

Council Memorandum

Date:	December 10, 2024
To:	Council
From:	Mayor Doug Elmslie
Re:	Councillor Appointment – Development Charges Task Force

Recommendation

That the Memorandum from Mayor Elmslie regarding, **Councillor Appointment - Development Charges Task Force**, be received; and

That Councillor Richardson be appointed as the council representative to the Development Charges Task Force.

Rationale

With the resignation of Councillor Smeaton from City Council, the Development Charges Task Force now has a vacancy (Council representation). The Task Force will be meeting again in the new year and it would be preferable to maintain Council representation on that Task Force.
