6. PRC Activity Summary Spreadsheet

6.1 Reports

K. Pantaleo advised the Committee that there were no reports to review at this time.

6.2 Leachate Outbreaks

K. Pantaleo advised the Committee that there were no leachate outbreaks to report.

6.3 Landfill Complaints

K. Pantaleo advised the Committee there were no landfill complaints to report.

6.4 Ministry of Environment, Conservation and Parks (MECP) Comments

K. Pantaleo advised the Committee that two (2) environmental compliance approvals (ECA) were sent to neighbouring properties to the Landfill site. The first for the contours of the cells. The gas flare sits on the original foot print and will not affect the capacity allowance. The second ECA is for the scale drop off designs and upgrades. This will include access roads being updated and additional roll-off bins on site.

6.5 Monitoring Updates

K. Pantaleo advised the Committee that a site inspection was completed January 15, 2025 at 11:00 a.m. Site inspection went well and there is nothing to report at this time.

6.6 Capital Project Updates

H. Dzurko advised the Committee that the site designs for additional scales and operation improvements have been reviewed by Operations. The estimated construction costs are higher than budgeted amount. Staff will be providing a report to Council in January to support the continuation of the project. Further details will be brought to the Committee as they become available.

6.7 Customer Service Survey Update

K. Pantaleo advised the Committee that a presentation will be provided during item 7.3.
