

## Council Memorandum

|              |  |
|--------------|--|
| <b>Date:</b> | July 22, 2025  |
| <b>To:</b>   | Council  |
| <b>From:</b> | Councillor Perry   |
| <b>Re:</b>   | The Relocation or Removal of a 80km/hr Speed Posting Sign on Helen Street (Highway 121) at Highway 35, Fenelon Falls |

### Recommendation

**That** the Memorandum from Councillor Perry, **regarding the Relocation or Removal of an 80 km/hr Speed Posting Sign on Helen Street (Highway 121) at Highway 35**, be received; and

**That** Staff be directed to remove the 80km/hr speed limit sign on Helen Street (Highway 121) or move it closer to Highway 35.

### Rationale

Driving out of Fenelon Falls on Helen Street (Highway 121) toward the intersection to Highway 35, speed increases gradually from 40km/hr to 80km/hr. A single 80km/hr sign exists at a curve in the road only about 500m from the intersection to Highway 35. Residents are reporting excess noise and unsafe rates of speed as cars accelerate to 80km/hr and higher at this curve, only to have to slow down again moments later at the Highway 35 intersection.
