Petition Request: We the undersigned, petition the Council of the City of Kawartha Lakes to increase the frequency of yard waste collection to a level that will provide adequate services to CKL residents and is more comparable with what is provided by surrounding municipalities.

Petition Background: Currently, Kawartha Lakes provides yard waste collection only three times a year; once in the spring and twice in the fall. Three times a year is, by any reasonable measure of service, inadequate to serve the needs of residents and well below the level of service provided by surrounding municipalities. Many residents such as myself, do not have space available to store bags of yard waste. This means that several times a year I have no choice but to stuff as many bags as I can in my car and drive half an hour to the Lindsay Ops Landfill site. Most surrounding municipalities provide much more frequent yard waste collection. Examples include:

Peterborough: Weekly from April to November

Durham: Weekly April to December

Simcoe: biweekly from April to December

Muskoka: twice in spring, twice in fall

Northumberland: weekly from April to November

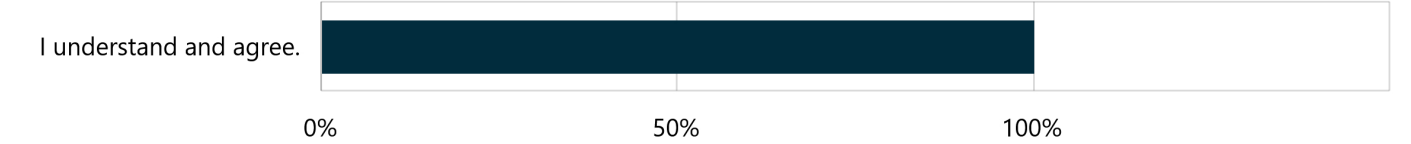

I would request that CKL give immediate consideration to increasing the frequency of yard waste collection.

Petition Organizer: D. Whalen of Bobcaygeon
