Petition Request: We the undersigned, petition the Council of the City of Kawartha Lakes to install 'Children Playing' signs and speed bumps along Golden Mile Rd.

Petition Background: The residents of Golden Mile Rd respectfully petition the City of Kawartha Lakes to install 'Children Playing' signs and speed bumps along our street.

Our community has a growing number of young families, and children regularly play, walk, and bike in the area—particularly during warmer months. Unfortunately, we have observed a consistent pattern of vehicles traveling in extreme excess above the posted speed limit, creating a potential safety risk.

The installation of "Children Playing" signs and/or speed bumps would:

- Alert drivers to the presence of children and encourage reduced speeds.
- Enhance safety for families and residents.
- Promote a more child-friendly and community-conscious neighbourhood environment.

We believe this is a proactive, low-cost, and effective measure to improve safety in our area.

We request that city staff assess this request as soon as possible and support the installation of these signs to protect the well-being of our children and the safety of all residents.
