

## Council Memorandum

<b>Date:</b>	June 3, 2025
<b>To:</b>	Committee of the Whole
<b>From:</b>	Councillor Perry
<b>Re:</b>	Speed Limit Posting – Daytona Beach Road, Pleasure Street and Admiral Drive

### Recommendation

**That** the Memorandum from Councillor Perry regarding **speed limit posting for Daytona Beach Road, Pleasure Street and Admiral Drive** be received;

**That** staff be directed to perform a speed limit warrant for the shoreline community on Daytona Beach Road, Pleasure Street, and Admiral Drive;

**That** staff proceed through the speed posting process which includes the drafting of a by-law for successful warrants or a report to Council on failed warrants; and

**That** this recommendation be forwarded to Council for consideration at the next Regular Council Meeting.

### Rationale

- Daytona Beach Road, Pleasure Street, and Admiral Drive are currently not posted for speed
- A by-law is required to post a speed limit.
- The speed posting process usually begins with a petition from the affected residents followed by staff review, and the drafting of a by-law or a report to Council.
- This memo is requesting Council direct staff to proceed with the speed posting process in absence of a petition.
