**Petition Request:** We the undersigned, petition the Council of the City of Kawartha Lakes to revise the Long Term Financial Plan (LTFP) to limit the proposed tax rate increases to 1.5% until 2031, or until the housing crisis is over (whichever comes first), and that each year the Mayor prepare Proposed Budgets to reflect the amended LTFP.

**Petition Background:** In the face of an already critical housing crisis and rampant inflation, this rapid and excessive tax hike is not just financially burdensome; it's unconscionable. Increasing taxes at such an aggressive pace will undoubtedly force countless residents out of their homes, compounding the housing crisis that we're already witnessing across the country and causing massive property tax arrears which is already hurting the GTA.

We call upon the City of Kawartha Lakes' authorities to immediately impose a moratorium on these tax hikes. This pause should remain in effect until a time when the housing crisis is alleviated and the financial stability of families is no longer in jeopardy.
