

**Agenda Item: 3.2 RT2025-05.3.2**

**SUMMARY**

Considerations-to-Date:

1. defer all road issues to Engineering and Public Works for their consideration (data and road science);
2. Councillors access City's staff to raise residents' information and concerns formally during preparation of the list of priority roads each year of the 5-year plan;
3. area meetings prior to capital budgets being considered, to have input into the roads capital budget;
4. Councillors consult the Mayor and present roads to the Mayor and Budget Committee each year; and
5. Council adds roads as decision units during Budget approval considerations.
