Please provide details of the matter to which you wish to speak: *

My husband and I are interested in purchasing a farm property at 121 Autumn Lane, Kirkfield, but have been advised by the owners, John and Peggy Rea, that CKL has told them it is not possible to have a building on the property. Mr. and Mrs. Rea have lived at this address for over 20 years, and were naturally surprised that this was the case. They became aware that the only permitted use was that of a 'hunt camp' when they advertised their property for sale 3 years ago, and the prospective buyer approached the City with inquires about running hydro to the home.

Our understanding is that the main reason for this prohibition, is that the property is at the end of ½ mile of unassumed road. We would be happy to work with the City and discuss reasonable options that might help us move forward, such as leasing or assuming the road ourselves.

With construction cost increases, interest rate increases and household incomes not keeping up, it's not surprising that we routinely hear about the lack of housing in Kawartha Lakes.

It seems counterintuitive to not work towards a mutually agreeable solution to this that could result in a happy outcome, both for ourselves and the community.

Please attach any additional supporting documents you wish to provide and submit with this completed form.
