48 to CKL Rd. 45	Resurfacing due to premature asset failure; multiyear 2025-2026 for \$1,400,000 total.

9832501 Bridges and Culverts

Construction, rehabilitation, replacement and upgrade of bridges, major culverts and similar structures. Based on legislated structural assessments, Transportation Master Plan, AMP and other sources.

JDE ID	Project	Primary Treatment/Activity	Primary Type	DC Share	Expenditure	Financing from Asset Management Reserve	Financing from DC Reserve	Financing from Debenture	Financing from CCBF Grant	Financing from OCIF Grant	Financing Total

9832501 Supplementary Information for Bridges and Culverts

JDE ID	Project	Scope, Source and or Rationale
983250101	Mustang Road Bridge (B100033)	Design for replacement as per structural assessment.
983250102	Kinnear's (Fenel Road) Bridge (B300020)	Design for replacement as per structural assessment.
983250103	Main Street Bridges (B100025 and B100034)	Design for rehabilitation as per structural assessment.
983250104	King Street Bridge Expansion Joints (B100018)	Design and replacement of expansion joints due to premature asset failure.
983250105	Chisolm Trail Bridge (B06715)	Replacement as per structural assessment.
983250106	Lake Dalrymple Bridge (B06535)	Replacement as per structural assessment.
983250107	Elm Tree Road Bridge (B100021)	Rehabilitation due to premature asset failure.
983250108	Various Non-Structural Bridge Components	Repairs to various non-structural bridge components not performed by Public Works.
983250109	Fingerboard Road Culvert (C300051)	Design for replacement as per structural assessment.
983250110	Mark Road Culvert (C300044)	Design for replacement as per structural assessment.
983250111	Hunter Street Culvert (C90032)	Design for replacement as per structural assessment.
983250112	Somerville 3rd Concession Bridge	EA and design for construction as per Fenelon Falls Second Crossing EA.

9832502 Urban/Rural Reconstruction

Reconstruction of roadways, typically in settlement areas, including upgrades to urbanize road right-of-ways and support growth and development. Based on 5-Year Roads Capital Plan, Transportation Master Plan, AMP and other sources.

9832502 Supplementary Information for Urban/Rural Reconstruction

JDE ID	Project	Scope, Source and or Rationale
983250201	Victoria Ave. - Kent St. to Peel St.	Design for reconstruction as per Downtown Parking Strategy and to complement recent downtown Lindsay reconstruction.
983250202	Kent St. - Victoria Ave. to Jane St.	Design for reconstruction to facilitate cast iron watermain grant and to complement future improvements to Kent St. from Angeline St. to Highway 35.
983250203	Bradley St. and Bob Brown Way (All Sections)	Design for reconstruction as per 5-Year Roads Capital Plan and AMP.
983250204	Bobcaygeon Roads Bound by Front, Head, Duke and Main Streets	Design for reconstruction as per 5-Year Roads Capital Plan, AMP and DC Study.
983250205	Dunn St. - Balaclava St. to CKL Rd. 49	Design for reconstruction as per 5-Year Roads Capital Plan, AMP and DC Study.
983250206	Elliot St. - CKL Rd. 121 to Clifton St.	Design for reconstruction as per 5-Year Roads Capital Plan, AMP and DC Study.
983250207	Canal St. - Sherwood St. to CKL Rd. 36	Reconstruction as per 5-Year Roads Capital Plan, AMP and DC Study.
983250208	Glenelg St. - Lindsay St. to Victoria Ave.	Reconstruction as per 5-Year Roads Capital Plan, AMP and DC Study and to facilitate cast iron watermain grant.
983250209	Pottinger St. - Victoria Ave. to West End	Reconstruction as per 5-Year Roads Capital Plan, AMP and DC Study and to facilitate cast iron watermain grant.
983250210	Colborne St. - Highway 35 to Charles St.	Reconstruction and expansion as per Transportation Master Plan and DC Study.
983250211	Colborne St./Angeline St. Intersection	Reconstruction and expansion as per Transportation Master Plan and DC Study.
983250212	Helen St./Duke St. Intersection	Improvement aligned with traffic signal installation and as per Transportation Master Plan and DC Study.
983250213	Somerville 3rd Concession - Highway 35 to CKL Rd. 121	Environmental Assessment (EA) and design for reconstruction and expansion as per Fenelon Falls Second Crossing EA.
983250214	Westlake Ct. - Cameron Rd. to South End	Construction due to default of developer; partial cost recovery from developer's securities.
983250215	Birch Cres. - Cedartree Ln. to Cedartree Ln.	Construction due to default of developer; partial cost recovery from developer's securities.

9832503 Urban/Arterial Resurfacing

Resurfacing and upgrade of urban, collector and arterial roadways. Based on 5-Year Roads Capital Plan, AMP and other sources.

JDE ID	Project	Primary Treatment/Activity	Primary Type	DC Share	Expenditure	Financing from Asset Management Reserve	Financing from DC Reserve	Financing from Other/Municipality	Financing from Other Municipality/Owner	Financing from Haul Reserve	Financing from CCBF Grant	Financing Total

9972501 Supplementary Information for Landfill Siteworks and Facilities

JDE ID	Project	Scope, Source and or Rationale
997250101	North Mariposa Landfill Cover	Final cover rehabilitation as per regulatory requirements.
997250102	Fenelon Landfill Weigh Scale	Weigh scale is in disrepair and in need of replacement.
997250103	Lindsay St. N. Landfill Leachate Collection Electrical System	Upgrades required to maintain electrical system functionality.
997250104	Laxton Landfill Cover	Final cover rehabilitation as per regulatory requirements.
997250105	Somerville Landfill Cell 2D	Expansion required for continuity of service.

9972502 Landfill Equipment

Acquisition, rehabilitation, replacement and upgrade of non-fleet landfill equipment. Based on Integrated Waste Management Strategy, AMP and other sources.

JDE ID	Project	Primary Treatment/Activity	Primary Type	DC Share	Expenditure	Financing from Asset Management Reserve	Financing from DC Reserve	Financing Total
997250201	None for 2025							
Total								-

9972502 Supplementary Information for Landfill Equipment

JDE ID	Project	Scope, Source and or Rationale
997250201	None for 2025	

9912501 Roads, Fleet and Transit Facilities

Construction, rehabilitation, renovation, replacement and upgrade of roads, fleet and transit facilities and related siteworks. Based on Roads Operations Master Plan, Transit Master Plan, AMP and other sources.

JDE ID	Project	Primary Treatment/Activity	Primary Type	DC Share	Expenditure	Financing from Asset Management Reserve	Financing from DC Reserve	Financing from Capital Contingency Reserve	Financing Total
991250101	Coboconk Fleet Depot Hoist and Related Equipment	Replacement	State-of-Good-Repair	0	200,000	189,800	0	10,200	200,000
991250102	Fuel Tanks at Various Roads Operations Depots	Installation	Expansionary	0	410,000	410,000	0	0	410,000
Total				0	610,000	599,800	0	10,200	610,000

9912501 Supplementary Information for Roads, Fleet and Transit Facilities

JDE ID	Project	Scope, Source and or Rationale
991250101	Coboconk Fleet Depot Hoist and Related Equipment	Equipment is in need of replacement to maintain functionality.
991250102	Fuel Tanks at Various Roads Operations Depots	Installation of fuel tanks at various roads operations depots to improve fuel availability and attain efficiencies in fleet operations.

9942501 Transit Siteworks

Installation, rehabilitation, replacement and upgrade of transit stops, shelters and related siteworks. Based on Transit Master Plan, AMP and other sources.

JDE ID	Project	Primary Treatment/Activity	Primary Type	DC Share	Expenditure	Financing from Asset Management Reserve	Financing from DC Reserve	Financing Total
994250101	None for 2025							
Total								-

9942501 Supplementary Information for Transit Siteworks

JDE ID	Project	Scope, Source and or Rationale
994250101	None for 2025	

9942502 Public Works Fleet

Acquisition, rehabilitation, replacement and upgrade of fleet equipment managed by the Fleet and Transit Division. Based on Fleet Policy, AMP and other sources.

JDE ID	Project	Primary Treatment/Activity	Primary Type	DC Share	Expenditure	Financing from Asset Management Reserve	Financing from DC Reserve	Financing from Public Works Fleet Reserve	Financing from Building Reserve	Financing from ICIP Grant	Financing Total

9322502 Supplementary Information for Fire Fleet and Equipment

JDE ID	Project	Scope, Source and or Rationale
932250201	Platform Aerial Truck	Replacement of aerial truck removed from the Asset Management Plan by Council as per CR2019-048.
932250202	Pumper Truck	Replacement as per lifecycle and shuttle insurance rating needs.
932250203	Tanker Truck	Replacement as per lifecycle and shuttle insurance rating needs.
932250204	Pickup Truck	Replacement as per lifecycle needs.
932250205	Extrication Equipment	Replacement and upgrade of extrication equipment; growth-related need.
932250206	Bunker Gear and Helmets	Lifecycle replacement of bunker gear and helmets to meet legislated and NFPA standards.
932250207	Miscellaneous Fire Equipment	Lifecycle replacement of fire hoses, saws, axes, pike poles and similar fire equipment.
932250208	Polar 75 Ice Water Equipment	Lifecycle replacement of polar 75 ice water rescue platforms.
932250209	Portable Pumps	Lifecycle replacement of portable pumps used for fire suppression.
932250210	Telecommunications Equipment	Lifecycle replacement of pagers, mobile radios and similar telecommunications equipment.
932250211	Defibrillators	Lifecycle replacement of various defibrillators.
932250212	Pickup Trucks (2)	Acquisition to support new positions.
932250213	SUV	Acquisition to support new positions.
932250214	ATV Equipment	Equipment, such as wildland firefighting pumps, wheeled stretchers etc. needed to respond to emergencies.
932250215	Decontamination Equipment	Ongoing acquisitions to address risk to health and safety.
932250216	Marine Equipment	Equipment, such as water rescue suits, underwater search equipment etc. needed to respond to emergencies.

9382501 Paramedic Facilities

Construction, rehabilitation, renovation, replacement and upgrade of Paramedic Service facilities and related components and siteworks. Based on Paramedic Service Master Plan, AMP and other sources.

JDE ID	Project	Primary Treatment/Activity	Primary Type	DC Share	Expenditure	Financing from Asset Management Reserve	Financing from DC Reserve	Financing Total
938250101	None for 2025

2025 Special Projects Budget

Special Projects Overview

The special projects budget was initiated in 2020 to accommodate operating projects that take more than one year to complete.

Special projects typically encompass studies, plans and strategies, appeals and other significant operating initiatives that are one-time in nature and do not result in the acquisition or improvement of capital assets.

The 2025 transfer to Special Projects Reserve in this Operating Budget is \$3 Million.

2025 Special Projects Summary

2025 Special Projects Budget

Special projects are specific and distinct tax-supported operating initiatives that are typically (i) not capitalizable into a tangible asset owned by the City, (ii) more than one year in duration, and (iii) best budgeted and managed in a manner similar to the approach taken with capital projects.

2025 Operating Budget Overview

Overview

What is an Operating Budget?

The City creates an operating budget to plan for the day-to-day service delivery that residents rely on, such as road repair, winter snow plowing, fire rescue services, parks maintenance, etc.

The Municipal Act stipulates that municipalities cannot budget for a deficit. This makes the annual budgeting process important to ensure services and initiatives are planned and carried out in a financially responsible manner. A component of this Operating Budget, slightly more than \$17.4 Million, includes a transfer to the Asset Management reserve to finance the Capital Budget.

It is important to note that \$27 Million of this budget is raised for the school board and the municipality submits this amount directly to them (15% of the 2024 tax levy).

Strategic Staffing Investments

Preparing for Growth and Sustainability

As a municipal public service provider, our almost 1500 employees are critical in delivering all of the local services and programs our residents rely on. At the same time, we are facing unprecedented forecasted growth for the next several years. We are committed to retaining, attracting and expanding our talent base through ongoing, affordable and sustainable investments in our people.

We are targeting our immediate investments in growth readiness and response, affordable housing, emergency services and preparedness, and community health, safety and well-being. Recent and ongoing collective bargaining with our unions have resulted in newly ratified contracts, reflecting our collective commitment to fair compensation and workplace stability for employees. These contracts balance fiscal responsibility with competitive wages and benefits, ensuring municipality services are maintained, and growth pressures are managed.

The gross salaries, wages and benefits in the 2025 Budget is \$109.7 Million. This represents 40% of the City's overall Operating Budget.

2025 Operating Budget

Corporate Items Overview

Corporate Items Revenues

Tax Revenues

Tax Revenue is comprised of General tax levy, Area Rate tax levy, Infrastructure levy and Supplemental tax levies. The municipality generates approximately 60% of revenue to fund operations from property taxes. Property taxes are separated into two segments:

- General levy is applied to all municipal tax properties and
- Area rate levies are applied to those properties benefiting from the service. These include: policing and transit.

Supplementary property taxes are budgeted based upon projected new assessments for new building and development, as well as, improvements to property or changes in the use of the land that were unknown at the final 2023 Assessment Roll in December.

The 2025 Dedicated Infrastructure levy is \$4.3 Million. This levy supports the transfer to the Asset Management Reserve contribution of \$17.4 Million.

School Board Taxation

A portion of every taxpayer's tax bill includes an amount for School Board Taxation. The Provincial government sets the rate and the municipality collects the money from taxpayers and remits the amounts collected to the School Board.

Grants

Two major grants are received in the Corporate Items area.

Grants	Actual 2023	Budget 2024	Proposed Budget 2025	% Change from 2024 Budget
The Ontario Municipal Partnership Fund (OMPF)	\$7,638,000	\$7,555,200	\$7,938,000	5.07%
Aggregate Resources	\$985,034	\$990,500	\$1,000,000	0.96%

Ontario Municipal Partnership Fund (OMPF)

The OMPF Grant is the Province's main unconditional transfer payment to Municipalities. The fund has been redesigned and has five core components:

Assessment Equalization Grant – Provides funding to Municipalities with limited property assessment.

Northern Communities Grant – Provides funding to all northern Municipalities in recognition of their unique challenges.

Rural Communities Grant – Provides funding to rural Municipalities, to rural farming communities, in recognition of their unique challenges.

Northern and Rural Fiscal Circumstances Grant - Provides additional, targeted funding to northern and rural Municipalities based on their fiscal circumstances.

Transitional Assistance - Ensures a guaranteed level of support to Municipalities based on their 2015 OMPF allocation.

The City has not received confirmation from the Ministry of the 2025 allocation. An estimate of \$8 Million has been included in this draft budget.

Aggregate Resources Fee

The City of Kawartha Lakes receives an annual levy from The Ontario Aggregate Resources Corporation (TOARC) based upon tonnes extracted from the Municipality in the amount of 12 cents per tonne. This fund aids in cost recovery of road repairs resulting from wear on the haul routes. The Aggregate fees received are transferred to the City Capital Contingency Reserve and utilized as a funding source for road repairs and maintenance on these haul routes.

Interest Income

As part of strong fiscal management practices, cash is invested in short and long term investments such as Guaranteed Investment Certificates and Bank bonds. The municipality's investment policy adheres to the guidelines of the Municipal Act. The Bank of Canada has been significantly reducing interest rates in 2024 and rate adjustments may continue in 2025. At the time of writing this document, the interest rate is at 3.75%, down from 5% at the end of 2023. Interest income is estimated to be \$3.1 Million.

Interest Income	Actual 2023	Budget 2024	Proposed Budget 2025	% Change from 2024 Budget
	\$3,198,811	\$4,600,000	\$3,100,000	(32.61%)

Corporate Items Expenditures

There are three expenditure areas included in Corporate Expenditures: Debenture Principal and Interest Payments, The Municipal Property Assessment Corporation (MPAC) Fees and General Expenditures category for miscellaneous one-time costs that are not applicable to a specific program area.

Debenture Principle and Interest Repayment

The City utilizes debenture financing for major capital projects. Increases in debt impact the Operating tax support required to fund infrastructure projects identified in the Long-Term Financial Plan. The 2025 debt repayment is greater than the 2024 budget by approximately \$300,000, and therefore, \$179,004 in Debenture Stabilization reserve funding has been utilized to mitigate this increase.

The 2024 ending balance in the Debenture Stabilization Reserve will be approximately just over \$260,000 for utilization in future years.

The Municipal Property Assessment Corporation (MPAC)

MPAC provides assessment services to all Municipalities in Ontario. The cost of the service is based on the Municipality's proportion of the MPAC budget. This is an annual mandatory charge, outside the control of the Municipality to influence.

General Expenditures

Miscellaneous one-time costs that are known during budget development and are not applicable to a specific program area.

Inter-Functional Adjustments

Interfunctional adjustments address two outcomes.

Firstly, they transfer costs between departments, where one department/division is providing support to another department/division, ie. fleet charges. The second outcome for interfunctional adjustments is to allocate tax supported administrative and corporate costs to departments that have an alternate source of funding other than tax, ie. grant funding.

The costs associated with supporting these divisions (i.e. People Services, Information Technology, etc.) are allocated through an interfunctional adjustment to optimize these alternate funding sources.

The remaining funds are allocated outside of the tax supported operating budget to:

- Water and Wastewater budget
- Kawartha Lakes Haliburton Housing Corporation
- Capital fund
- Trust fund
- Legacy C.H.E.S.T. fund

Capital Tax Levy

As stated earlier in this document, the capital program is funded by tax support through an annual reserve transfer. The transfer to the Asset Management Reserve has increased to approximately \$17.4 Million in 2025 to fund the City's Long Term Financial Plan.

Transfer to Reserve

The reserve items are made up of transfers to the Capital, Contingency and Haul Route Reserves. The reserve budget in 2024 continues to support the City's long-term strategy to build up reserves. The 2024 Transfer to Reserve is comprised of the following:

- Asset Management Reserve \$14.7 Million
- Capital Contingency Reserve - Haul Route almost \$1 Million
- Capital Contingency Reserve - Affordable Housing \$500,000
- Capital Contingency Reserve - Uncommitted \$500,000
- Fenelon Powerlink Reserve \$230,000
- Public Works Fleet Reserve \$6.3 Million
- Fire Services Fleet Reserve \$2.3 Million

These reserves allow flexibility in the approved budget and to finance any unforeseen needs.

Mayor and Council

Who?

As a single-tier municipality, Kawartha Lakes is governed by City Council consisting of the Mayor and one councillor from each of the City's eight wards. Residents elect members of Council to serve four-year terms in office. Council elects a Deputy Mayor each year.

What?

Council makes decisions to help ensure the services offered by the municipality meet the needs of the community. Council annually adopts the municipal budget to ensure the fiscal balance of the municipality, allocating appropriate resources and services to meet the needs of the community. Council establishes and approves policy to guide municipal operations and administration, and establishes service levels.

How?

Council governs the municipality, deciding on by-laws and policies that deal with issues concerning the community and act as stewards for their ward and constituents. To ensure accountability and transparency, Council meetings are open to the public and live streamed on YouTube.

Structure

Organization Chart

2024 Accomplishments

- Approved the consolidated Rural Zoning By-Law which replaced outdated standards and regulations between areas
- Approved the Kawartha Lakes 2024-2027 Strategic Plan which sets the direction for the municipality
- Invested in Primary Care Services, including After-Hours Clinics to ensure continued access for municipal residents
- Hosted the International Plowing Match and Rural Expo promoting Kawartha Lakes as a great place to live, work and play
- Established a Roads Task Force and a Budget Committee providing Council involvement and oversight for these areas
- Enacted Secondary Plans for Bobcaygeon, Fenelon Falls, Omemee and Lindsay

2025 Priorities

- Expansion of public transportation with connection to GO Transit
- Completion of the Summit Wellness Centre in Coboconk, a hub for community health and community space for northern Kawartha Lakes
- Develop and implement the municipality's Climate Change Strategy
- Continue implementing the Community Safety and Well-Being Plan
- Complete and implement the City's Growth Management Strategy (GMS) and supporting Servicing and Transportation Master Plans

Chief Administrative Officer (CAO)

Who?

The Office of the Chief of Administrative Officer (CAO) is comprised of the CAO and administration staff, Office of the City Clerk, Municipal Law Enforcement and Licensing and Legal Services.

What?

The CAO provides overall direction to staff, leads the senior management team, and is responsible to Council for the efficient management of the municipal administration.

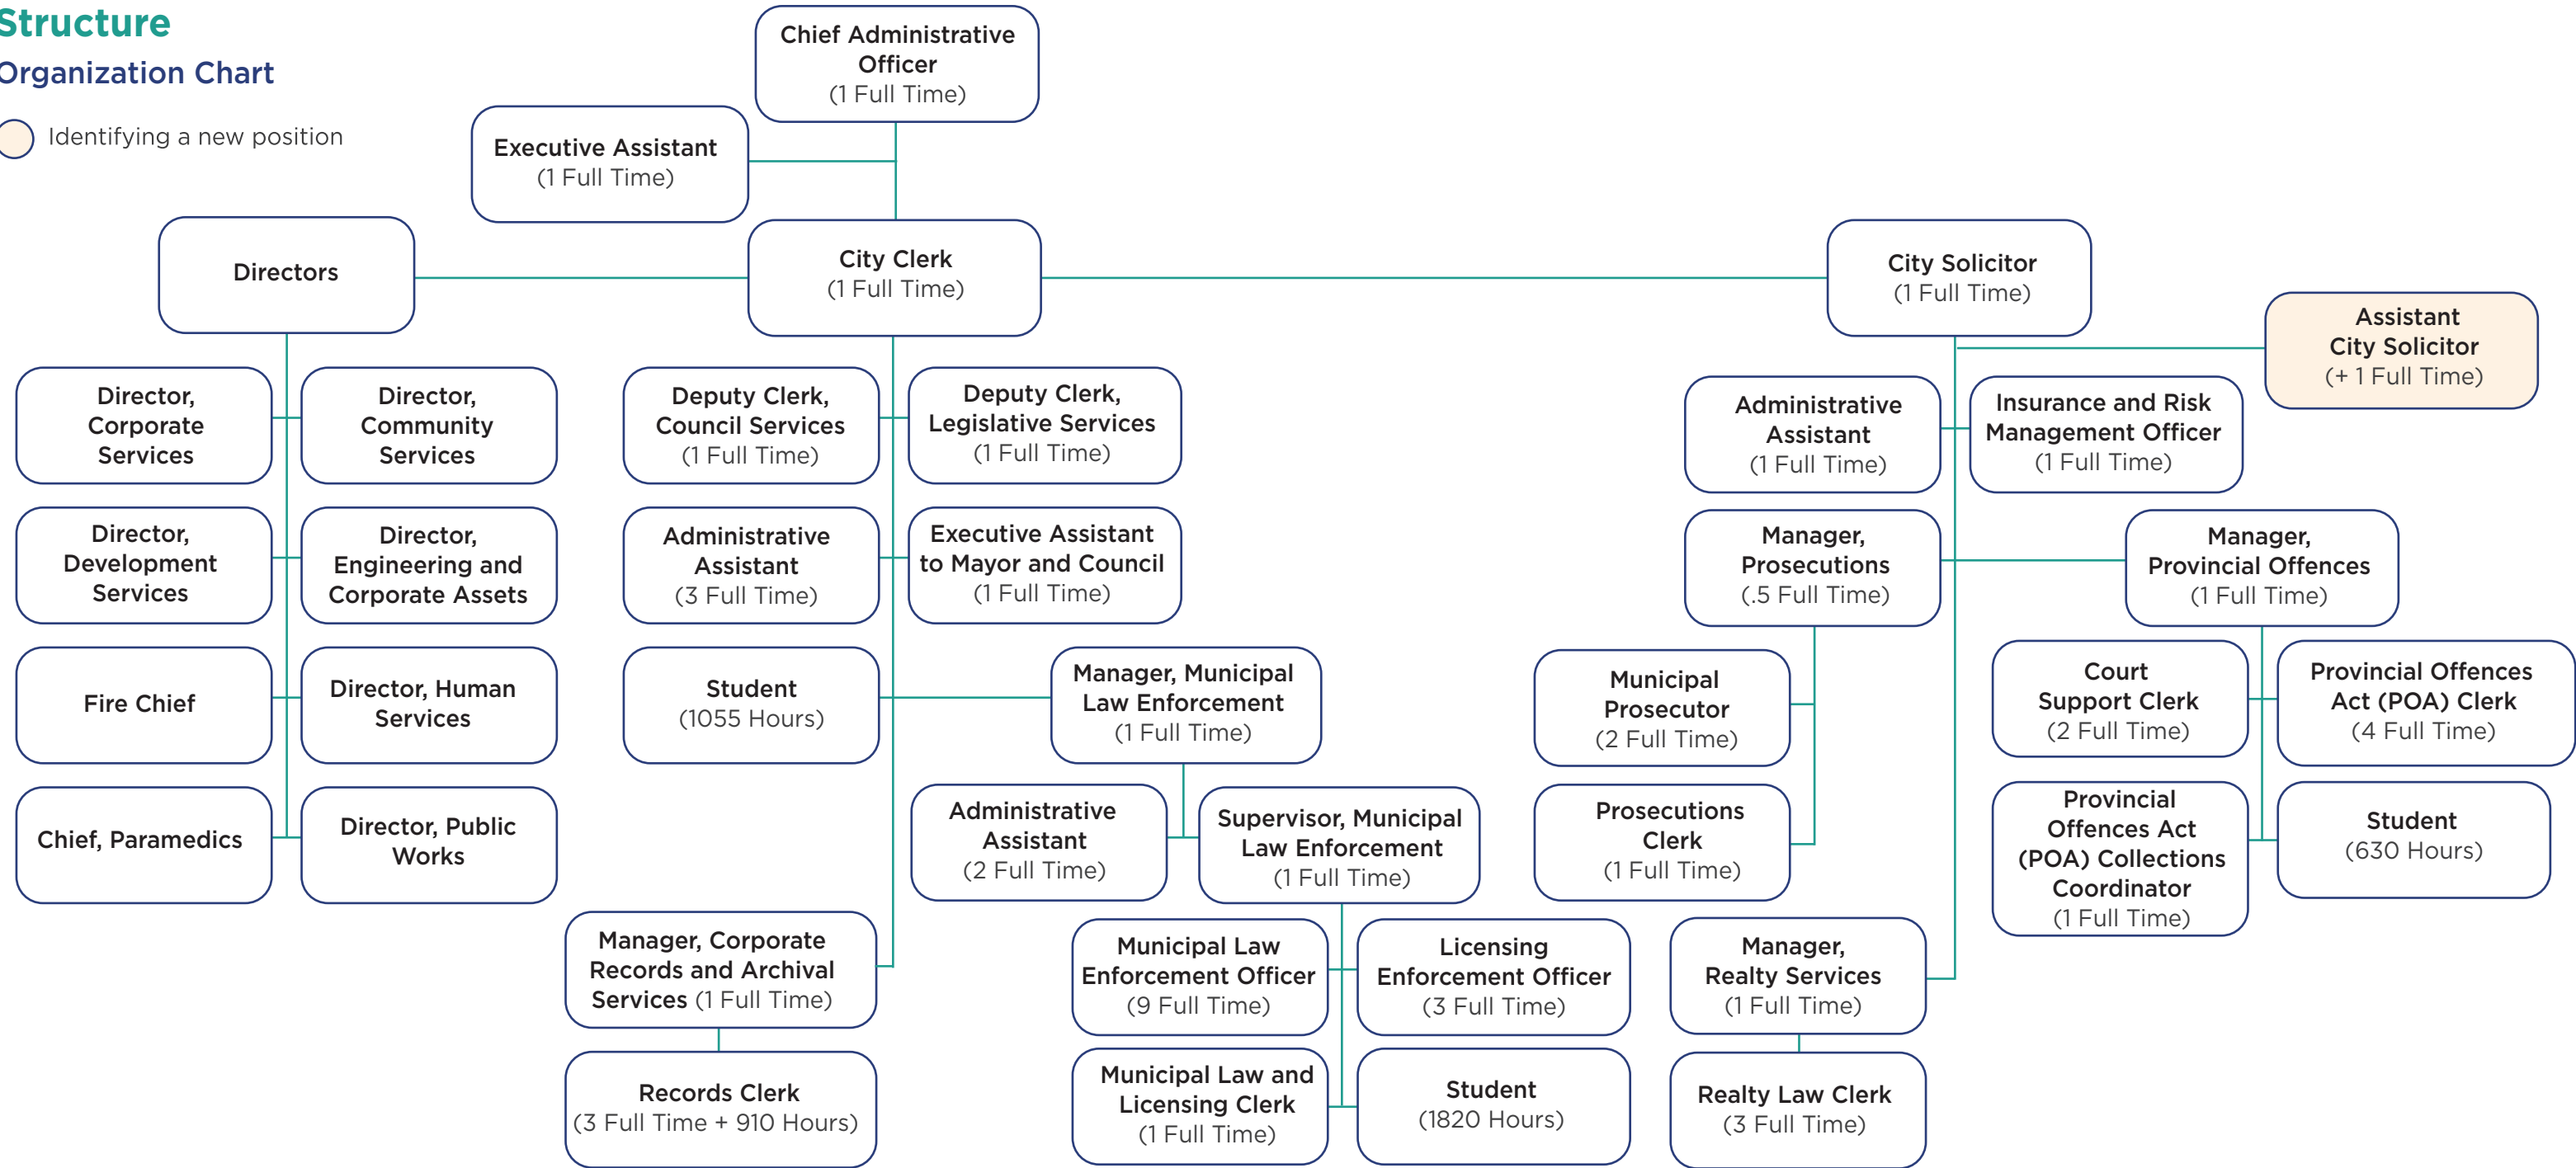

How?

The Office of the CAO provides advice to Council, leadership to senior staff and the municipality's departments, ensuring compliance with legislation.

Administration Division

Overview

Provides support across the various functions under the CAO's Office, performing the administrative activities and procedures necessary for the Department's operational needs. Serves as liaison between City Council and the City's administration, and acts as a City ambassador and liaison to upper levels of government, external partners and stakeholders

2024 Accomplishments

- Development and Council approval of the Kawartha Lakes 2024-2027 Strategic Plan, setting the direction for the municipality for the next four years
- Developed the City's Housing Pledge implementation plan to realize the municipality's housing supply target of 6500 new homes by 2031

2025 Priorities

- Review of the Council policies for this term of Council
- Preparation and planning for the 25 Anniversary of the City of Kawartha Lakes (January 1, 2026)
- Advance Strategic Plan priorities, with members of the Senior Management Team, in the areas of: Long Term Financial Plan and Asset Management, Customer Experience and Digital Transformation, and Municipal Housing Pledge

Legal Services Division

Overview

Provides legal advice and support to Departments and Council on various municipal legal matters. The Legal Services Division also consists of the Provincial Offences Administration (POA) Office, Realty Services and Insurance & Risk Management.

2024 Accomplishments

- Approval of by-law amendments to support pollinator habitat encouraging a healthy environment
- Secondary Plans for Lindsay and Fenelon Falls in force and effect, establishing land use for those communities
- Creation of Standard Operating Procedures as part of a comprehensive Provincial Offences Administration training manual
- Generated \$636,480.01 in revenue from the sale of land that was declared surplus to municipal needs
- Assisted with improvements to the road network by correcting title errors respecting municipal roads and acquiring land for road improvements
- Completed property appraisals for both asset management and insurance purposes
- Conducted a Cyber risk management exercise and training on the identified risks and controls

2025 Priorities

- Approval of Tree Protection By-laws to protect and enhance our tree canopy
- Introduction of environmental considerations into the land sale disposition process, to ensure that environmentally sensitive land is held by the municipality for the benefit of the public for the long term
- Creation of Standard Operating Procedures for the Realty Services Division to ensure efficient operations

Office of the City Clerk Division

Overview

Responsible for all statutory duties sanctioned by the Province of Ontario including the management of City records and archives, responding to requests made under the Municipal Freedom of Information and Protection of Privacy Act, registration of Vital Statistics and administration of Provincially legislated programs and services. The City Clerk acts as the Secretariat to Council and its Committees, the Returning Officer for Municipal Elections, and as the Signing Officer for the municipality.

2024 Accomplishments

- Modernized and implemented electronic processes to streamline workflows
- Initiated planning and preparations for the 2026 Municipal Election and for the 25th Anniversary of the City of Kawartha Lakes (January 1, 2026)
- Completed the Digitization Strategy, Municipal Art Collection Policy and Replevin Report and Plan for repatriation of records for First Nation communities
- Provided resources on the Records and Archives page on the municipal website for finding municipal records and archives

2025 Priorities

- Coordination of the annual Policy Review, audit of by-laws for retention and relevance, and increasing electronic document access for Council members
- Continuing preparations for the 2026 Municipal Election and for 25th Anniversary of City of Kawartha Lakes (January 1, 2026)
- Implementation of software for the management of physical records management to begin the Predecessor Municipality Records Project
- Develop user guides and training for Gimmel Physical Records Management

Municipal Law Enforcement and Licensing Division

Overview

Provides investigation and law enforcement services for all divisions of the Corporation. The Municipal Law Enforcement and Licensing services include administration and enforcement of many of the regulatory municipal by-laws and certain Provincial statutes. These include municipal licensing, property standards, zoning, animal control, noise, parking control and alteration of grade.

2024 Accomplishments

- Completed By-law, policy, and process reviews including the Short Term Rentals process, Grade Alteration By-law and Clean and Clear By-law)
- Increased officer presence on the Victoria Rail Trail Corridor (VRTC), and foot patrols in downtowns such as Bobcaygeon and Fenelon Falls to provide a more visible presence.
- Full Short Term Rental licensing program implementation and enforcement

2025 Priorities

- Licensing and enforcement focus on Short Term Rentals program, with updates to the policy and process. Short Term Rental program shift to tourism and promotion of licensed Short Term Rentals in our municipality.
- By-law, policy, and process reviews including Alcohol and Gaming Commission of Ontario (AGCO) liquor licensing, lotteries, special events and Municipal Events
- Expansion of the municipal drone program including pilot training and licence renewals
- Review of the downtown parking program in partnership with the Lindsay Downtown Business Improvement Association (BIA)
- Level of Service Review of Animal Pound Services, which will include animal housing options, medical care, TNRM (trap, neuter and release, colony management), and feral cat policy. This review may result in program adjustments and efficiencies.

Fire Rescue Service

Who?

Kawartha Lakes Fire Rescue is a composite department with both full-time and volunteer firefighters. The headquarters in Lindsay has a full-time crew 24/7 and all other stations are manned by part-time/volunteer personnel. There are 20 full-time and over 350 part-time/volunteer personnel.

What?

Kawartha Lakes Fire Rescue has 19 stations strategically placed across Kawartha Lakes providing emergency response. The Fire Prevention division reduces fire loss, injuries and deaths by utilizing fire prevention and public education, and code and standards enforcement. Emergency Management identifies potential risks and establishes plans for mitigation and response.

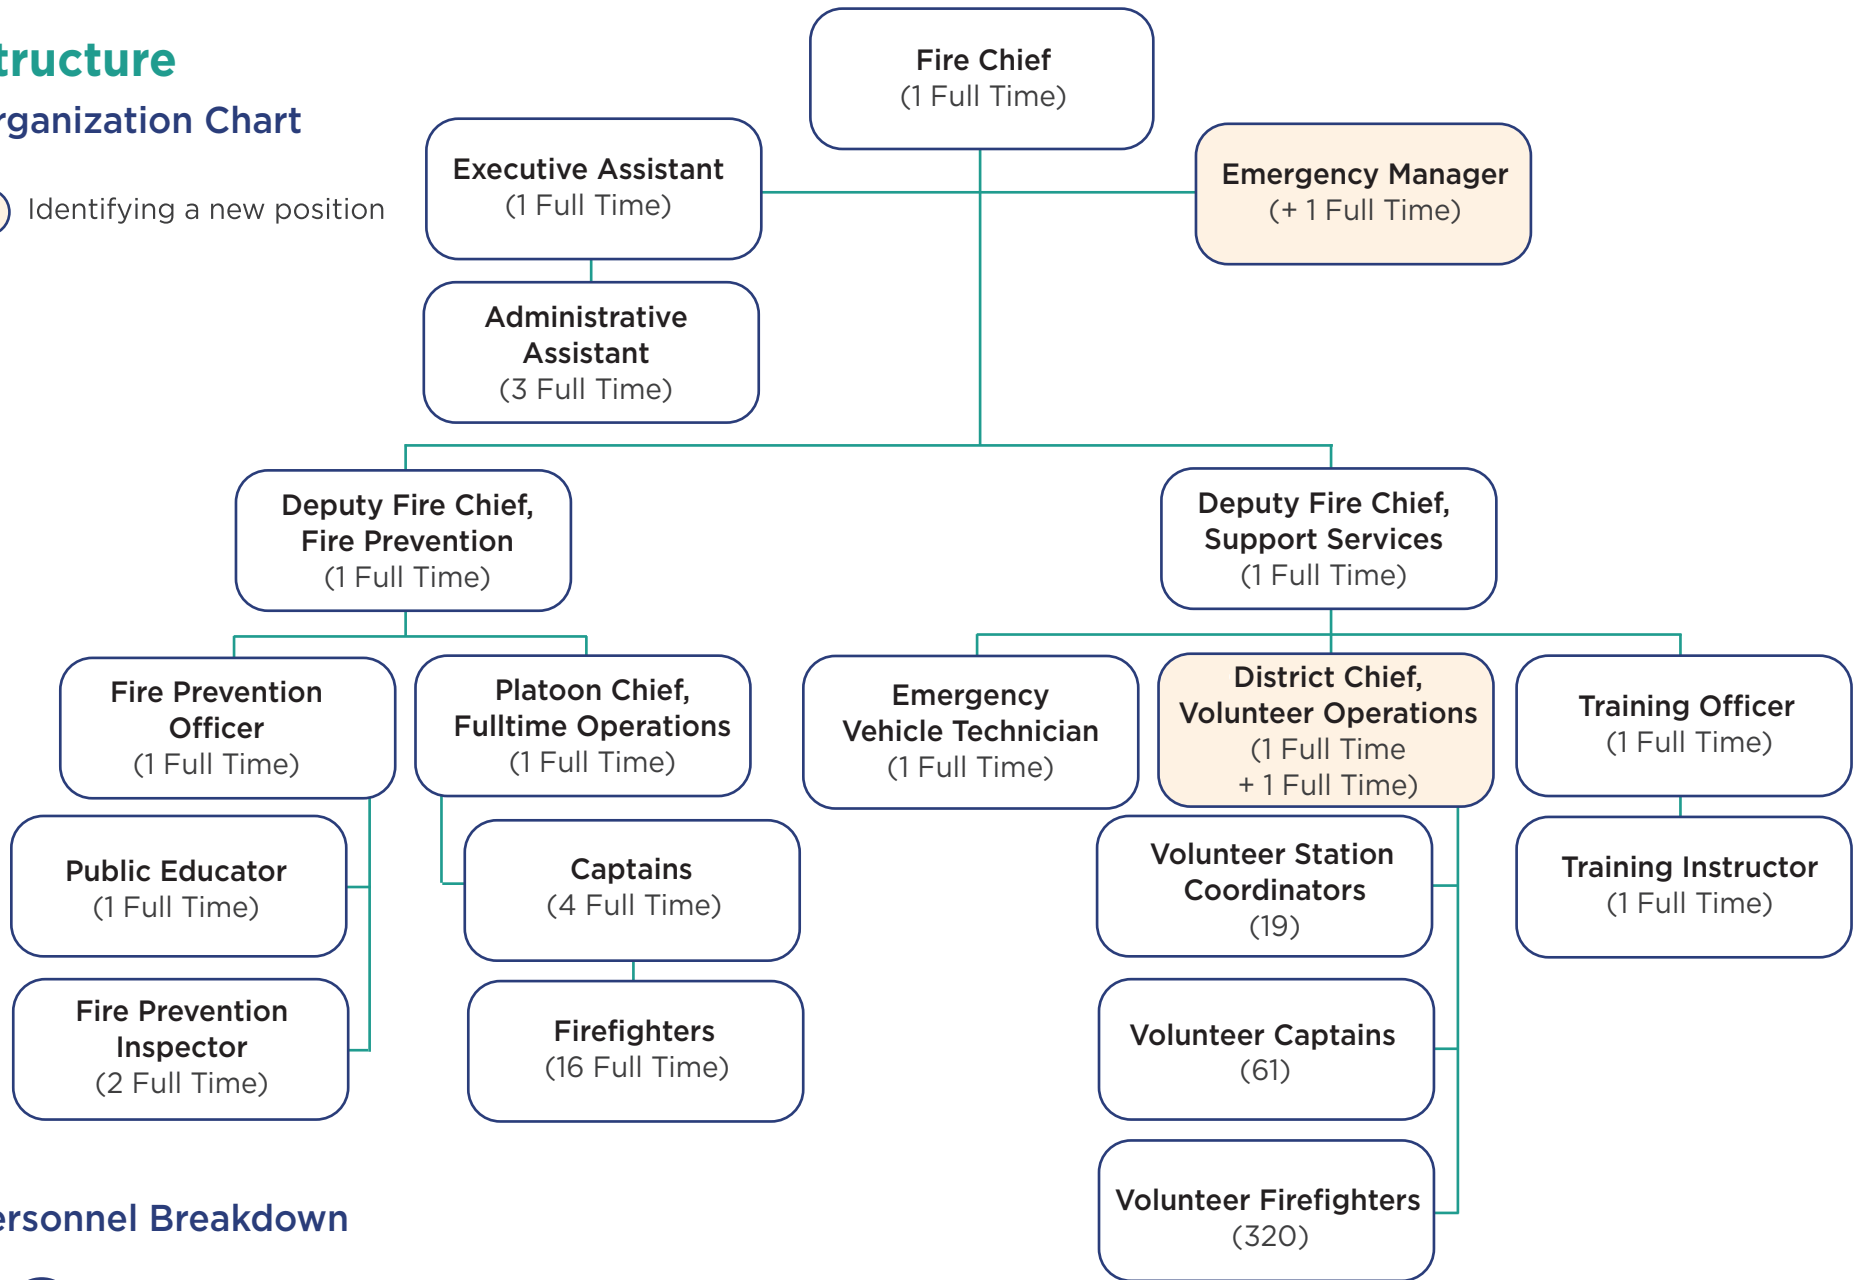

How?

Kawartha Lakes Fire Rescue covers all of Kawartha Lakes and works closely with neighbouring municipalities, including Scugog, Trent Lakes and Minden Hills, to respond to emergency calls. Ongoing training and fleet maintenance ensures firefighters are ready and able to respond when needed.

Administration

Overview

The Fire Rescue Service Administration division provides overall leadership, direction and planning for Fire Rescue Services ensuring department compliance to the Fire Protection and Prevention Act and the Emergency Management and Civil Protection Act.

2024 Accomplishments

- Implemented the Cityworks Public Access Portal to provide a streamlined digital process for obtaining Fire Service permits
- Completed first Fire Service Annual report highlighting call volume, types of responses, public education programs and inspections completed
- Updated Fire Service Establishing and Regulating Bylaw to ensure that the department operates within a structured, efficient, and legally compliant framework

2025 Priorities

- Complete required renovations to Fire Stations as outlined in the Master Fire Plan
- Complete five Fire Station Building Condition Assessments to update and prioritize the Fire Station 10-year capital plan
- Review Fire Service dispatch and communications system technological components to modernize and improve efficiencies
- Undertake collective bargaining with Fulltime Firefighters Local 1701

Training Division

Overview

The Training Division is responsible for the development and implementation of Firefighter training programs and supports all divisions within the Kawartha Lakes Fire Rescue Service.

2024 Accomplishments

- Hired full-time Training Instructor to facilitate the ongoing training and certification of 18 full time firefighters, 334 volunteer firefighters and 4 full time fire prevention and public education staff
- Conducted live fire training through use of the Office of the Fire Marshals mobile live fire training unit
- Completed 2 Volunteer Firefighter recruit classes and promoted and trained 12 new Volunteer Firefighter Captains

2025 Priorities

- Continue Firefighter certification. Ontario Regulation 343/22 Firefighter Certification, made under the Fire Protection and Prevention Act, 1997 requires all Firefighters to be certified in Ontario by July 1, 2026.
- Develop and implement training for ATV's, Marine units and high-rise buildings to ensure effective response in these scenarios

Fire Prevention

Overview

Fire Prevention Division reduces fire loss, injuries and deaths by utilizing the first two lines of defense - fire prevention and public education and code and standards enforcement. All activities within this service area are legislatively mandated by the Fire Protection and Prevention Act.

2024 Accomplishments

- Reinstated the Smoke Alarm Program and proactive inspection of buildings within downtown cores
- Completed Community Risk Assessment to identify potential areas of risk to public safety in our community
- Delivered fire safety lessons to all Grade 1 students in Kawartha Lakes schools - 871 grade 1 students across 35 classes in Kawartha Lakes. Each class received a 30 minute fire safety lesson followed by a 30 minute fire truck tour.

2025 Priorities

- Develop and implement inspection programming based on the risks identified in the Community Risk Assessment
- Work with the Geographical Information Systems (GIS) division to create a fire tracking system to identify high risk areas for smoke alarm program prioritization
- Modernize records management to allow for efficient storage and retrieval of corporate records

Fire Suppression Services

Overview

Fire Suppression Services are responsible for the mitigation of all emergency and non-emergency responses involving risk to life and property in the City of Kawartha Lakes.

2024 Accomplishments

- Expanded full-time firefighter complement to comply with NFPA guidelines and the Master Fire Plan
- Completed recruitment and onboarding of 60 Volunteer Firefighters to ensure effective response
- Completed firefighter certification for 197 firefighters

2025 Priorities

- Training staff and putting into service new Fire apparatus arriving in 2025
- Onboard two Volunteer Firefighter recruit classes to ensure consistent staffing levels

Paramedic Service

Who?

Kawartha Lakes Paramedic Service employs a team of full-time and part-time Primary and Advanced Care Paramedics, as well as a network of support staff who oversee management, administration, and logistics.

What?

The service operates a fleet of ambulances, emergency response units, community paramedic vehicles, and support vehicles. Paramedics respond to 911 calls throughout the community, providing critical emergency medical care. Additionally, Kawartha Lakes Paramedics deliver various community outreach and education programs aimed at proactively addressing healthcare needs and enhancing safety and independence for all residents.

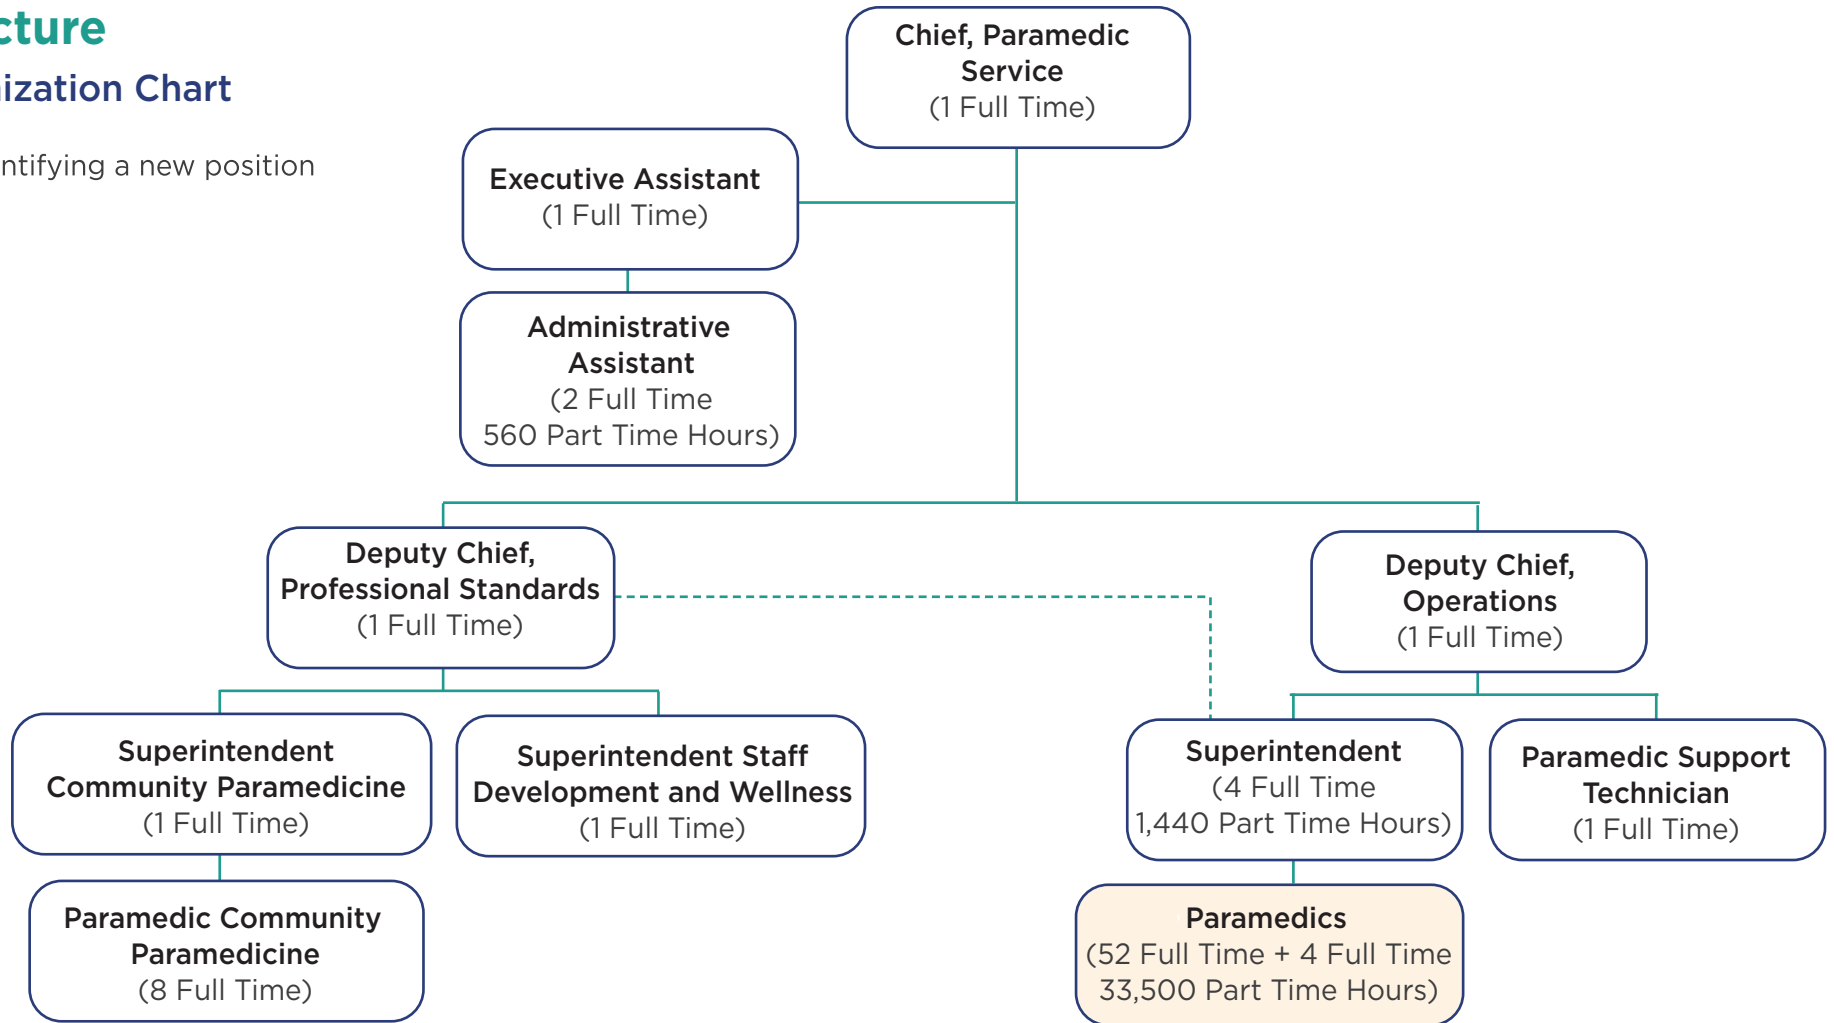

How?

Paramedics are deployed from various locations throughout the community such as Lindsay, Fenelon Falls, Bobcaygeon, Pontypool, Coboconk, and Oakwood to ensure timely and efficient medical response. The team works collaboratively to deliver high-quality emergency care, while managing the logistics and administration needed to keep operations running smoothly.

2024 Accomplishments

Administration

- Substantially completed the design of the new Paramedic Service Headquarters and Fleet Centre to prepare for construction in 2025.
- Improved and streamlined workflows by mapping division processes and integrating time clocks to enhance efficiency.
- Successfully secured an additional \$268,761 in funding for the Land Ambulance Service Grant and \$195,000 for the Dedicated Offload Nurse Program, demonstrating effective advocacy and support for these critical services.

Professional Standard

- Provided staff education and deployment for the Public Safety Radio Network (PSRN) project and the External Violence Against Paramedics (EVAP) Program.
- Launched a Patient Experience Survey, leading to improved performance metrics for the Paramedic Service.
- Expanded Community Paramedicine initiatives to better serve vulnerable populations, including partnering with local community outreach clinics to support homeless and at-risk individuals. This collaboration enhances access to essential healthcare services for those in need and strengthens community support networks.

Operations

- Onboarded four new paramedics to address the increased call volume and maintain service quality.
- Implemented Mobile Computer Aided Dispatch (MCAD), enabling a bidirectional information feed between dispatch and ambulances for improved communication and coordination.
- Successfully planned and provided medical support for the 2024 International Plowing Match, ensuring safety and readiness at the event.

2025 Priorities

- Commence construction on Paramedic Service Headquarters and Fleet Centre.
- Provide comprehensive staff training and deploy the Medical Priority Dispatch System (MPDS) ensuring that emergency resources are used effectively.
- Bargain new Collective Agreement for OPSEU Local 371.
- Advocate for and strategize to secure ongoing funding for Community Paramedic and Dedicated Offload Nurse Programming.

Administration Division

Overview

Provides support across the various functions of Corporate Services, performing the administrative activities and procedures necessary for the Department's operational needs.

2024 Accomplishments

- Development and implementation of standard process mapping and documentation through Prime BPM, our central repository for processes
- Interim Status update on the City's Long Term Financial Plan to measure the municipality's fiscal health and predict future needs
- Appointment of Budget Committee to oversee and guide the annual budget process
- Modernization and standardization of operating budgeting reports and presentations creating a consistent approach to corporate budgeting

2025 Priorities

- Develop additional content to meet criteria set out by Government Finance Officers Association (GFOA) and capture 80% of overall criteria for Distinguished Budget Presentation Award
- Review of Corporate Policies and management directives to streamline and reduce volume

People Services Division

Overview

Responsible for recruitment, learning and development, employee benefits, abilities management, employee/labour relations, compensation management, payroll and health and safety.

2024 Accomplishments

- Commenced learning opportunities as part of the Leadership Excellence priority from the People Services Strategy; 81% of leaders have attended at least one of the sessions; 53% have attended multiple sessions
- Launched Knowledge Leap, our centralized corporate learning site that currently houses over 40 learning topics
- Commenced implementation of the position control module to streamline and coordinate the approach for the establishment, monitoring and control of all organizational positions
- Approval of the Accessibility Master Plan which outlines the accessibility initiatives of the municipality from 2024-2029
- Refreshed the Accessibility Buildings and Outdoor Spaces Management Directive to align with provincial standards, and associated Facility Accessibility Design Standards (FADS)
- Negotiated 4 renewal collective agreements incorporating a focus on attraction and retention

2025 Priorities

- Review and refresh People Strategy priorities for the next four years
- Review employee focused technology solutions (Human Resources Information System) to assist with payroll, performance, learning and planning and develop a plan for implementation
- Implement a revised job description framework in partnership with CUPE 855
- Perform workforce needs analysis as part of the municipality's Long Term Financial Plan

Communications, Advertising and Marketing Division

Overview

Provides strategic communications, marketing and media relations to increase public awareness and engagement with City programs and services.

2024 Accomplishments

- Approval of the 2024-2027 Corporate Communications Strategy
- Launched municipal Instagram account to create content that resonates with a younger audience than other social media platforms
- Delivered seasonal printed newsletters to provide municipal information to all homes, businesses and farms in Kawartha Lakes

2025 Priorities

- Redesign and launch of new municipal, tourism and library websites to leverage the latest technology to meet user demand
- Develop a Public Engagement Framework to be adopted by Council that will set expectations for levels of engagement with the public
- Increase public uptake in Corporate Communication channels including growth in social media audience, subscriptions to corporate news/events and number of participants in the Jump In, Kawartha Lakes engagement community

Information Technology Division

Overview

The Information Technology (IT) division maintains digital systems and infrastructure, delivers client support services, and provides leadership in project management and business analysis to enable and extend technology. IT empowers the organization to leverage data analytics, reporting and Geographic Information Systems (GIS) expertise to enhance operational efficiency and informed decision-making.

2024 Accomplishments

- Completion of the migration of SharePoint to SharePoint Online, a cloud-based platform providing easy access
- Developed a cyber security road map and governance for the organization
- Modernized the Geographic Information System (GIS) to provide up to date, accurate, spatial information including Next Generation 9-1-1 roads and addressing data model
- Launched two customer citizen portal projects for Fire Burn Permits and Public Works Permits which have seen 900 permits received through the digital process to date
- Delivered JDE Governance Road Map and completed system upgrade to the Scanman invoicing system, including multiple system integrations for automating financial reconciliation
- Initiated the Fibre Optic infrastructure project for Colborne Street East supporting internal access to city data

2025 Priorities

- Continue digital transformation by providing customer citizen portal options for Building and Septic and Licensing services
- Facilitate digital transformation for mobile work in the field for Paramedics, Fire, Fleet and Roads operations
- Select and implement an application tracking system in support of recruitment for People Services
- Establish technical data administration program to improve service delivery in Public Works and Engineering and Corporate Assets
- Expand Lindsay Fibre Optic project to support internal access to municipal data and provide connectivity for new building projects
- Develop a five year IT Strategic Plan and road map
- Create a GIS Roads database system that provides up to date, accurate information on our municipal road network

Treasury Division

Overview

Oversees investment and debt management, financial accounting, inventory, cost accounting, accounts payable, purchasing, audit and financial statement compilation and presentation.

2024 Accomplishments

- Evaluated internal processes and identify improvements
- Implemented Expense Management and Document Imaging updates to digitize and streamline processes
- Created consistent standardized corporate financial reporting
- Commenced Finance Modernization Review

2025 Priorities

- Continue finance modernization initiatives to leverage digital transformation opportunities
- Development of the new Long Term Financial Plan 2025 to 2035 including a Reserve Strategy and Policy, and a Debenture Strategy and Policy

Revenue and Taxation Division

Revenue and Taxation provides quality, timely, accessible and accurate billing, collection and payment processing for municipal property taxes, water/wastewater, as well as other revenue generating services, to support City programs and services.

2024 Accomplishments

- Water Meter Replacement Program completed in Bobcaygeon, Fenelon Falls and progressing in Lindsay. A total of 2,795 water meters have been replaced, representing a 64% success rate
- Pilot project for Advanced Metering Infrastructure (AMI) launched providing the ability to read water meters remotely for the Lindsay area
- Commenced a standardization of cash receipting and cash handling across the municipality ensuring compliance to financial controls
- Geo-located water curb stops providing an up-to-date inventory of this critical infrastructure - 20% completed

2025 Priorities

- Continue the Water Meter Replacement project in Lindsay adding the Lindsay South zone of 1,530 water meters
- Operationalize Remote Water Read program to improve Customer “real time” usage data with a phased approach to capture data for 8,675 customers
- Discovery for software replacement for taxes and utility billing to provide digital transformation
- Strengthen collaboration with Municipal Property Assessment Corporation (MPAC) to promote timely capture of assessment changes on properties. This ensures assessment is current and minimizes number of retroactive tax bills to be issued to the customer

Strategy and Innovation Division

Overview

Implements and reports on the Strategic Plan, including scorecards and alignment across the organization; an independent internal consultant and project manager for the City of Kawartha Lakes to lead and support continuous improvement.

2024 Accomplishments

- Development of key performance indicators for customer service in five departments as part of the Deputy Mayor's Customer Service initiative
- Established PRIME BPM as the central repository for processes for the municipality
- Held 9 focus group workshops to better understand the gaps and opportunities for internal communications and engagement
- Make It Better training including the development of a Lean White Belt certification course on Knowledge Leap and certification of 12 Lean Yellow Belts
- Developed data collection plans to support Strategic Plan reporting

2025 Priorities

- Expansion of Make it Better training to provide lean tools and methodology for continuous improvement across the organization
- Project support for digital transformation initiatives to remove manual work and streamline processes
- Develop service profiles and establish key performance indicators for all divisions to support strategic plan initiatives and the budget process

Development Services

Who?

Development Services consists of three Divisions: Building and Septic, Economic Development and Planning. The department is also responsible for the administration and coordination of a number of municipal committees and boards.

What?

The Department provides leadership, guidance and direction to services contributing to economic vibrancy, development, growth, construction and renovation in Kawartha Lakes.

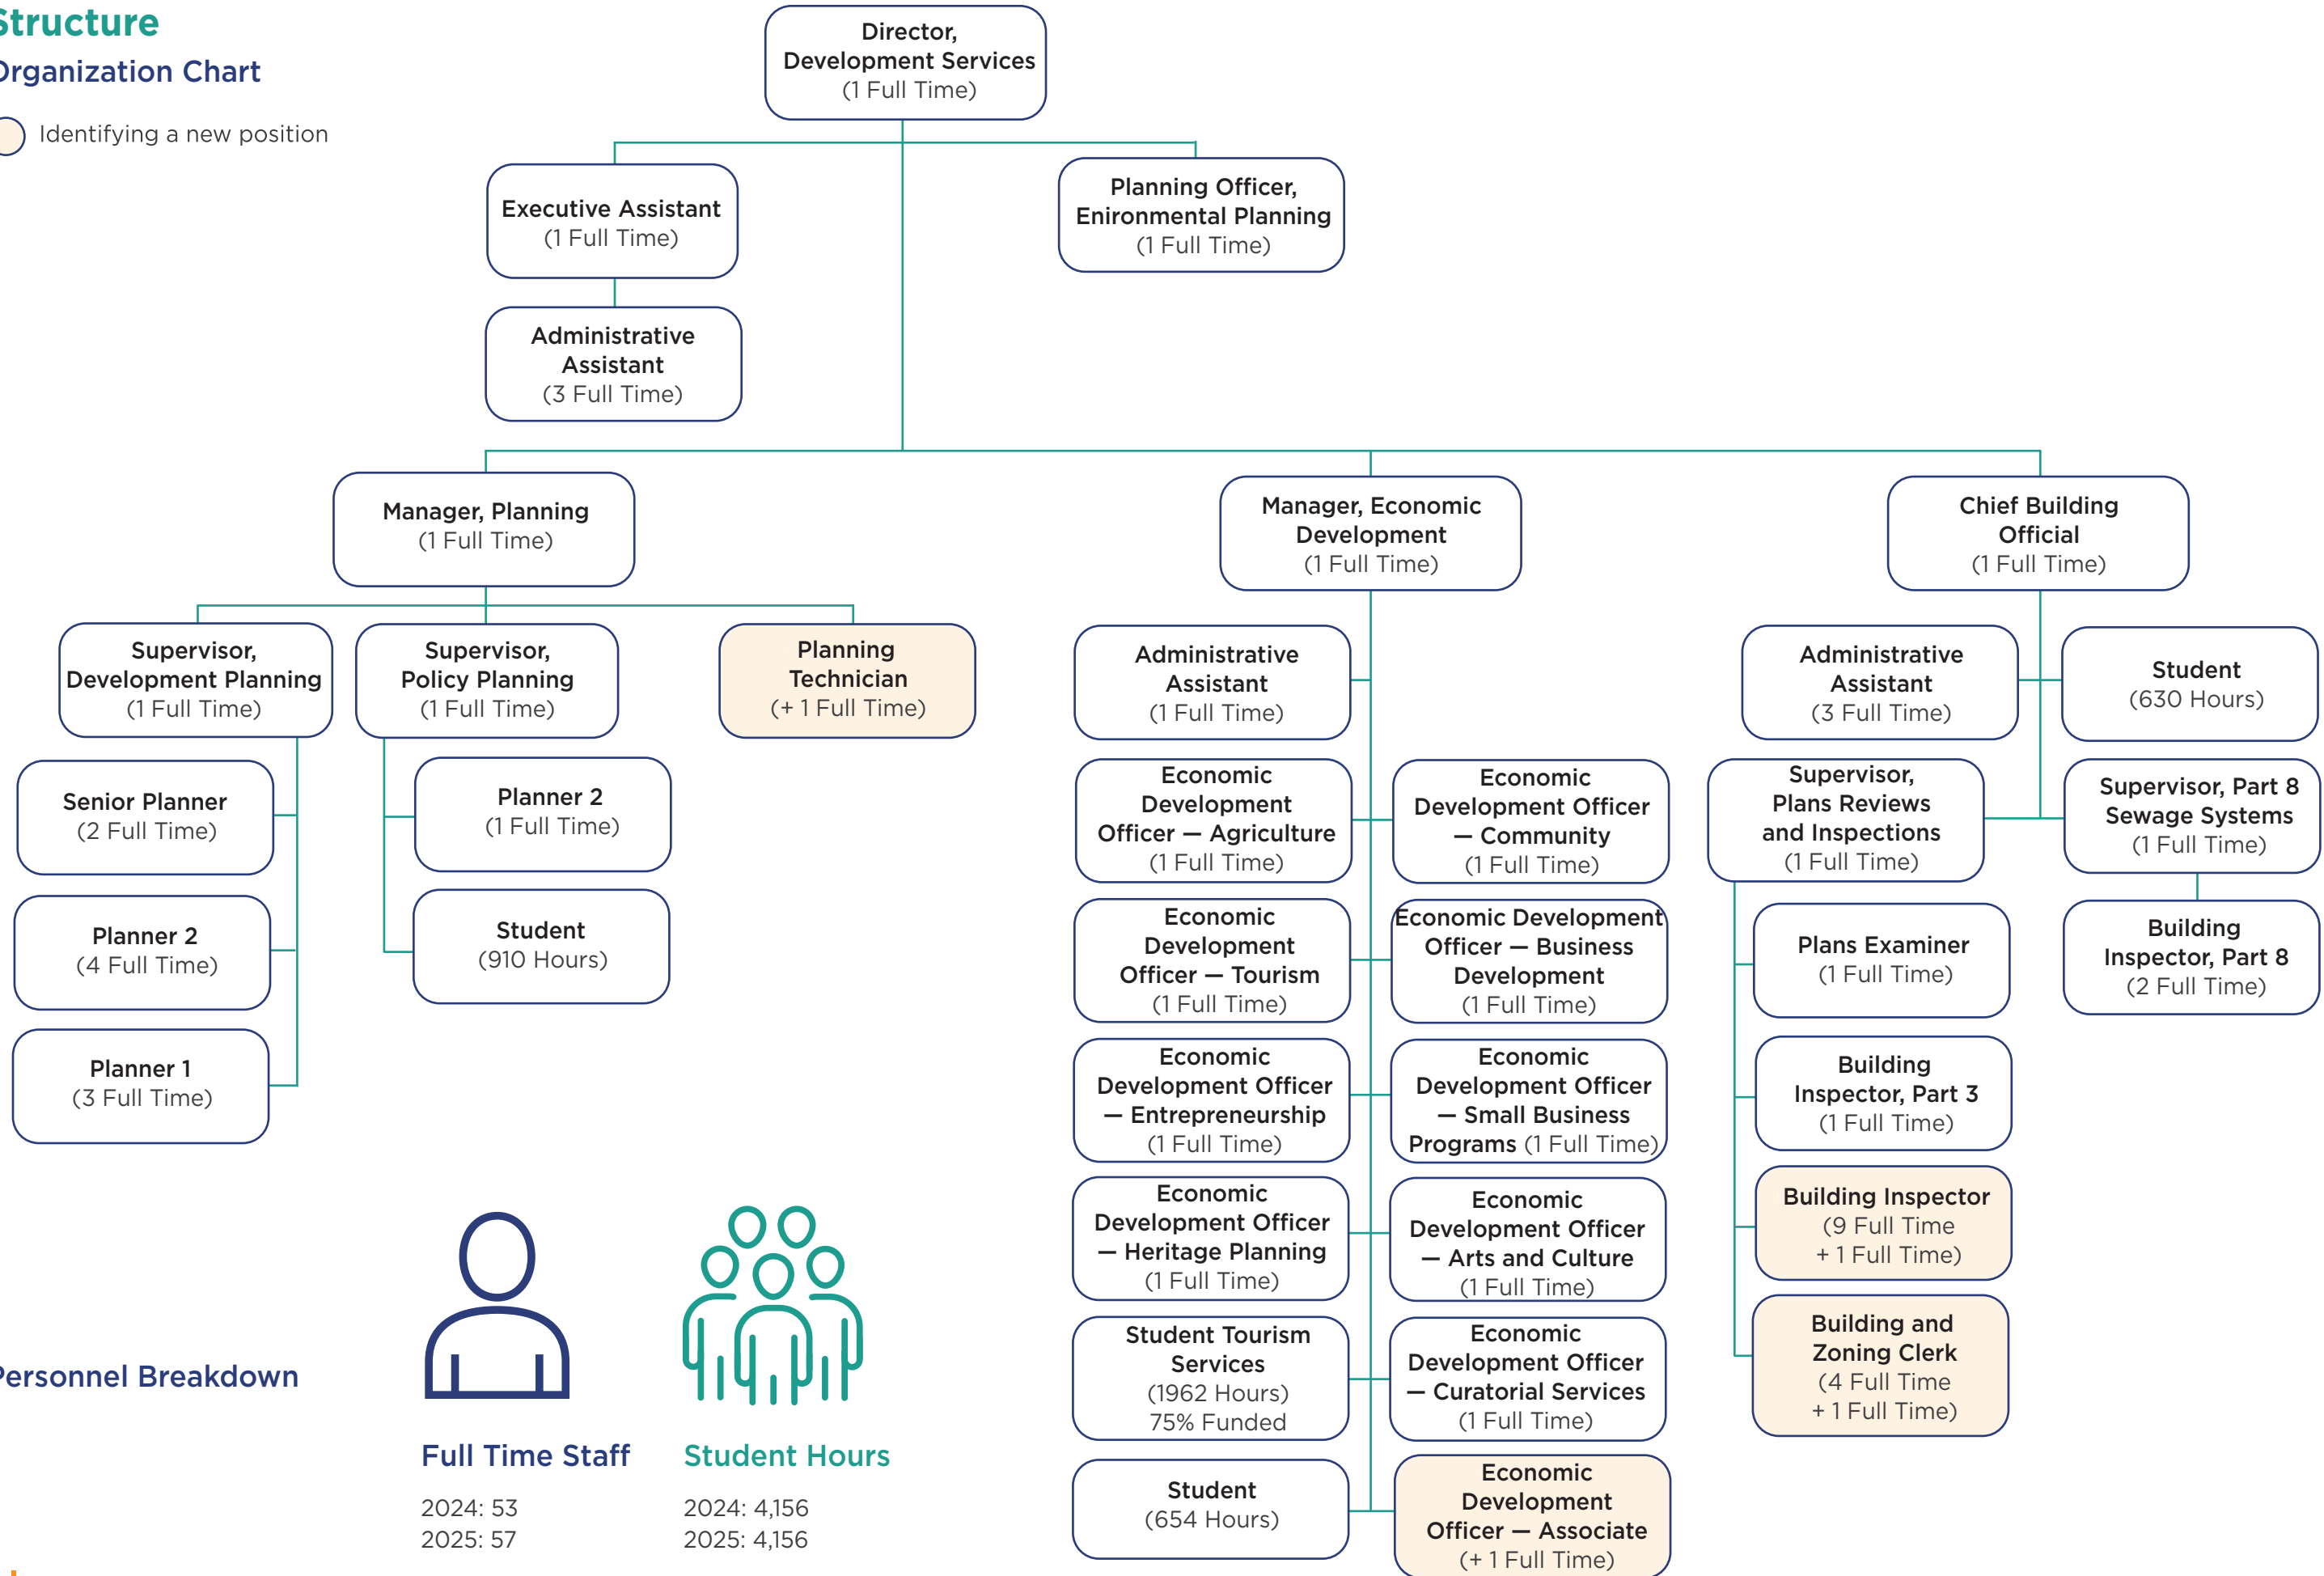

How?

Development Services provides support and assistance to all inquiries and legislated applications respecting land use development and design, from the permitting of residential property to large construction projects, enhancing natural features. There is also a focus on supporting growth and investment in the local economy and business community across the key sectors of manufacturing, agriculture, arts, culture and heritage, tourism, and innovation.

Planning and Administration Division

Overview

Manages and provides oversight of the regulatory processes for land use development, urban environment design and protection, and enhancement of natural features.

2024 Accomplishments

- Completed Rural Zoning By-law, consolidating 14 former by-laws into one providing consistency across the municipality
- Completed the Active Transportation Master Plan outlining initiatives to provide more active transportation options throughout the municipality
- Resolved appeals to Secondary Plans for Bobcaygeon and Omemee allowing these plans to be enacted
- Completion of the Growth Management Strategy which provides an assessment of future growth and urban land needs to 2051

2025 Priorities

- Develop and establish a Climate Change Strategy to replace the existing Healthy Environment Plan, as a refreshed strategy to reduce our carbon footprint and mitigate environmental risks
- Commence work on the Official Plan Review and Update to conform to the new Provincial Planning Statement (2024), implement the recently completed Growth Management Strategy, and encourage long term sustainable growth and development
- Commence an Urban Zoning By-law review as the final stage of the comprehensive zoning by-law consolidation project, to streamline and modernize zoning regulations and provide greater harmony across the City's four urban areas
- Continue to recruit to enhance internal capacity and foster greater planning expertise amongst the team to reach a more steady state

Economic Development Division

Overview

Supports the local economy and business community by stimulating growth and investment across all of Kawartha Lakes' key sectors: manufacturing, agriculture, arts, culture and heritage, tourism, and innovation.

2024 Accomplishments

- Coordination of municipal support for the International Plowing Match and Rural Expo (IPM) including promotion of Kawartha Lakes throughout the event
- Facilitated recommendation for the future of a Cultural Centre in Kawartha Lakes from the Cultural Centre Feasibility Task Force
- Refreshed the Economic Development Strategy which will provide direction on how to improve the economic well-being and quality of life in our community until 2029
- Continuation of the Development Concierge Program which provides assistance to businesses navigating the development process and connects them with other relevant services

2025 Priorities

- Implement the Refreshed Economic Development Strategy to build economic development initiatives to support a vibrant and growing economy
- Support investment in business start-ups, retention, growth, and attraction; destination marketing; and heritage and culture to drive a vibrant and growing economy
- Present results from the Cultural Centre Feasibility Study (Phase 2) to assess recommendations for the preferred operating model and site location for a Cultural Centre, informed by results from the Green Municipal Fund to model net-zero construction and operational activities

Building and Septic Division

Overview

Ensures all construction and demolition complies with Building Code Act and Ontario Building Code, including private on-site sewage systems with a daily sewage flow of 10,000 litres or less.

2024 Accomplishments

- Creation of a Coboconk Building & Septic Division Hub, including 5 permanent staff (Clerk, Building and Septic Inspectors, Supervisor) providing service to residents in northern Kawartha Lakes
- Closed 1000+ historic building permit files, enhancing the efficiency of locating historical information
- Reviewed and documented 40+ years of Town of Lindsay building permits which will provide easier access to this information

2025 Priorities

- Offer an on-line permitting option for all application types through the municipal website, as an interim solution while the municipality explores potential of launching in Cityworks application, to provide an innovative digital solution to expedite the application process
- Relocate the Omemee Building Inspector to the Lindsay Building & Septic Division Hub to provide efficient service delivery and improve the customer experience
- Continue closing historic building permit files and cataloguing pre-amalgamation records, including the merging of historic records databases provided by the Health Unit, to enhance the efficiency of processes relating to historic files

Engineering and Corporate Assets

Who?

The Engineering and Corporate Assets Department is made up of Administration, Corporate Assets, Development Engineering, Infrastructure, Design and Construction, and Technical Services teams. It is also responsible for overseeing Crossing Guards and the Municipal Airport.

What?

Engineering and Corporate Assets ensures responsible development that conforms to municipal standards and does not negatively impact surrounding properties. The team also manages, coordinates and administers engineering construction services for capital construction projects, as well as prepares five-year capital budgets and implements programs for roads, traffic signals, streetlights, drainage and sidewalks. The municipality's Asset Management Strategy and Asset Management Plan are also developed and maintained providing a comprehensive long-term plan for capital assets.

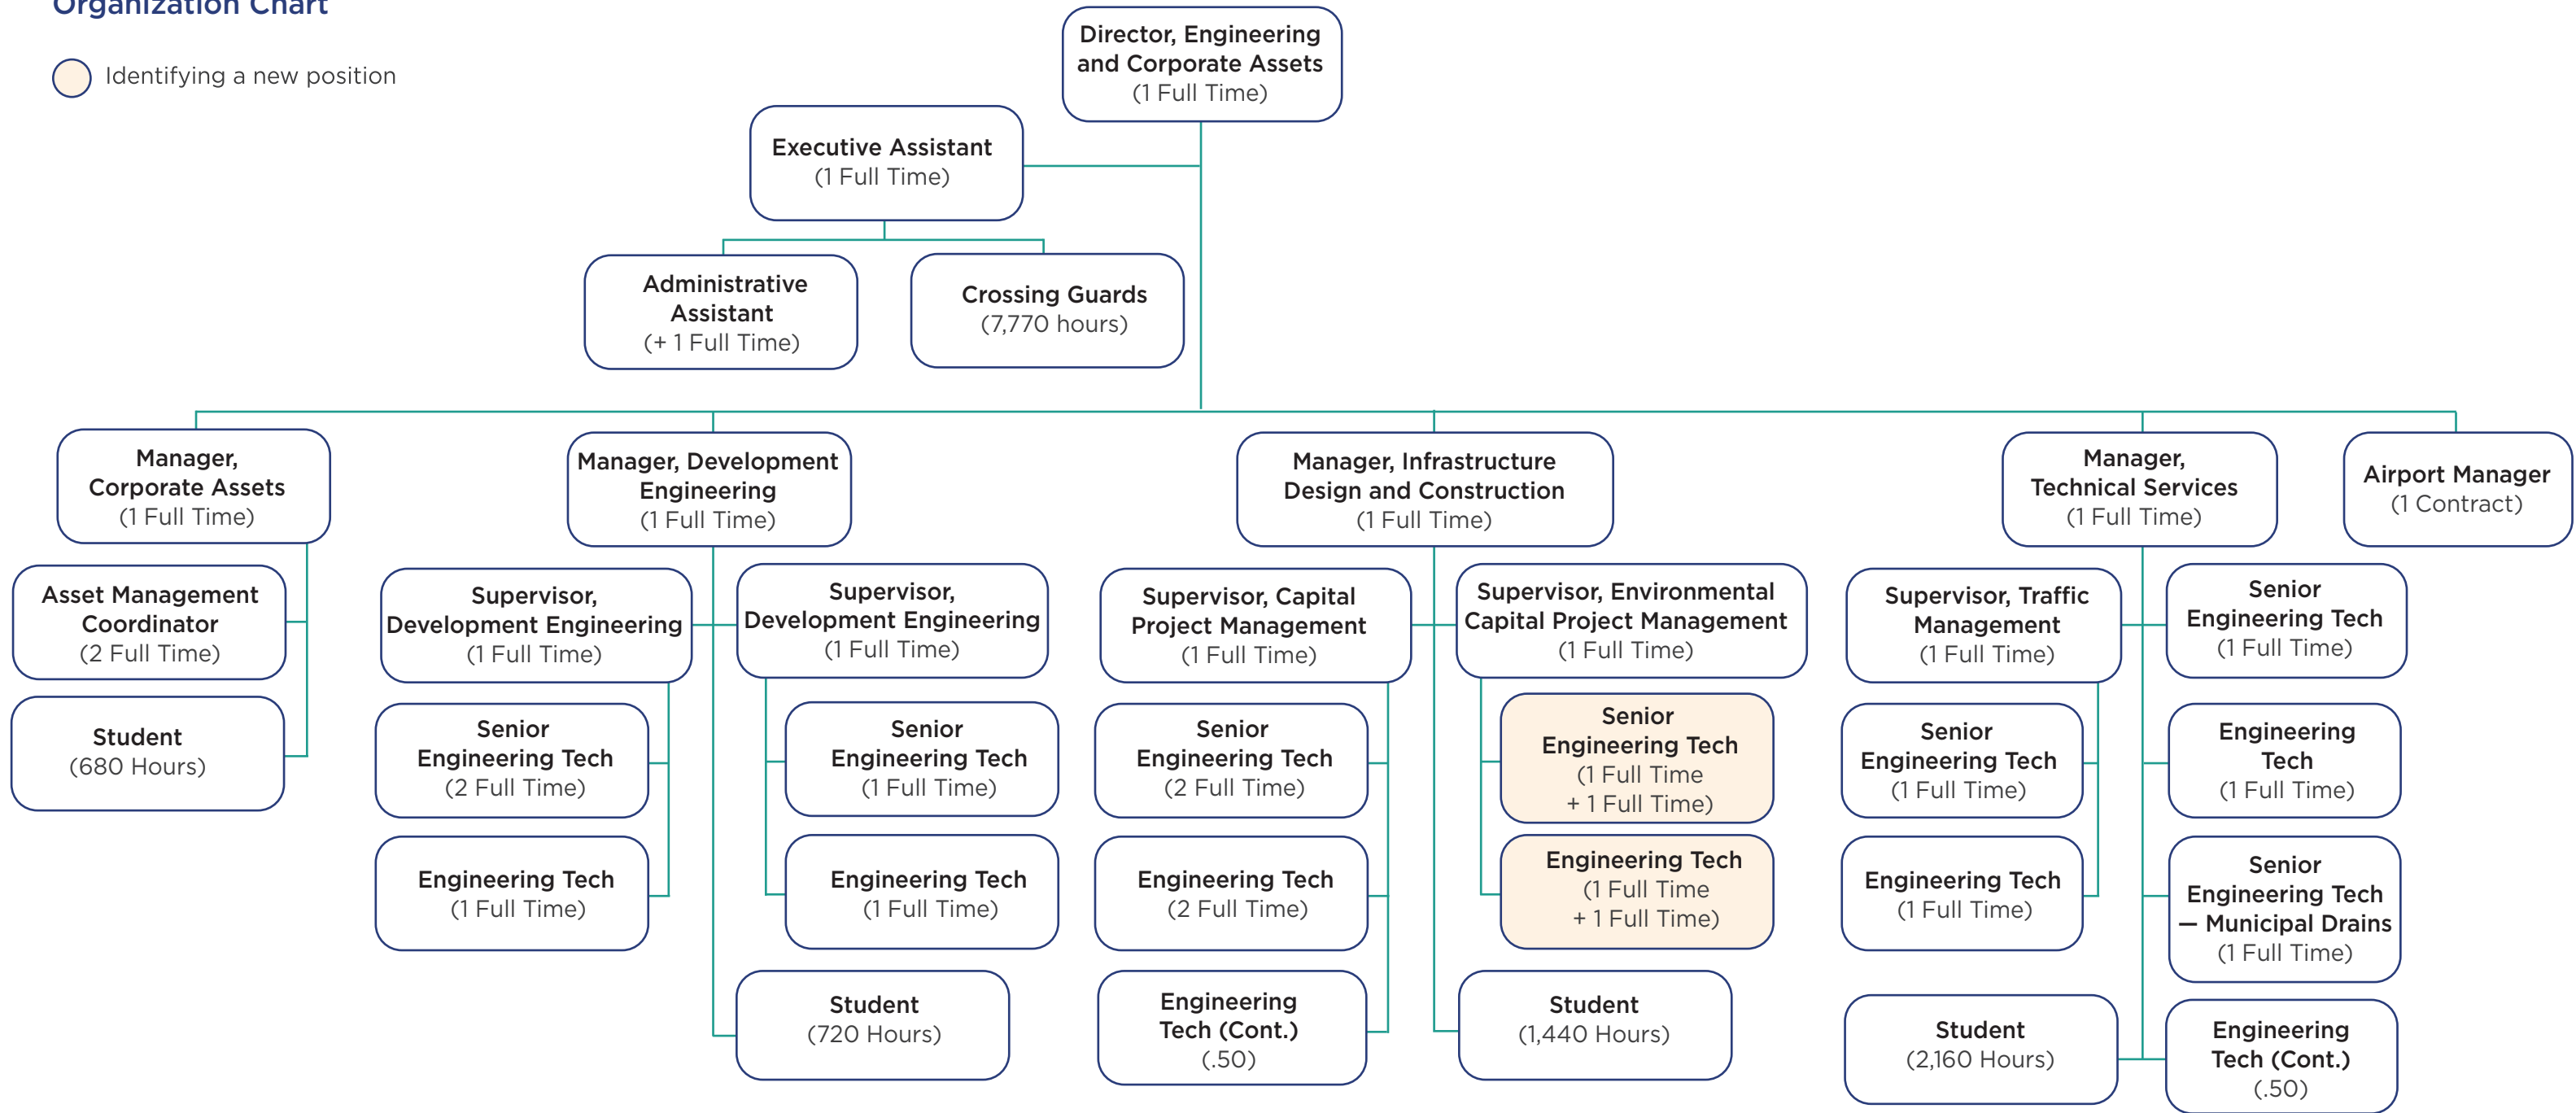

How?

Engineering and Corporate Assets focuses on the design, construction and maintenance of various types of municipal infrastructure, facilities and utility systems. This involves streets, sidewalks, water supply networks, sewers and street lighting. Engineering and Corporate Assets works closely with all other municipal departments, as well as community partners, consultants and contractors.

Administration Division

Overview

The Administration Division is responsible for the overall management and budgeting of all Divisions, the Crossing Guard program, management of the Municipal Airport, financial management, long range needs and feasibility planning, and ensures Department goals align with corporate strategy.

2024 Accomplishments

- Continued to streamline processes for departmental efficiency, as well as convert to electronic processes
- Updated Customer Service call tree for better call management focusing on first contact resolution and reducing the number of created cases
- Created process to review and close cases more efficiently and updated the municipal website for better public awareness of processes, to reduce case volume

2025 Priorities

- Recruit Engineering Clerk position that will coordinate legal reviews for Development Engineering, Municipal Consent Database, CASE management, and overall department support

Corporate Assets Division

Overview

Corporate Assets coordinates asset management, capital planning and capital budgeting functions across the City’s various departments. This includes stewardship over the asset registry as well as preparation of Asset Management Plans, Water-Wastewater Rate Studies, Tax-Supported Capital Budgets, Water-Wastewater Capital Budgets, Special Projects Budgets, and major capital grant applications. The division also prepares and administers Development Charge Studies and By-Laws and Capital Charge Studies and By-Laws, and it collaborates with Treasury Division in the preparation of Long-Term Financial Plans to ensure the City’s long-term financial sustainability.

2024 Accomplishments

- Developed the Asset Management Plan for Non-Core Assets that outlines the actions required to manage the City’s non-core infrastructure assets in a way that meets service levels, while managing risks and costs
- Provided update on the Long-Term Financial Plan which will provide a framework for longer-term financial decision-making, including strategies and key actions to facilitate multi-year, integrated, strategic decision-making
- Settlement of 2014 Development Charge By-Law Appeals

2025 Priorities

- Consolidated Asset Management Plan will communicate the requirements for the sustainable delivery of services through management of assets, compliance with regulatory requirements, and required funding to provide the appropriate levels of service over the planning period as they relate to the defined ‘core’ assets
- Present the Long-Term Financial Plan that provides a framework for longer-term financial decision-making, including strategies and key actions to facilitate multi-year, integrated, strategic decision-making
- Facilitate the Water-Wastewater Rate Study and Financial Plan as part of the five submission requirements for the purposes of obtaining a municipal drinking water license as per the Safe Drinking Water Act, 2002
- Resolution of 2015 and 2019 Development Charge By-Law Appeals

Development Engineering Division

Overview

Development Engineering ensures responsible development follows municipal standards that does not negatively impact surrounding properties. It provides engineering review and approval of development applications, including preparation of subdivision agreements, site inspections and management of security, and is responsible for preparing, coordinating and supervising the compilation and preparation of development engineering reports related to development proposals and applications (e.g. rezoning, minor variance, subdivisions, consent, site plan control, building permits) including water and wastewater capacities, lot grading, lot drainage and/or storm water management.

2024 Accomplishments

- Supported the housing commitment through successful development review and approvals – Ontario launched the ‘More Home, More Choice: Ontario’s Housing Supply Action Plan’ (2019), striving for homes that meet the needs and budgets of all Ontarians. Ontario has established a housing supply target in Kawartha Lakes of 6500 new housing units by 2031

2025 Priorities

- Continue to support our Municipal Housing Pledge while improving communication of requirements and timelines. Continue to work towards the new unit housing target of 6500 by 2031

Infrastructure Design and Construction Division

Overview

Manages, coordinates, designs, constructs and administers engineering construction services for capital construction projects. It oversees all design, construction and major maintenance on public highways, bridges, sewers, water mains and other related infrastructure, as well as provides technical and strategic guidance on infrastructure construction projects and responsible for schedule, quality and cost control of engineering capital construction work programs.

2024 Accomplishments

- Replacement of the Rainbow Bridge over the Scugog River in Lindsay providing pedestrian access as part of the Victoria Rail Trail Corridor (VRTC)

2025 Priorities

- Completion of the design for the Colborne Street Bridge which will provide another vehicular crossing over the Scugog River
- Commence Construction of Highway 7 wastewater Pumping Station and associated infrastructure along Lindsay Street South to support the increasing needs of our community

Technical Services Division

Overview

Manages the City’s municipal drain infrastructure, asset management with GIS adaptability, manages and implements capital improvement projects for the rural resurfacing program, traffic light and street light improvements, large culvert replacements and city parking lot improvement programs. Prepares long term capital plans for roads, traffic signals, streetlights, drainage and sidewalks, and carries out the traffic count program including warrant studies for traffic control devices and signage.

2024 Accomplishments

- Completion of the Transportation Master Plan which identifies the multi-modal transportation facilities, services, and policies that are required to ensure enhanced mobility, accessibility and connectivity
- Kenhill Beach Drainage Improvement Construction to alleviate seasonal flooding. The road historically has experienced flooding on the south side of the road, which has caused damage to local homes and properties.
- Curtin Municipal Drain Construction to remove access water from agricultural land to achieve a sufficient outlet for lands involved in the watershed

2025 Priorities

- Develop a Storm Water Master Plan to outline characteristics of a watershed, define the existing stormwater system that serves the watershed and make recommendations on how to improve the infrastructure within the municipality

Crossing Guards Division

Overview

The mandate of the Crossing Guard program is to ensure elementary school students cross streets safely as they walk to and from school. All Crossing Guards are regulated by the Ministry of Transportation. The Municipal Act mandates that all Crossing Guards must be municipal employees.

2024 Accomplishments

- Assess pilot project on Mobile Crosswalk Centerline Signs and expand where possible
- Recruit a full complement of crossing guards to ensure all crossings are appropriately staffed

2025 Priorities

- Conduct crossing warrants to ensure the most appropriate crossing locations after recent School boundary changes

Municipal Airport Division

Overview

The Municipal Airport is an important asset that offers significant economic and community benefits. It brings visitors to our community, creates jobs and supports local business by making their customers and suppliers more accessible. The airport is the only facility between Minden and Peterborough available for Ornge medical evacuations and is used frequently for life-saving missions. The airport is owned by the municipality and is operated by the Loomex Group.

2024 Accomplishments

- Extend taxiway from new hangars to main apron and paving extension providing better access
- Serviced new hangar sites with electricity providing better amenities

2025 Priorities

- Undertake procurement for the management of the Municipal Airport by a third party company
- Complete all outstanding capital works relating to upgrades to airport grounds and facilities, along with the upgrade of Runways 13/31 and Runaway 03/21

Community Services

Who?

Community Services is comprised of Administration, Building and Property, Customer Service, Parks and Recreation, and provides support to the Library Board.

What?

The Department manages municipal facilities, parks, beaches, boat launches and docks, trails and forest tracts, and cemeteries. Through the management of this infrastructure, the Department is a key contributor to the Asset Management program. Municipal recreation and leisure programming, that enhances the quality of life for residents, is delivered by the Community Services team. It also oversees the municipality's service standard and customer experience program to deliver high quality, consistent service across all departments.

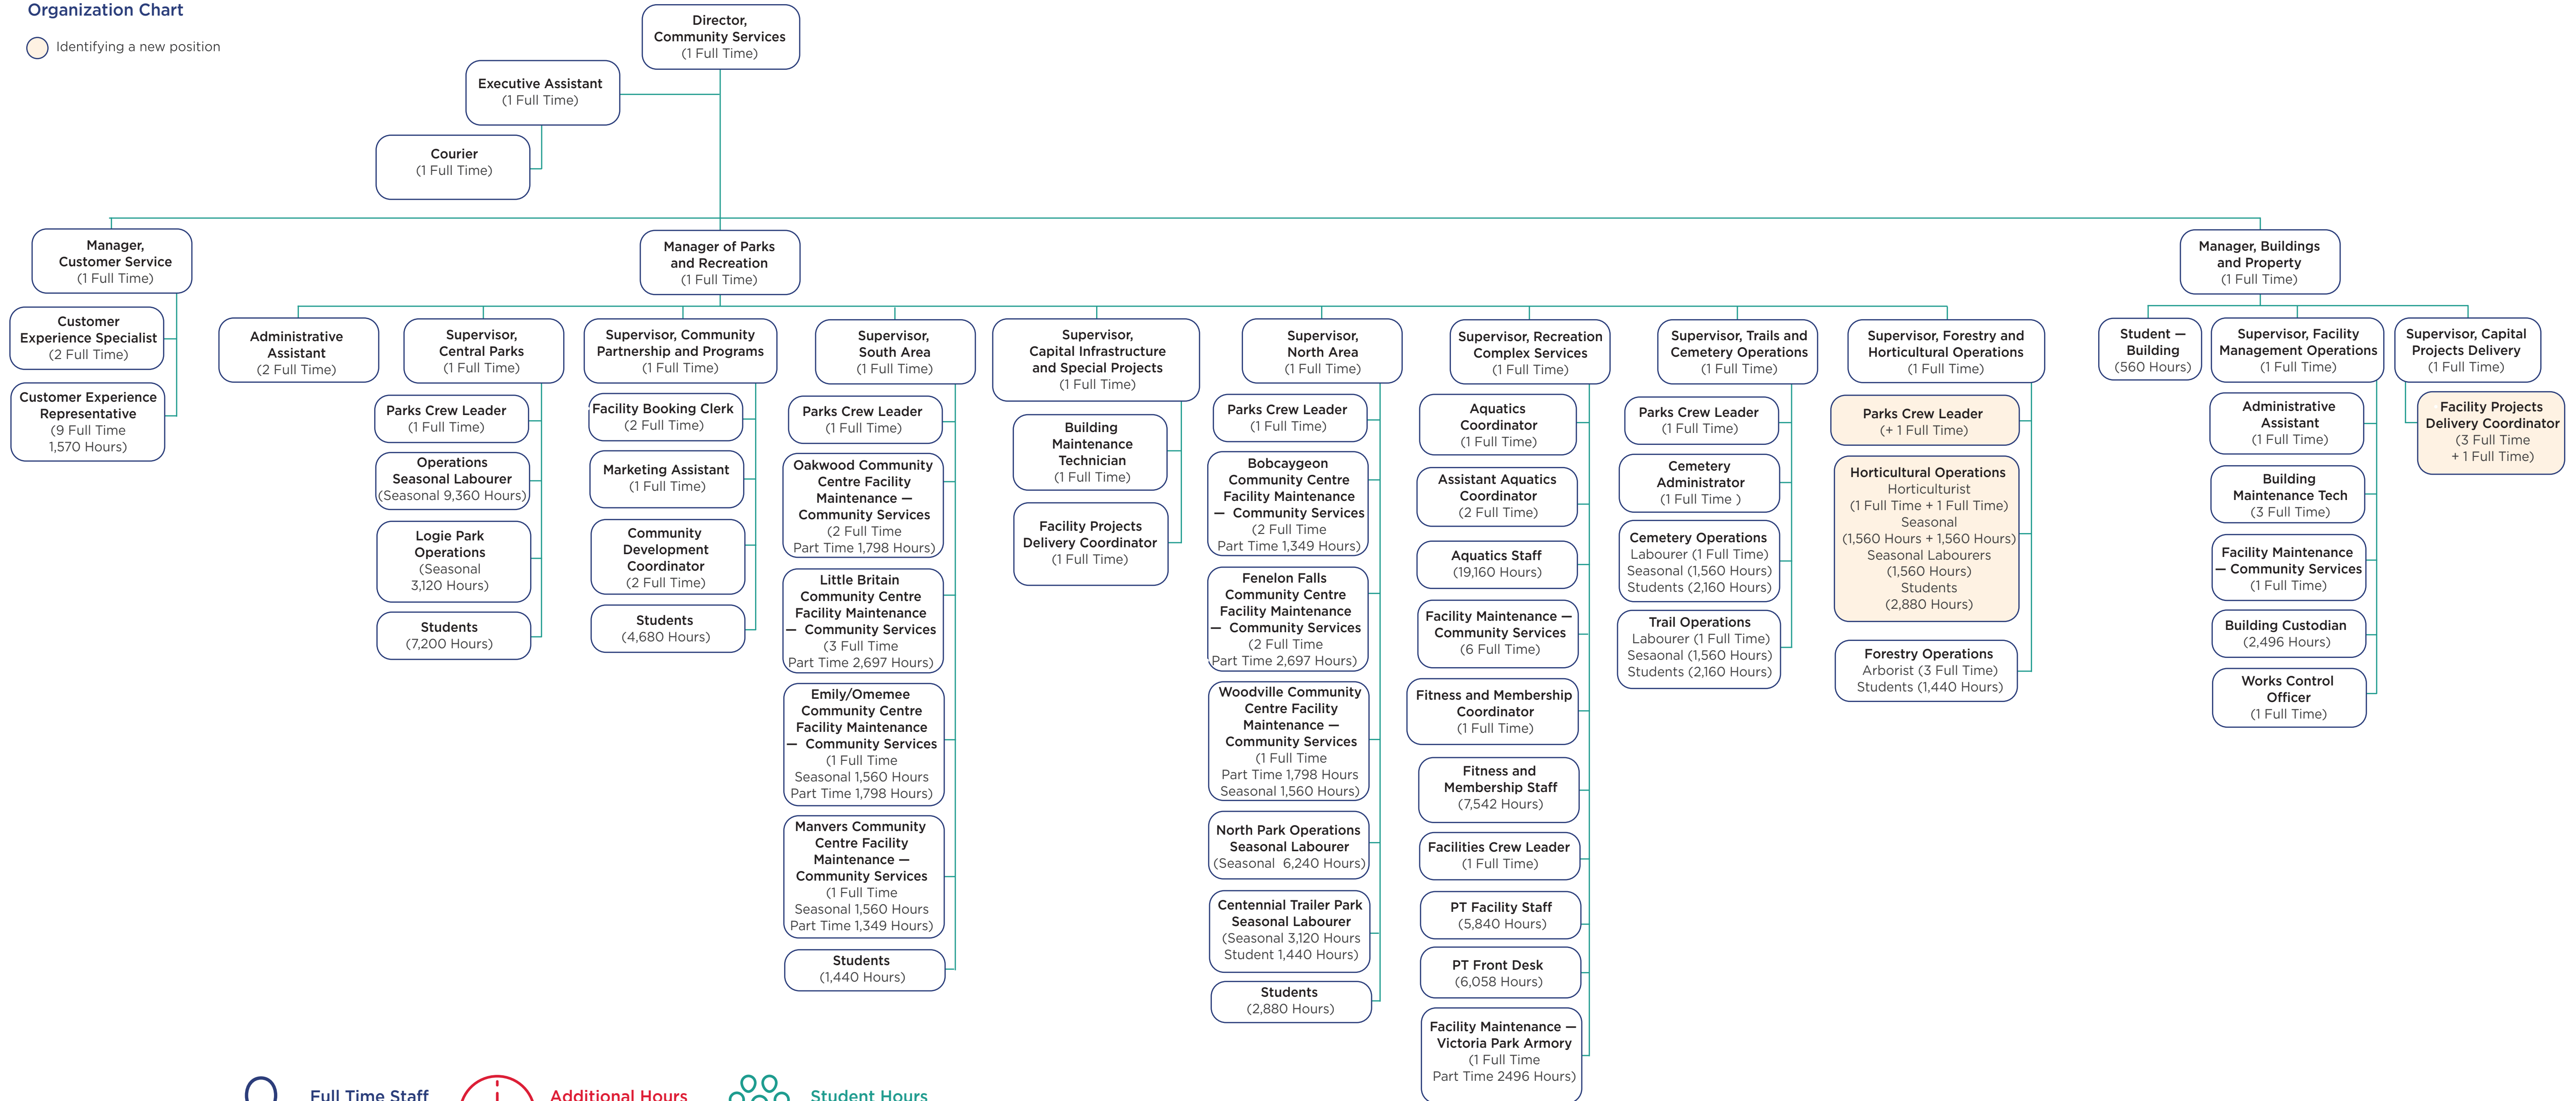

How?

Community Services provides programs and services throughout the municipality along with the administration and maintenance of infrastructure. Community Services integrates all of its front-line services and works closely with all other departments to provide exceptional public service.

Administration Division

Overview

Administration is responsible for the management and budgeting of all Community Services Divisions, as well as the municipal courier service, community funding programs, financial management, the assessment of long-range needs and strategic planning.

2024 Accomplishments

- Re-aligned departmental management to support community growth and strategic priorities
- Reviewed properties for potential disposal, transfer or acquisition to or from local community groups

2025 Priorities

- Review of Council C.H.E.S.T. Policy and recommend revisions as needed to align with municipal growth and continued collaboration with community organizations for the benefit of local communities
- Implement a coordinated approach to manage Community Service response to all Development and Engineering applications and reviews
- Review the municipal courier program to ensure optimal service levels are being reached to meet the needs of all municipal divisions and departments

Customer Services Division

Overview

Customer Service implements and manages the customer service standard and customer satisfaction program through the municipal Service Centres and Call Centre.

2024 Accomplishments

- Reviewed the Customer Service Standard Program to foster innovative and efficient service delivery, supporting service excellence
- Enhanced customer accessibility, experience, and service delivery through the modernization of the Coboconk Service Centre
- Initiated the development of the Customer Experience Strategy, focusing on transforming service delivery through innovation and continuous improvement

2025 Priorities

- Deploy updated Customer Service Standards to ensure consistent, high-quality service delivery across all service areas in the municipality
- Modernize the Lindsay Service Centre to improve customer accessibility, experience, and enhance service delivery
- Advance service quality monitoring and measurement to drive continuous improvement in alignment with the Customer Experience Strategy

Building and Property Division

Overview

Building and Property manages facility services, including the municipality’s energy management initiative, and supports the delivery of the facility capital program.

2024 Accomplishments

- Established and progressed the corporate Asset Management and Building Condition Assessment Program to inform the long-term financial planning process
- Collaborated with an inter-departmental team to complete the design concept phase for the construction of the Paramedic Headquarters which will assist in supporting and expanding innovative emergency service programs
- Transferred area of responsibility for the preventative maintenance and repairs, including the Electrical Safety Authority (ESA) program of municipal Fire Stations, to the Building and Property portfolio from Fire Services

2025 Priorities

- Re-establish the Energy Management program for municipal facilities in an effort to reduce our carbon footprint and mitigate environmental risk
- Initiate Building Condition Assessment (BCA) program for municipal facilities by completing a minimum of five assessments. Results from reports will inform the long-term financial plan
- Management of 15 capital improvement projects with investment of \$2,540,000 into critical infrastructure

Parks and Recreation Division

Overview

Parks and Recreation oversees all municipal arenas, community centres, pools, fitness centres and associated programming. In addition, it looks after public cemeteries, parks, trails, forests and woodlots, trailer parks, beaches, sports fields, playgrounds, skate parks, museums, boat launches and docks, as well as special events and community partnerships and programs.

2024 Accomplishments

- Determined best use of Ops property greenspace through public engagement sessions. A Public Information Session, along with online engagement via Jump In Kawartha Lakes facilitated valuable feedback to inform the design process
- Enhanced customer accessibility, experience, and service delivery through the revitalization of the Little Britain Community Centre
- Developed Parks and Recreation Strategic Plan to determine growth related capital needs as per Development Charges Study

2025 Priorities

- Implement revised Municipal Event Application program to foster innovative and efficient service delivery, supporting service excellence
- Develop and initiate the Tree Inventory program within the Lindsay area to support the protection and preservation of natural areas
- Management of 38 capital improvement projects with investment of \$7,562,000 into critical infrastructure

Human Services

Who?

Human Services consists of Social Services, including Social Assistance and Children's Services, Housing Services, including Housing and Homelessness, Kawartha Lakes-Haliburton Housing Corporation and Victoria Manor Long-Term Care Home.

What?

The municipality is the Consolidated Municipal Service Manager for the Province, serving both Kawartha Lakes and the County of Haliburton for Social Services, including Social Assistance and Children's Services and Housing and Homelessness Services. The municipality is the owner of Victoria Manor, Long-Term Care Home and the owner and sole shareholder of the Kawartha Lakes-Haliburton Housing Corporation.

How?

The team facilitates and provides a range of social and income supports, services, community outreach, affordable housing, tenant supports and emergency shelter to the most vulnerable and at-risk population to facilitate their self-sufficiency leading to a better quality of life.

The Children's Services team supports many licenced and home child care providers, and EarlyON operators to best serve and foster early learning and child development within our community.

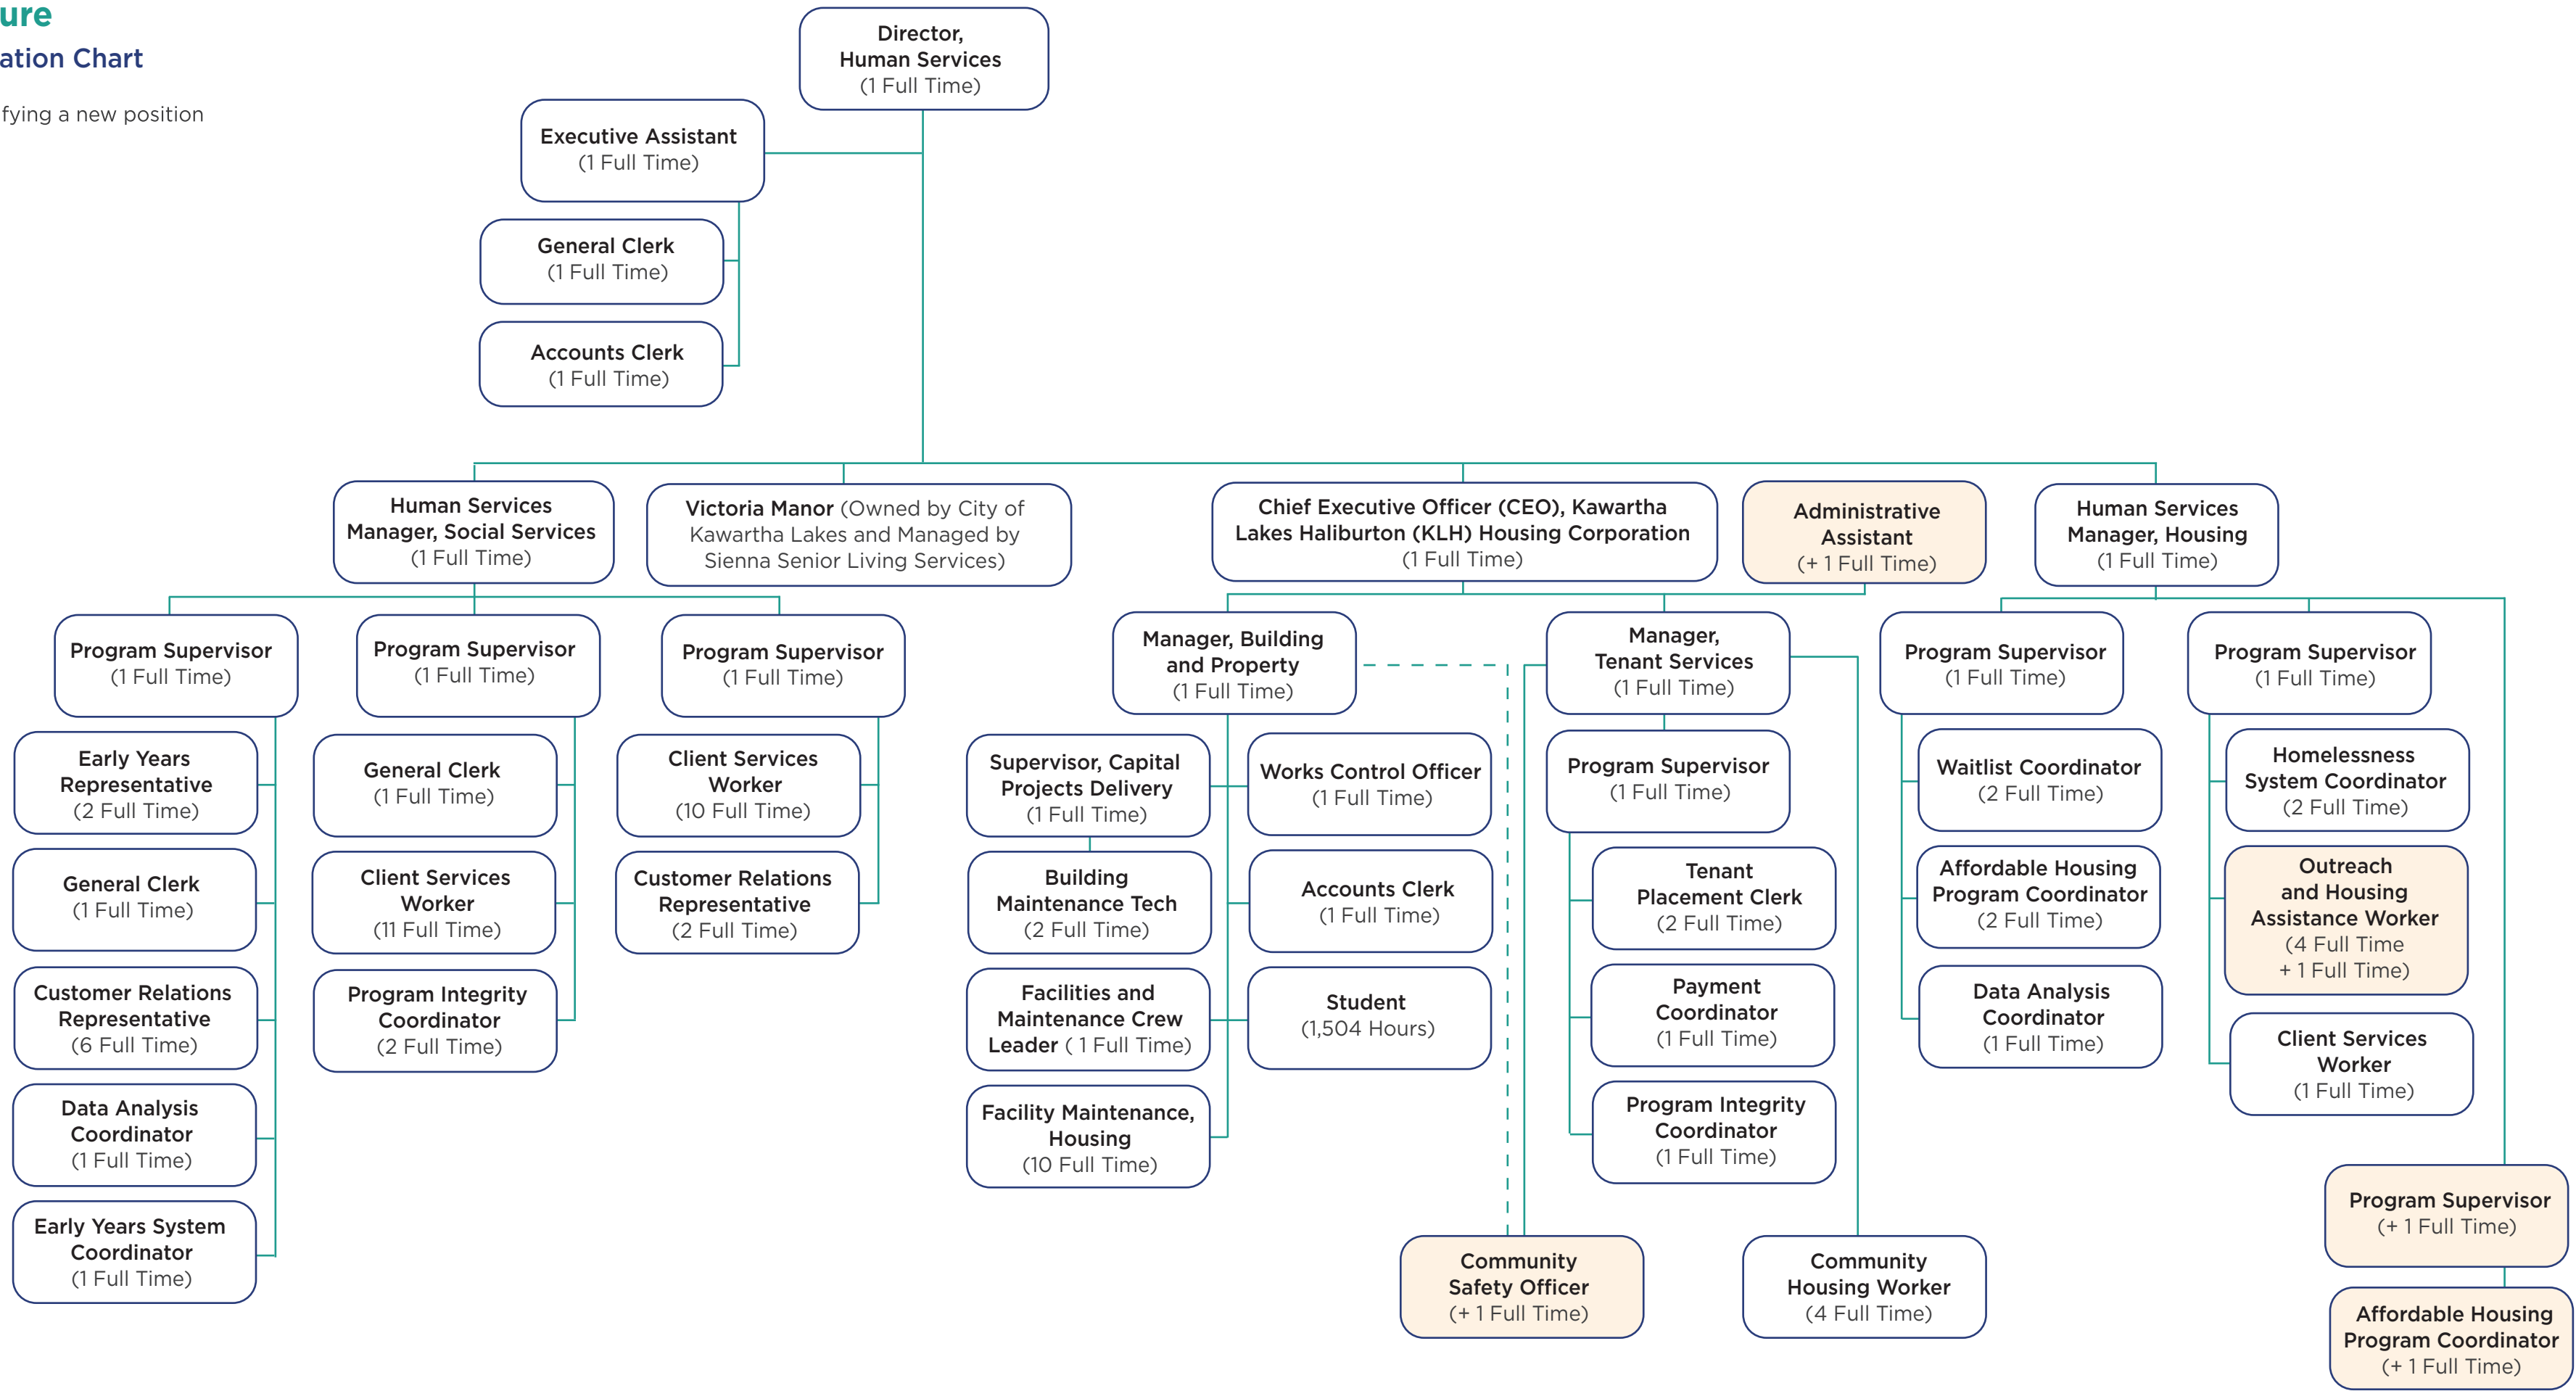

The interprofessional care team at Victoria Manor provides 24-hour professional supervision and care in a protective, supportive environment for people who have complex care needs and can no longer be cared for in community.

Divisions within Human Services are legislated by the various ministries with shared funding models established between municipalities and the provincial government, along with directed federal funding.

Administration Division

Overview

The Administration division manages the expenditures related to the oversight of the Department and extra community grant programs administered.

2024 Accomplishments

- Support leadership excellence through active engagement with the municipal Leadership Excellence initiative and a departmental focus on Cultural Transformative Leadership.
- Support building and developing service capacity through the development of robust community partnerships across the social, judicial, and health systems
- Implementation of staff safety and wellness measures across all divisions, including physical, procedural, training, communication, and supervision initiatives
- Successful realignment of support worker positions across divisions to better serve our clients

2025 Priorities

- Establishment of the Social Sustainability Fund to structurally support and expand investment for the Social Sustainability within the City of Kawartha Lakes

Social Services Division - Social Assistance (Ontario Works)

Overview

Provides stability supports, financial assistance and social supports by offering a range of programs.

2024 Accomplishments

- Implemented current provincial social assistance modernization activities with online options increasing electronic accessibility options to our service area
- New 2024-2028 Social Services Plan developed based on analysis, review of stability support services, and completed risk and privacy management assessments that will be reviewed and updated annually
- Supportive Approaches to Innovative Learning (SAIL) program provided to all new staff and a refresher course provided for all staff

2025 Priorities

- Implementation of fully operationalized provincial centralized intake process for applications for financial assistance in a way to support and maintain our service excellence standards
- Participation and upstream engagement with provincial partners to actively prepare and conduct a service and client impact analysis related to the implementation of a new administrative funding model for the delivery of Ontario Works effective January 1, 2026. Full review and analysis of training and development plan and process to equip staff with the tools and resources they need to excel in their role and to best meet the needs of the people we serve.

Social Services Division - Children's Services

Overview

Promotes and supports access to high quality early learning and child care services in partnership with the community to develop a coordinated system to meet the needs of children.

2024 Accomplishments

- Completed review and preparation analysis for the implementation of the new Ministry funding formula for Children's Services. This included the identification of the associated impacts to children's services programs and identification of the needs of our communities and service providers rolled up and submitted to the province. Offered leadership and support to our local providers to effectively implement the changes into their agency operational models, including equipping them with information for the preparation of their 2025 operating budgets.
- Creation of 104 new licensed centre and home based child care spaces
- Developed a five-year Children's Services Plan incorporating the Canada-Wide Early Learning and Child Care (CWELCC) guidelines which provides system oversight and direction for service capacity planning and the appropriate resources needed to provide high quality early learning and child development across the County of Haliburton and the City of Kawartha Lakes.

2025 Priorities

- Creation of 201 new licensed centre and home based child care spaces through continued implementation of CWELCC and the new system funding formula
- Update policies and procedures to align with the new funding guidelines which provide direction and guidance to staff and support the goals and strategies in the five-year Children's Services Plan.
- Provide support and guidance to service providers as they navigate the first year of implementation of their new agency operating models.

Housing Services Division

Overview

Responsible for the administration and funding of community housing, affordable housing and homelessness programs.

2024 Accomplishment

- Initiated a comprehensive housing and homelessness needs assessment to inform future planning and align with continued growth and demand across both the City of Kawartha Lakes and the County of Haliburton.
- Completed quality assurance reviews of our emergency shelter and supportive housing systems to ensure funded services are aligned with larger system priorities and provide evidence-based best practice service delivery to clients
- Continued to develop capacity to support the growing demand for homelessness outreach services and supports, including the adoption of a City-wide interdepartmental encampment response protocol to coordinate the municipal response to homelessness
- Supported a collaborative funding application with committed service partners to seek dedicated mental health and addictions supports for those experiencing homelessness, to be included within the integrated care hub

2025 Priorities

- Establish an updated 10 Year Housing and Homelessness strategic plan, including a detailed implementation and financial plan
- Full implementation and operationalization of the integrated care hub, which will supply low-barrier shelter and multi-disciplinary supports to those experiencing homelessness
- Offer new rent supplements as additional affordable housing opportunities to applicants on the Community Housing waiting list
- Provide resources to better support the transition of people from the Community Housing waiting list, into housing, to increase success with housing stabilization

Victoria Manor Long-Term Care Home Division

Overview

Victoria Manor provides 24/7 nursing care and supervision, primary medical care and help with daily activities and interests, all within a safe, caring and quality home environment. The municipality currently contracts with Sienna Senior Living for the management of the Home.

2024 Accomplishments

- Implementation and sustained approaches to improve the resident's "Move-In" process by providing information and a focus on getting to know each individual resident as they move in, thus creating a better experience for each resident
- Implementation and sustained approaches to honour the residents' choices in meals and dining, thus incorporating and enhancing their enjoyment of the foods they love into their daily life
- Solid performance achieved related to the quality of care indicators that are publicly reported and submitted to the province
- Exceeded targets and performing better than the provincial average as it relates to a focused quality initiative to limit and reduce the use of antipsychotic medication for residents without a diagnosis of psychosis.
- Continued focus on orientation and onboarding of new employees to ensure they are well positioned for their roles.

2025 Priorities

- Implementation of enhanced socialization initiatives to provide more activities that residents can enjoy in groups and as individuals
- Implementation of programs to support community engagement both as an organization and for individual residents who wish to continue their community engagement activities
- Continued success in managing the annual quality improvement process to ensure operational excellence
- Responding to the 2024 employee engagement survey to further involve employees in creating a safe and effective work environment and provide for purposeful work

Administration Division

Overview

Provides cross-functional support across the various Public Works divisions to perform the administrative activities and procedures necessary for the Department's operational needs.

2024 Accomplishments

- Enhanced customer service by implementing Permit Central providing a streamlined digital process for roads operations permits
- Assessment of potential digital improvements for administrative processes

2025 Priorities

- Focus on enhancing customer service (internal and external) by addressing issues through the Case management system in partnership with Customer Services
- Continue cross divisional support within Public Works for administrative functions
- Improve the clothing procurement process to help reduce the administrative burden

Roads Operation Division

Overview

Responsible for day-to-day maintenance of roads, bridges, sidewalks, winter control operations, storm water infrastructure, street lights, traffic markings and traffic signals. Roads Operations also performs utility locates for all City infrastructure and oversees many agreements and contracts.

2024 Accomplishments

- Procurement of Road Patrol Software to better track compliance with Minimum Maintenance Standards (O.Reg 239/02)
- Implemented two (2) focused Ditching Crews to advance/improve road maintenance and protect the integrity of existing/future roads
- Standardized template established for Snowmobile Maintenance Agreements ensuring consistency
- Conclusion of the ATV/ORV Pilot with Council directing permanent amendments to the By-law.
- Entrance By-law review and amendment saw Council providing direction to drive efficiency on residential resurfacing
- Ongoing Council education on roads operations work including brushing and calcium chloride treatment
- Continue to build and roll out essential Standard Operating procedures

2025 Priorities

- Focus on Operational efficiency through maximizing use of resources
- Design for a new central roads facility and renovations to the Coboconk Roads Depot as outlined in the Depot Master Plan
- Assess growth impacts and resulting needs to ensure maintenance requirements are understood and planned for
- Transition to digital technology to reduce manual processes and increase efficiency

Solid Waste and Landfill Services Division

Overview

Oversees all landfill operations for five active and eleven closed landfill sites, waste and recycling collection programs, waste diversion programs, hazardous waste and operational regulatory compliance.

2024 Accomplishments

- Increased and expanded landfill diversion with an increase in mattress recycling, diversion of construction and demolition waste and expansion of the textile recycling program.
- Developed the Source Separated Organics program that will commence in January 2025
- Managed the transition to producer responsibility for recycling ensuring no impact to residential service

2025 Priorities

- Seamless roll out of Source Separated Organics collection for 4 urban centres
- Manage service agreements, looking to future alternatives
- Implement recommendations from the Integrated Waste Management Strategy
- Improve and expand diversion programs to extend life of existing landfills and control overall operational costs

Fleet Services Division

Overview

Fleet Services is responsible for maintenance and repair of vehicles and equipment, fuel procurement and management, and the procurement and replacement of non-emergency fleet inventory.

2024 Accomplishments

- Pilot project for use of electronic circle check software to reduce manual processes and improve efficiency
- Multiple multi-year procurements ensuring consistency and value
- Continued to explore alternate fuel source potential for Kawartha Lakes fleet vehicles including EV and Hydrogen
- Innovative procurement of transit busses enabled reduction in capital investment for 2024 and 2025 of \$700,000

2025 Priorities

- Establish a new process to meet changing legislative inspection needs
- Explore means to mitigate cost increases and supply chain pressures
- Implement new mobile technicians reducing the need for vehicles to be delivered to the Fleet centre
- Maximize benefit of shunt drivers to drive efficiency in Fleet maintenance and avoid impact to roads depot staffing

Transit Services Division

Overview

Transit Services provides safe, reliable, effective Transit services including conventional and limited mobility (LIMO).

2024 Accomplishments

- Updated the Transit Master Plan which outlines future needs for our community
- Implementation of the Lindsay Transit Orange Route expanding the availability of transit to new areas
- Expansion of Lindsay Transit operating hours based on resident feedback

2025 Priorities

- Implementation of Transit Master Plan initiatives and recommendations
- Explore connection opportunities with GO Transit and Metrolinx
- Ensure appropriate staffing levels to maintain service delivery standards

2025 Water and Wastewater Budget

Water and Wastewater Operations

Overview

The Water and Wastewater Division of the Public Works department is responsible for the safe and effective operation of 21 water treatment facilities, 6 wastewater treatment facilities, all municipally owned distribution and collection infrastructure and associated regulatory compliance requirements. The water-wastewater operations are delivered with a hybrid model of internal (municipal staff) and external contracts (Ontario Clean Water Agency [OCWA]). Water-wastewater is funded with a uniform user fee across the municipality, regardless of geographic location.

2024 Accomplishments

- Re-accreditation of full scope on-site audit for Drinking Water Quality Management Standard
- Extra Strength Surcharge Agreement program improved
- The Project Oversight Committee for Source Water Protection successfully achieved their objectives
- Initiated review of the water and wastewater systems hybrid operational model

2025 Priorities

- Transfer the manual logbook process to a digital environment
- Implement the Supervisory Control and Data Acquisition (SCADA) system modernization to ensure reliability of our drinking water systems

Personnel Breakdown

Kawartha Lakes Haliburton Housing Corporation (KLHC)

Overview

Kawartha Lakes Haliburton Housing Corporation (KLHC) is the City's largest housing service provider with 813 units across Kawartha Lakes and the County of Haliburton. The City is its largest shareholder which is governed by a Board of Directors.

2024 Accomplishments

- Completed construction of 46 new homes at 25 Hamilton St. (Ada Greaves Place) thus creating new affordable housing units for those on the community housing wait list.
- Commenced construction of 30 new homes at 106 Murray St., Fenelon Falls with anticipation of completion in late 2025.
- Realignment of functions and roles for streamlined and efficient service delivery

2025 Priorities

- Continued process improvements to improve service delivery, create administrative efficiencies, generate real-time data and evidence to better support effective operations to meet the growing demands
- Explore initiatives to control costs associated with tenant move-outs, unit damage and refurbishment to ensure fiscal responsibility and sustainability
- Enhance the staffing model with additional Supervisor to work collaboratively with the staff and tenants to achieve quality tenant services and continue with staff training and development aligned with the day-to-day work.
